

City of Santa Barbara California

CITY OF SANTA BARBARA STAFF HEARING OFFICER

RESOLUTION NO. 012-18
107 COOPER ROAD
COASTAL DEVELOPMENT PERMIT
MARCH 14, 2018

**APPLICATION OF LONNIE NELSON, APPLICANT FOR MIKHAIL MESHKOV,
107 COOPER ROAD, APN 041-341-006, E-3/S-D-3 ZONES, LOCAL COASTAL PROGRAM
AND LAND USE PLAN DESIGNATION: RESIDENTIAL, 5 UNITS PER ACRE (MST2017-
00790 & CDP2017-00013)**

The project includes conversion of an existing 364 square foot detached garage to an accessory dwelling unit pursuant to Government Code 65852.2. An uncovered parking space is proposed in the existing driveway, and interior alterations to add permanent cooking and bathing facilities are proposed. The existing 1,209 square foot single-unit residence on the 8,256 square foot lot in the Non-Appealable Jurisdiction of the Coastal Zone and E-3 zone would remain unaltered.

The project is located within the Non-Appealable Jurisdiction of the City's Coastal Zone and because the new ADU is detached from the main residence, a Coastal Development Permit is required pursuant to Coastal Commission Memorandum dated April 18, 2017 (New Accessory Dwelling Unit Legislation).

The discretionary application required for this project is a Coastal Development Permit (CDP2017-00013) for a secondary dwelling unit (SBMC §28.44).

Pursuant to SBMC 28.44.110, when a proposed development only involves the addition of a secondary dwelling unit to an existing single-family residence, the application shall be reviewed by the Staff Hearing Officer without a public hearing in accordance with subdivision (j) of Government Code Section 65852.2. The Staff Hearing Officer shall not issue a decision on the application until at least ten (10) calendar days after notice has been provided. The Staff Hearing Officer may receive and consider written comments from the public, but without a public hearing. The decision will be the final action of the City (i.e., not appealable).

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15303, New Construction or Conversion of Small Structures.

WHEREAS, the Staff Hearing Officer has held the required public hearing on the above application, and the Applicant was present.

WHEREAS, no one appeared to speak in favor or in opposition of the application thereto, and the following exhibits were presented for the record:

1. Staff Report with Attachments, March 7, 2018
2. Site Plans

NOW, THEREFORE BE IT RESOLVED that the City Staff Hearing Officer:

I. Approved the subject application, making the following findings and determinations:

- A.** The project is consistent with policies of the California Coastal Act because it does not result in any adverse effects related to coastal resources, including views and public access. The proposed development is located within an existing developed area that is able to accommodate said development and a parking space to serve the residence will be maintained on site.
- B.** The project is consistent with all applicable policies of the City's Local Coastal Plan, all implementing guidelines, and all applicable provisions of the Code because the new accessory dwelling unit is compatible with the existing neighborhood, will not impact views from public view corridors, will not impact public access, will continue to provide one parking space onsite, and is not located on a coastal bluff or in an archaeological sensitivity zone, as discussed in Section VI.B of the written staff report dated March 7, 2018.

II. Said approval is subject to the following conditions:

In consideration of the project approval granted by the Staff Hearing Officer and for the benefit of the owners and occupants of the Real Property, the owners and occupants of adjacent real property and the public generally, the following terms and conditions are imposed on the use, possession, and enjoyment of the Real Property:

- A. Order of Development.** In order to accomplish the proposed development, the following steps shall occur in the order identified:
 - 1. Obtain all required design review approvals.
 - 2. Pay Land Development Team Recovery Fee (30% of all planning fees, as calculated by staff) at time of building permit application.
 - 3. Submit an application for and obtain a Building Permit (BLD) to demolish any structures / improvements and/or perform rough grading. Comply with condition E "Construction Implementation Requirements."
 - 4. Record any required documents (see Recorded Conditions Agreement section).
 - 5. Permits.
 - a. Submit an application for and obtain a Building Permit (BLD) for construction of approved development and complete said development.
 - b. Submit an application for and obtain a Public Works Permit (PBW) for all required public improvements and complete said improvements.

