

Santa Barbara City Fire Department

Bulletin No. 17-35

Date: September 1, 2017

To: All Department Members

Subject: October Pink Shirts for
Breast Cancer
Awareness

For the seventh year in a row the SBFD and SBCFFA will be supporting the wearing of pink T-shirts for breast cancer awareness during the month of October. The guidelines for wearing while on duty are listed below. If you have questions regarding the policy, please direct them to your Captain or Battalion Chief.

1. Wearing of pink T-shirts will be voluntary.
2. You may wear your pink T-shirt for all department activities including Fire Prevention, Public Education etc.
3. You should wear your pink T-shirt under your badge shirt when appropriate.
4. It is not mandatory for all crew members to wear pink shirts. If one crew member elects to wear his/her pink T-shirt, the other crew members are not necessarily obligated to do the same. Keep in mind that the Captain has discretion as to what uniform will be worn.

Patrick McElroy, Fire Chief
