The 5,428 square foot, corner parcel is currently developed with a portion of a one-story duplex and a detached two-car garage. The remainder of the duplex is on the adjoining parcel to the east. The discretionary applications required for this project are Open Yard Modifications to: 1) allow for the reduction in the required 1,250 square foot; and 2) allow a portion of the required open yard to be located in the front yard and required front setback along the primary frontage (SBMC § 28.15.060.C and SBMC § 28.92.110).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15302 (Replacement or reconstruction of existing structures).