Details on implementation of these steps are provided throughout the conditions of approval.

- B. Recorded Conditions Agreement.** The Owner shall execute a *written instrument*, which shall be prepared by Planning staff, reviewed as to form and content by the City Attorney, Community Development Director and Public Works Director, recorded in the Office of the County Recorder, and shall include the following:
1. **Approved Development.** The development of the Real Property approved by the Staff Hearing Officer on February 14, 2018 is limited to the conversion of the garage to an accessory dwelling unit and accessory floor area as shown on the plans signed by the Staff Hearing Officer on said date and on file at the City of Santa Barbara.
 2. **Accessory Dwelling Unit.** The accessory dwelling unit shall not be sold separately from the primary residential unit, and shall be rented for more than 30 consecutive days.
 3. **Owner Occupancy Required.** The owner of the lot shall occupy either the primary residential unit or the accessory dwelling unit as his or her primary residence.
 4. **Uninterrupted Water Flow.** The Owner shall allow for the continuation of any historic flow of water onto the Real Property including, but not limited to, swales, natural watercourses, conduits and any access road, as appropriate.
 5. **Recreational Vehicle Storage Limitation.** No recreational vehicles, boats, or trailers shall be stored on the Real Property unless enclosed or concealed from view as approved by the Single Family Design Board (SFDB).
- C. Requirements Prior to Permit Issuance.** The Owner shall submit the following, or evidence of completion of the following, for review and approval by the Department listed below prior to the issuance of any permit for the project. Some of these conditions may be waived for demolition or rough grading permits, at the discretion of the department listed. Please note that these conditions are in addition to the standard submittal requirements for each department.
1. **Public Works Department.**
 - a. **Water Rights Assignment Agreement.** The Owner shall assign to the City of Santa Barbara the exclusive right to extract ground water from under the Real Property in an *Agreement Assigning Water Extraction Rights*. Engineering Division Staff prepares said agreement for the Owner's signature.
 - b. **Encroachment Permits.** Any encroachment or other permits from the City or other jurisdictions (State, Flood Control, County, etc.) for the construction of improvements (including any required appurtenances) within their rights of way or easements shall be obtained by the Owner.

2. **Community Development Department.**

- a. **Recordation of Agreements.** The Owner shall provide evidence of recordation of the written instrument that includes all of the Recorded Conditions identified in condition B "Recorded Conditions Agreement" to the Community Development Department prior to issuance of any building permits.
- b. The existing fence and hedge along the front property line shall be reduced in height to meet the requirements of SBMC §28.87.170.
- c. The existing gate across the driveway shall be either relocated to be a minimum of 20 feet from the front property line or removed entirely from the project site. Depending on its location and proposed height, design review may be required.
- d. The existing garage door on the accessory building shall be removed and replaced with a solid wall to match the existing building, a pedestrian door, and/or windows.
- e. **Conditions on Plans/Signatures.** The final Resolution shall be provided on a full size drawing sheet as part of the drawing sets. A statement shall also be placed on the sheet as follows:

The undersigned have read and understand the required conditions, and agree to abide by any and all conditions which are their usual and customary responsibility to perform, and which are within their authority to perform.

Signed:

	Date	
	Date	License No.
	Date	License No.
	Date	License No.

D. **Construction Implementation Requirements.** All of these construction requirements shall be carried out in the field by the Owner and/or Contractor for the duration of the project construction, including demolition and grading.

- 1. **Construction Contact Sign.** Immediately after Building permit issuance, signage shall be posted at the points of entry to the site that list the contractor(s) name and telephone number(s) to assist Building Inspectors and Police Officers in the enforcement of the conditions of approval. Said sign shall not exceed six

feet in height from the ground if it is free-standing or placed on a fence. It shall not exceed six square feet in a single family zone.

