The City shall have the power to make and enforce all laws and regulations in respect to municipal affairs, subject only to such restrictions and limitations as may be provided in this Charter or in the Constitution of the State of California. It shall also have the power to exercise any and all rights, privileges and powers, including proprietary powers, heretofore or hereafter established, granted or prescribed by any law of the State, by this Charter, or by other lawful authority, or which a municipal corporation might or could exercise under the Constitution of the State of California, subject to such restrictions and limitations as may be contained in this Charter.

The enumeration in this Charter of any particular power shall not be held to be exclusive of, or any limitation upon, the generality of the foregoing provisions.

### **Section 401. Procedures.**

The City shall have the power to and may act pursuant to any procedure established by any law of the State, unless a different procedure is required by this Charter.

**Article V.  
Mayor and City Council**

**Section 500. City Council. By-District Elections. Terms.**

The elective officers of the City shall consist of a City Council of seven (7) members, including the Mayor. The Mayor shall be elected from the City at large at the times and in the manner provided in this Charter. The members of the City Council shall be elected or appointed, as applicable, by and from single member electoral districts in which they reside, as such districts may be established as provided in this Charter. The Mayor and members of the City Council shall serve for terms of four (4) years and until their respective successors qualify.

The term of the Mayor and each member of the City Council shall commence on the day of the first Council meeting in the month of January following the receipt of certification of election results. Ties in voting among candidates for office shall be settled by the casting of lots. (Amended pursuant to elections held November 6, 2018; November 2, 1993; November 2, 1982; November 5, 1968.)

**Section 500.1 City Council—Limitation on Terms.**

No person shall be eligible to serve as a member of the City Council for more than two (2) consecutive four (4) year terms. No person shall be eligible to serve as Mayor for more than two (2) consecutive four (4) year terms. No person shall be eligible to serve consecutively as a member of the City Council and Mayor, or as a Mayor and as a member of the City Council, for more than a total four (4) consecutive four (4) year terms, with no more than two (2) consecutive terms in either office. Any term of elected or appointed service of two (2) years or more shall constitute a four (4) year term for the purposes of this section. Election to a term of office beginning prior to the effective date of this amendment shall not disqualify any incumbent from completing said term. (Amended pursuant to elections held November 6, 2018; November 6, 1990.)

**Section 501. Eligibility.**

No person shall be eligible to hold office as Mayor or as a member of the City Council unless he or she is and shall have been a resident and qualified elector of the City and the applicable electoral district for at least thirty (30) days next preceding the date of his or her election or appointment. The City Council shall judge the qualifications of its members as set forth by this Charter. (Amended pursuant to election held November 6, 2018.)

**Section 502. Compensation.**

Beginning July 1, 2005, the members of the City Council, except the Mayor, shall receive an annual salary in the sum equal to eighty percent (80%) of the annual Area Median Income and the Mayor shall receive an annual salary equal to one hundred percent (100%) of the Area Median Income. In addition, the Mayor and each member of the City Council shall receive reimbursement on order of the City Council for Council authorized traveling and other expenses when on official duty upon submission of an itemized expense account therefor, or may receive an advance for such purposes subject to such accounting. In addition, members shall receive such uniform, reasonable and adequate amount as may be established by ordinance, which amount shall be deemed to be reimbursement to them of other routine and ordinary expenses and costs imposed upon them by virtue of their serving as City Councilmen, including the Mayor.

## Section 503

The term “Area Median Income” shall refer to the annual Area Median Income for a one-person household within Santa Barbara County as determined and set by the United States Department of Housing and Urban Development or, if the Housing and Urban Development Area Median Income determination is not available for any reason, by a comparable index published by the state of California. The Mayor and City Council member salaries shall also be adjusted each year as of the first day of April based on changes in the Area Median Income. (Amended pursuant to elections held November 2, 2004; November 4, 1986; March 8, 1977.)

### **Section 503. Vacancies.**

Any vacancy on the City Council in the office of Mayor or Councilmember shall be filled by special election. The special election shall be called by the Council within thirty (30) days of the occurrence of such vacancy and shall be held on the next regularly established general municipal, district, county, or state election date not less than 114 days from the call of the special election, unless Council chooses to call a special election at an earlier point in time. If a vacancy on the City Council in the office of Mayor or Councilmember occurs within one year of the end of the term of office for the vacancy, the Council may make an interim appointment with no special election required.

After the special election has been called, the Council may make an interim appointment to the vacant Council district. The person appointed to fill the vacancy on an interim basis shall meet all of the qualifications for such office and shall serve until the candidate elected at the special election has taken office. In addition, no interim appointee shall use any ballot designation indicating membership, former membership, or incumbency, or former incumbency on the Council or the office of Mayor, unless said person has previously been elected to the office for which membership or incumbency is claimed and the ballot designation is otherwise lawful.

