CITY OF SANTA BARBARA STAFF HEARING OFFICER

RESOLUTION NO. 046-17
1608 BATH STREET
MODIFICATIONS
JUNE 21, 2017

APPLICATION OF MICHAEL CHIACOS, OWNER AND AGENT, 1608 BATH STREET, APN: 027-171-022, R-4, HOTEL-MOTEL-MULTIPLE RESIDENCE ZONE, GENERAL PLAN DESIGNATION: MEDIUM-HIGH DENSITY RESIDENTIAL (15-27 DU/ACRE) (MST2016-00434)

The 6,250 square foot project site is currently developed with a 1,800 square foot residential duplex and detached 380 square foot two-car garage. The proposed project involves converting the rear residential unit (500 square feet) to a hotel unit. No exterior changes are proposed.

On January 18, 2017, a Modification was granted for an Interior Setback Modification to allow the conversion of residential floor area to commercial floor area within the required six-foot interior setback along the southeast property line (SBMC § 28.21.060 and SBMC § 28.92.110). A Condition of Approval was imposed by the Staff Hearing Officer requiring the existing entrance stairway to the front door of the hotel unit to be reoriented so that access is taken directly from the driveway; subject to review and approval by Transportation Division staff. The applicant is requesting that this Condition of Approval be rescinded.

The discretionary application required for this project is an Amendment to the Conditions of Approval requiring the reorientation of the entry stairs to the hotel unit.

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15301 and 15305 (Existing Facilities and Minor Alterations to Land Use Limitations).

WHEREAS, the Staff Hearing Officer has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, no one appeared to speak in favor or in opposition of the application thereto, and the following exhibits were presented for the record:

1. Staff Report with Attachments, June 15, 2017.
2. Site Plans

NOW, THEREFORE BE IT RESOLVED that the City Staff Hearing Officer:

- I. Approved the Amendment to the Conditions of Approval to remove the Condition of Approval II.B added by the Staff Hearing Officer at the January 18, 2017 hearing to approve the Interior Setback Modification and allow the conversion of residential floor area to commercial floor area within the required six-foot setback. To ensure that privacy and noise concerns continue to be

addressed, the following replacement Condition of Approval shall be added in lieu of the removed Condition II.B.

- II. Said approval is subject to the following condition that the applicant will construct a new fence along the southeastern property line to provide a noise and privacy barrier to the adjacent property, at a height of six feet and eight feet, as shown on the attached plans of the Staff Report dated June 15, 2017.

This motion was passed and adopted on the 21st day of June, 2017 by the Staff Hearing Officer of the City of Santa Barbara.

I hereby certify that this Resolution correctly reflects the action taken by the City of Santa Barbara Staff Hearing Officer at its meeting of the above date.
