### Future of Downtown State Street

In response to the pandemic and public health restrictions, the City closed Downtown State Street to cars and opened the street to pedestrians, shoppers and outdoor dining to allow residents to enjoy downtown's newly created open space.

Due to the on-going public health orders Council extended the term of emergency economic recovery ordinance which allows for the temporary outdoor dining uses until March 8, 2021. Additionally, due to the success of the newly created State Street Promenade, the City Council established a State Street Subcommittee to oversee a public outreach effort to envision the future form of Downtown State Street.

The State Street Subcommittee has been meeting regularly over the fall of 2020 to oversee the management of the State Street Promenade and outreach/visioning effort. The State Street
