The 7,470 square foot parcel is currently developed with a 3,090 square foot non-residential building with two storefronts. The proposed project involves minor tenant improvements to the site and building, including permitting the two new awnings at the front of the building along State Street. The discretionary land use application required for this project is a Modification to allow the awnings to encroach into the required ten-foot front setback (SBMC §28.45.008 and 28.92.110).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15301.

You are invited to attend this hearing and address your verbal comments to the Staff Hearing Officer. Written comments are also welcome up to the time of the hearing, and should be addressed to the Staff Hearing Officer Secretary, P.O. Box 1990, Santa Barbara, CA 93102-1990 or via email to SHOSecretary@SantaBarbaraCA.gov. This is the only notification you will receive for this development application.
