**APPLICATION OF ALICIA HARRISON, AGENT FOR JL TRUST AND DUNLAP FAMILY TRUST,
3433 AND 3443 SEA LEDGE LANE, APNS: 047-082-005 AND 047-082-006, A-1/SD-3 (ONE FAMILY
RESIDENCE AND COASTAL OVERLAY) ZONES, LOCAL COASTAL PLAN DESIGNATION:
RESIDENTIAL – ONE UNIT PER ACRE (MST2015-00019)**

The project consists of the repair of a slope failure located between the upper and lower portions of Sea Ledge Lane, which is a private road accessed off of Cliff Drive. The repairs include the installation of a retaining wall system, including micro-piles and tiebacks, that is 67 feet long with a maximum height of six feet; drainage improvements that tie into the existing drainage system; and new landscaping with temporary irrigation for erosion control and visual screening of the new retaining wall.

This work was permitted by the City through an emergency permit and construction is underway. Pursuant to SBMC §28.44.100.E(5), an application for a formal coastal development permit must be filed within 90 days of the issuance of the emergency permit. Any development constructed pursuant to an emergency permit shall be considered temporary until authorized by subsequent coastal development permit, and issuance of an emergency permit does not constitute an entitlement to said development.

The discretionary application required for this project is a Coastal Development Permit (CDP2015-00002) to allow the proposed development in the Appealable Jurisdiction of the City's Coastal Zone (SBMC §28.44.060).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15303.

You are invited to attend this hearing and address your verbal comments to the Staff Hearing Officer. Written comments are also welcome up to the time of the hearing, and should be addressed to the Staff Hearing Officer Secretary, P.O. Box 1990, Santa Barbara, CA 93102-1990 or via email to SHOSecretary@SantaBarbaraCA.gov. This is the only notification you will receive for this development application. The scope of this project may be modified under further review. Office hours are 8:30 a.m. to 4:30 p.m., Monday through Thursday, and every other Friday. Please check our website under [City Calendar](#) to verify closure dates.

If you, as an aggrieved party or applicant, disagree with the decision of the Staff Hearing Officer regarding the outcome of this application, you may appeal the decision to the Planning Commission. The appeal, accompanied by the appropriate filing fee per application, must be filed at the Planning & Zoning Counter within ten calendar days of the Staff Hearing Officer's decision. If the Planning Commission's decision is appealed, and if the City Council approves the project, then it is appealable to the California Coastal Commission under California Public Resources Code §30603(a) and SBMC §28.44.200.

If you challenge the permit approval or environmental document in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Staff Hearing Officer at or prior to the public hearing.
