NOTICE OF PUBLIC HEARING Proposed Increase to Utility Rates

ITEM 6

Date: June 14, 2011
Time: 2:00 p.m.
Place: City Council Chambers, City Hall
735 Anacapa Street, Santa Barbara

NOTICE IS HEREBY GIVEN that the City Council of the City of Santa Barbara will consider a recommendation to adopt a resolution, at the above-indicated time and place, to increase water, wastewater (sewer), and solid waste collection rates charged by the City. Increases would be effective on utility bills dated July 1, 2011 or later. Sample billing comparisons for current and proposed rates are shown on the reverse. Small variations in the stated percentages may occur due to rounding.

Water Rates (Applicable only to customers billed by the City for water service)

The proposed water rate change is three and one-half percent (3.5%) increase to usage charges and monthly service charges for all customer classes. The monthly bill for the average in-City single family residential customer (12 hundred cubic feet of water) would increase by \$2.19. The proposed increase will fund projects to replace and repair water mains, pumping stations, storage reservoirs, and the water treatment plant. These projects are needed to meet regulatory requirements and to keep the City's infrastructure in good shape to reliably provide water for household use and fire protection.

Wastewater Rates (Applicable only to customers billed by the City for sewer service)

The proposed wastewater rate change is four percent (4%) increase to City's current charges for all customer classes. The maximum monthly charge for a single family residential customer would increase by \$1.40 under the proposed rates. The proposed increase will fund replacement and repair of the City's aging sewer system as well as replacement of critical facilities at the wastewater treatment plant, including replacing the 30-year old pumps used to pump sewage through the treatment plant.

Trash & Recycling (Applicable only to customers billed by the City for trash/recycling collection)

(Pending)

This notice is intended only for customers billed by the City of Santa Barbara for water, wastewater, and/or solid waste collection services. For a complete list of all current and proposed rates, go to: www.SantaBarbaraCA.gov/UtilityBilling or call (805) 564-5460.

If you oppose any of the above increases, please deliver your protest **in writing** to the City Clerk of the City of Santa Barbara at 735 Anacapa Street, Santa Barbara, CA, 93101, prior to or during the City Council's consideration of this item on June 14, 2011. (If you wish to submit your protest during the public hearing, please deliver it to City Staff in the Council Chamber.) Because multiple rates are being considered by City Council at the same hearing, please indicate the specific rate you are protesting.