2. **Construction Storage/Staging.** Construction vehicle/ equipment/ materials storage and staging shall be done on-site. No parking or storage shall be permitted within the public right-of-way, unless specifically permitted by the Public Works Director with a Public Works permit.
3. **Unanticipated Archaeological Resources Contractor Notification.** Standard discovery measures shall be implemented per the City master Environmental Assessment throughout grading and construction: Prior to the start of any vegetation or paving removal, demolition, trenching or grading, contractors and construction personnel shall be alerted to the possibility of uncovering unanticipated subsurface archaeological features or artifacts. If such archaeological resources are encountered or suspected, work shall be halted immediately, the City Environmental Analyst shall be notified and the Owner shall retain an archaeologist from the most current City Qualified Archaeologists List. The latter shall be employed to assess the nature, extent and significance of any discoveries and to develop appropriate management recommendations for archaeological resource treatment, which may include, but are not limited to, redirection of grading and/or excavation activities, consultation and/or monitoring with a Barbareño Chumash representative from the most current City qualified Barbareño Chumash Site Monitors List, etc.

If the discovery consists of possible human remains, the Santa Barbara County Coroner shall be contacted immediately. If the Coroner determines that the remains are Native American, the Coroner shall contact the California Native American Heritage Commission. A Barbareño Chumash representative from the most current City Qualified Barbareño Chumash Site Monitors List shall be retained to monitor all further subsurface disturbance in the area of the find. Work in the area may only proceed after the Environmental Analyst grants authorization.

If the discovery consists of possible prehistoric or Native American artifacts or materials, a Barbareño Chumash representative from the most current City Qualified Barbareño Chumash Site Monitors List shall be retained to monitor all further subsurface disturbance in the area of the find. Work in the area may only proceed after the Environmental Analyst grants authorization.

A final report on the results of the archaeological monitoring shall be submitted by the City-approved archaeologist to the Environmental Analyst within 180 days of completion of the monitoring and prior to any certificate of occupancy for the project.

E. Prior to Certificate of Occupancy. Prior to issuance of the Certificate of Occupancy, the Owner of the Real Property shall complete the following:

1. **Repair Damaged Public Improvements.** Repair any public improvements (curbs, gutters, sidewalks, roadways, etc.) or property damaged by construction subject to the review and approval of the Public Works Department per SBMC §22.60. Where tree roots are the cause of the damage, the roots shall be pruned under the direction of a qualified arborist.

F. General Conditions.

1. **Compliance with Requirements.** All requirements of the city of Santa Barbara and any other applicable requirements of any law or agency of the State and/or any government entity or District shall be met. This includes, but is not limited to, the Endangered Species Act of 1973 [ESA] and any amendments thereto (16 U.S.C. § 1531 et seq.), the 1979 Air Quality Attainment Plan, and the California Code of Regulations.
2. **Approval Limitations.**
 - a. The conditions of this approval supersede all conflicting notations, specifications, dimensions, and the like which may be shown on submitted plans.
 - b. All buildings, roadways, parking areas and other features shall be located substantially as shown on the plans approved by the Staff Hearing Officer.
 - c. Any deviations from the project description, approved plans or conditions must be reviewed and approved by the City, in accordance with the Planning Commission Guidelines. Deviations may require changes to the permit and/or further environmental review. Deviations without the above-described approval will constitute a violation of permit approval.

III. NOTICE OF COASTAL DEVELOPMENT PERMIT TIME LIMITS:

The Staff Hearing Officer action approving the Coastal Development Permit shall expire two (2) years from the date of final action upon the application, per Santa Barbara Municipal Code §28.44.230, unless:

1. Otherwise explicitly modified by conditions of approval for the coastal development permit.
2. A Building permit for the work authorized by the coastal development permit is issued prior to the expiration date of the approval.
3. The Community Development Director grants an extension of the coastal development permit approval. The Community Development Director may grant up to three (3) one-year extensions of the coastal development permit approval. Each extension may be granted upon the Director finding that: (i) the development continues to conform to the Local Coastal Program, (ii) the applicant has demonstrated due diligence in completing