If the Mayor or any other member of the City Council absents himself or herself from all regular meetings of the City Council for a period of sixty (60) days consecutively from and after the last regular Council meeting attended by him or her, unless by permission of the City Council expressed in its official minutes, or if convicted of a crime involving moral turpitude, or ceases to be an elector of the City and applicable election district, his or her office shall become vacant. The City Council shall declare the existence of any such vacancy. (Amended pursuant to elections held November 6, 2018; November 2, 1982; June 4, 1974.)

### **Section 504. The Mayor.**

The Mayor shall be the presiding officer at all meetings of the City Council and shall be included as a member of the City Council for all purposes under this Charter unless otherwise expressly provided. He shall be counted in determining a quorum and shall be entitled to vote on all matters, but shall possess no veto power. The Mayor may make and second motions and shall have a voice and vote in all its proceedings. He shall be the official head of the City for all ceremonial purposes. He shall have the primary but not the exclusive responsibility for interpreting the policies, programs and needs of the City government to the people, and as occasion requires, he may inform the people of any change in policy or program. He shall perform such other duties consistent with his office as may be prescribed by this Charter or as may be imposed by the City Council.

The City Council shall designate one (1) of its members as Mayor Pro Tempore, who shall serve in such capacity at the pleasure of the City Council. The Mayor Pro Tempore shall perform the duties of the Mayor

during the absence or disability of the Mayor.

**Section 505. Powers Vested in City Council.**

All powers of the City shall be vested in the City Council except as otherwise provided in this Charter.

**Section 506. Regular Meetings.**

The City Council shall hold regular meetings at least once each week at such times as it shall fix by ordinance or resolution and may adjourn or re-adjourn any regular meeting to a date and hour certain which shall be specified in the order of adjournment and when so adjourned each adjourned meeting shall be a regular meeting for all purposes. If the hour to which a meeting is adjourned is not stated in the order of adjournment, such meeting shall be held at the hour for holding regular meetings. If at any time any regular meeting falls on a holiday such regular meeting shall be held on the next business day.

**Section 507. Special Meetings.**

A special meeting may be called at any time by the Mayor, or by a majority of the members of the City Council, by written notice to each member of the City Council and to each local newspaper of general circulation, radio or television station requesting notice in writing. Such notice must be delivered personally or by mail and must be received at least twenty-four (24) hours before the time of such meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted. No other business shall be considered at such meeting. Such written notice may be dispensed with as to any person entitled thereto who, at or prior to the time the meeting convenes, files with the City Clerk a written waiver of notice. Such waiver may be given by telegram. Such written notice may also be dispensed with as to any person who is actually present at the meeting at the time it convenes. (Amended pursuant to election held November 2, 1982.)

**Section 508. Place of Meetings.**

All meetings shall be held in the Council Chambers of the City Hall, or in such place within the City to which any such meeting may be adjourned, and shall be open to the public. If, by reason of fire, flood or other emergency, it shall be unsafe to meet in the place designated, the meetings may be held for the duration of the emergency at such place within the City as is designated by the Mayor, or, if he should fail to act, by a majority of the members of the City Council.

**Section 509. Quorum. Proceedings.**

A majority of the members of the City Council shall constitute a quorum to do business but a lesser number may adjourn from time to time. In the absence of all the members of the City Council from any regular meeting or adjourned regular meeting, the City Clerk may declare the same adjourned to a stated day and hour. The City Clerk shall cause written notice of a meeting adjourned by less than a quorum or by the City Clerk to be delivered personally or by mail to each Councilman at least twenty-four (24) hours before the time to which the meeting is adjourned, or such notice may be dispensed with in the same manner specified in this Charter for dispensing with notice of special meetings of the City Council. The City Council shall judge all election returns. It may establish rules for the conduct of its proceedings and evict or prosecute any member or other person for disorderly conduct at any of its meetings.

Each member of the City Council including the Mayor shall have the power to administer oaths and affirmations in any investigation or proceeding pending before the City Council. The City Council shall have the power and authority to compel the attendance of witnesses, to examine them under oath and to compel the production of evidence before it. Subpoenas shall be issued in the name of the City and be attested by the City Clerk. They shall be served and complied with in the same manner as subpoenas in civil actions. Disobedience of such subpoenas, or the refusal to testify (under other than constitutional grounds), shall constitute a misdemeanor, and shall be punishable in the same manner as violations of this Charter are punishable.

Upon the adoption of any order for the payment of money, or any ordinance, resolution, or upon the demand of any member, the City Clerk shall call the role and shall cause the ayes and nays taken on such questions to be entered in the minutes of the meeting.

**Section 510. Citizen Participation.**

All regular and special meetings of the City Council shall be open and public and all persons shall be permitted to attend such meetings, except that the provisions of this section shall not apply to executive sessions to consider the appointment, employment, discipline or dismissal of a public officer or employee or to hear complaints or charges brought against any such officer or employee. No resident or property owner shall be denied the right to be heard by the City Council, but such right shall be subject to such reasonable rules and regulations as may be authorized or adopted by ordinance. A discussion with the City Attorney relating to pending, proposed or threatened litigation shall not be considered to be a regular or special meeting within the meaning of this section.

