

The Santa Barbara Police Department recommends the following conditions for 2609 De La Vina Street:

- 1.) A Crime Prevention Through Environmental Design (CPTED) review be completed by the SBPD prior to final permits or certificate of occupancy for the dispensary.
- 2.) Lighting shall be provided to illuminate the interior of the Dispensary, facade, and the immediate sounding area, including any accessory uses, parking lots, and adjoining sidewalks. Lighting shall be hooded or oriented so as to deflect light away from adjacent properties.
- 3.) Security shall include operable cameras and a metal detector to the satisfaction of the Chief of Police. This facility shall also include alarms and two unarmed security guards who are licensed by the State of California. One security guard must be on the premises 24 hours a day, seven days a week, the other must be present during business hours. The security guards should only be engaged in activities related to providing security for the facility, except on an incidental basis. The cameras shall have and use a recording device that maintains the records for a minimum of 30 days.
- 4.) The Owner/Permittee shall install bullet resistant glass, plastic, or laminate shield at the reception area to protect employees.
- 5.) The Owner/Permittee shall install bullet resistant armor panels or solid grouted masonry block walls, designed by a licensed professional, in the reception area, vault room and ALL mutual walls adjoining restaurant (North wall and East wall of bathroom area).
- 6.) The name and emergency contact phone number of an operator or manager shall be posted in a location visible from outside of the Dispensary in character size at least two inches in height.
- 7.) The Dispensary shall operate only between the hours of 8:00 a.m. and 6:00p.m., Monday through Saturday only.
- 8.) The Owner/Permittee or operator shall maintain the Dispensary, adjacent public sidewalks, and areas under the control of the owner or operator, free of litter and graffiti at all times. The owner or operator shall provide for daily removal of trash, litter, and debris. Graffiti shall be removed within 24 hours.
