The extension is being requested pursuant to SBMC §27.07.110. The approved Map would have expired on March 23, 2017; however the time extension request was received prior to the expiration date. Staff is recommending that the Staff Hearing Officer approve a one year time extension to March 23, 2018.

WHEREAS, the Staff Hearing Officer has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, no one appeared to speak in favor of the application, and no one appeared to speak in opposition thereto, and the following exhibits were presented for the record:

1. Staff Report with Attachments, April 19, 2017.
2. Site Plans

NOW, THEREFORE BE IT RESOLVED that the City Staff Hearing Officer:

- I. Approved a one year Time Extension to March 23, 2018 for the Tentative Subdivision Map, Development Plan, and Parking Modification originally approved by the City Council on March 23, 2010, with the finding that the applicant has made progress on the project by completing the required remediation of the soil contamination, and the project continues to conform to the City's Zoning and Building Ordinances and policies of the General Plan, as it was at the time it was originally approved.
- II. Said approval is subject to the original Conditions of Approval stated in Planning Commission Resolution No. 043-09, dated March 23, 2010.

This motion was passed and adopted on the 26th day of April, 2017 by the Staff Hearing Officer of the City of Santa Barbara.
