NOTICE OF A PUBLIC HEARING: STAFF HEARING OFFICER (SHO)

DATE: WEDNESDAY, AUGUST 14, 2019 **MEETING TIME BEGINS AT:** 9:00 AM

LOCATION: DAVID GEBHARD PUBLIC MEETING ROOM, 630 GARDEN STREET

PROJECT LOCATION: 2213 OAK PARK LANE, APN025-160-011, PLN2019-00053 **OWNER:** KAREN LEE HASKELL

PROJECT DESCRIPTION: The 7,460 square-foot site is currently developed with a permitted residence (Building A), a two-car tandem garage (Building B), and an accessory structure with a darkroom and a separate laundry room (Building C). Both Buildings B and C have "as-built" additions and contain "as-built" residential units. The proposed project involves demolition of all "as-built" additions to Building B and conversion back to a two-car tandem garage. The project also consists of the demolition of the "as-built" additions to Building C that are not in line with the permitted portion of the building. The scope of work also includes abatement of all violations listed in ENF2018-00719 and ZIR2018-00368, including removal of items in the garage to make the covered parking accessible and the demolition of sheds in the interior setback (rear). Building C is proposed to be converted to an Accessory Dwelling Unit studio with a separate laundry area to remain. The discretionary application under the jurisdiction of the Staff Hearing Officer required for this project is an Interior Setback Modification to allow for the "as-built" construction of a proposed Accessory Dwelling Unit to remain in the required 6'-0" interior setback (SBMC Table 30.20.030.B and §30.250.060.F). The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15301 (Existing Facilities) and 15305 (Minor Alterations in Land Use Limitations). This project requires an environmental finding pursuant to California Environmental Quality Act Guidelines Section 15183 (Projects Consistent with a Community Plan or Zoning). **FOR MORE INFORMATION CONTACT:** Ellen Kokinda at (805) 564-5470
