CITY OF SANTA BARBARA STAFF HEARING OFFICER

RESOLUTION NO. 048-13

55 CHASE DRIVE

MODIFICATION

AUGUST 21, 2013

APPLICATION OF CHRIS OTTINGER, PROPERTY OWNER, 55 CHASE DRIVE, APN 015-020-010, E-1 ONE-FAMILY RESIDENCE ZONE, GENERAL PLAN DESIGNATION: LOW DENSITY RESIDENTIAL 3 DU/ACRE (MST2013-00297)

The 14,995 square foot site is currently developed with a 1,967 square foot, one-story residence with an attached two-car garage. The proposed project involves permitting the “as-built” 160 square foot enclosure of an existing breezeway to create a small room between the residence and the garage. The discretionary application required for this project is an Interior Setback Modification to allow the addition to be located within the required 10-foot interior setback. The proposed project will abate violations listed in ZIR2013-00246 and ENF2013-00643.

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15301.

WHEREAS, the Staff Hearing Officer has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, no one appeared to speak either in favor or in opposition of the application thereto, and the following exhibits were presented for the record:

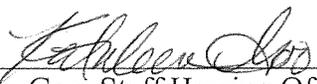

1. Staff Report with Attachments, August 15, 2013.
2. Site Plans
3. Correspondence received in opposition to the project:
 - a. Paula Westbury, Santa Barbara, CA.

I. NOW, THEREFORE BE IT RESOLVED that the City Staff Hearing Officer approved the requested Interior Setback Modification making the finding and determination that it is consistent with the purposes and intent of the Zoning Ordinance and is necessary to secure an appropriate improvement on the lot. The proposed “as-built” addition is appropriate because the addition is located under the existing roof form and in line with the existing development, on a lot with substandard width, as described in Section IV of the written staff report.

II. Said approval is subject to the condition that the “as-built” door and associated “as-built” lighting shall be removed from the interior setback.

This motion was passed and adopted on the 21th day of August, 2013 by the Staff Hearing Officer of the City of Santa Barbara.

I hereby certify that this Resolution correctly reflects the action taken by the City of Santa Barbara Staff Hearing Officer at its meeting of the above date.

Kathleen Goo, Staff Hearing Officer Secretary
