FINISHED ACTIONS

1. **Public Comment** *None* 2:30

2. **Green Business Program** 2:35

ACTION: Hear an annual report from the Green Business Program on their work with local businesses and recommend an annual funding increase of \$1,500 for total annual funding of \$11,500.

Frances Gilliland, Program Director, Green Business Program of Santa Barbara County presented the 2013 Annual Report. The Committee heard the request for additional funding and asked the Green Business Council to first seek funding from other organizations in Santa Barbara.

3. **Bike Parking Opportunities** 2:55

ACTION: Review pilot project to expand bike parking in the Funk Zone and the 100 East block of Canon Perdido Street.

The Committee heard a presentation reviewing two pilot projects to expand bike parking. Committee encouraged staff to continue working with local businesses to determine the best applications of bike parking expansion.

4. **Inventory of Marina Electrical Accounts** 3:15

ACTION: Receive a presentation on the planned inventory of electrical accounts for marina slipholders as part of a multi-year electrical submetering effort.

The Committee heard a presentation summarizing the current status of the Waterfront's multiyear submetering project for marina slipholders.