**Section 511. Adoption of Ordinances and Resolutions.**

With the sole exception of emergency ordinances which take effect upon adoption, referred to in this Article, no ordinance shall be adopted by the City Council on the day of its introduction, nor within five (5) days thereafter nor at any time other than at a regular or adjourned regular meeting. At the time of its introduction an ordinance shall become a part of the proceedings of such meeting in the custody of the City Clerk. At the time of introduction or adoption of an ordinance or resolution it shall be read in full, unless after the reading of the title thereof, the further reading thereof is waived by unanimous consent of the Councilmen present, except that emergency ordinances shall be read in full. In the event that any ordinance is altered after its introduction, the same shall not finally be adopted except at a regular or adjourned regular meeting held not less than five days after the date upon which such ordinance was so altered. The correction of typographical or clerical errors shall not constitute the making of an alteration within the meaning of the foregoing sentence.

No order for the payment of money shall be adopted or made at any other than a regular or adjourned regular meeting.

Unless a higher vote is required by other provisions of this Charter, the affirmative votes of at least four (4) members of the City Council shall be required for the enactment of any ordinance or resolution, or for the making or approving of any order for payment of money. All ordinances and resolutions shall be signed by the Mayor and attested by the City Clerk.

Any ordinance declared by the City Council to be necessary as an emergency measure for the immediate preservation of the public peace, health or safety, and containing a statement of the reasons for its urgency, may be introduced and adopted at one and the same meeting if passed by at least five (5) affirmative votes.

**Section 512. Ordinances. Enactment. Publication.**

In addition to such other acts of the City Council as are required by this Charter to be taken by ordinance, every act of the City Council establishing a fine or other penalty, or granting a franchise, shall be by ordinance.

The enacting clause of all ordinances shall be substantially as follows: “The City Council of the City of Santa Barbara does ordain as follows”.

The City Clerk shall cause each ordinance to be published at least once in the official newspaper within fifteen (15) days after its adoption; provided, that the Council, in lieu of such publication, in its discretion may order any ordinance published by title only in the official newspaper within fifteen (15) days after its adoption, and providing that the full text be available to the public at the City Clerk’s Office, and such publication by title only shall so state. (Amended pursuant to election held April 15, 1969.)

**Section 513. Codification of Ordinances, etc.**

Any or all ordinances of the City which have been enacted and published in the manner required at the time of their adoption, and which have not been repealed, shall be compiled, consolidated, revised, indexed and arranged as a comprehensive Ordinance Code, and such Code may be adopted by reference, with the same effect as an ordinance, by the passage of an ordinance for such purpose. Such Code need not be published in the manner required for other ordinances, but not less than three (3) copies thereof shall be filed for use and examination by the public in the Office of the City Clerk prior to the adoption thereof. Ordinances codified shall be repealed as of the effective date of the Code. Amendments to the Code shall be enacted by ordinance. Once adopted, a sufficient number of loose-leaf copies of said Code (which shall be entitled “Santa Barbara Municipal Code”) for use by the City and interested members of the public shall be made available and such Code shall be kept current by the City Clerk.

Detailed regulations pertaining to any subject such as the construction of buildings, plumbing and wiring, or fire prevention, when arranged as a comprehensive code, may likewise be adopted by reference in the manner provided by this section. Maps, charts and diagrams also may be adopted by reference in the same manner.

**Section 514. Ordinances. When Effective.**

Every ordinance shall become effective thirty (30) days from and after the date of its adoption, except the following, which shall take effect upon adoption:

- (a) An ordinance calling or otherwise relating to an election;
- (b) An improvement proceeding ordinance adopted under some special law or procedural ordinance relating thereto;
- (c) An ordinance declaring the amount of money necessary to be raised by taxation, or fixing the rate of property taxation, or levying the annual tax upon property;
- (d) An emergency ordinance adopted in the manner provided in this Article.

**Section 515. Ordinance. Violation. Penalty.**

A violation of any ordinance of the City shall constitute a misdemeanor or infraction and may be prosecuted in the name of the People of the State of California and/or may be redressed by civil action. The maximum fine or penalty for any violation of a City ordinance shall be the sum of one thousand dollars (\$1,000.00), or

## Section 516

a term of imprisonment for a period not exceeding six (6) months, or both. (Amended pursuant to election held November 2, 1982.)

### **Section 516. Ordinances Amendment.**

The amendment of any section or subsection of an ordinance or Municipal Code may be accomplished solely by the re-enactment of such section or subsection at length, as amended.

### **Section 517. Publishing of Legal Notices.**

The City Council shall contract for the publication of all legal notices, ordinances and other matter required to be published in a newspaper of general circulation in the City. Each such contract shall cover a period of not less than one (1) nor more than two (2) years. In the event there is more than one (1) newspaper of general circulation published within the City, the contract shall be made only after the publication of a notice inviting bids therefor. In the event there is only one (1) newspaper of general circulation published in the City, then the City Council shall have the power to contract with such newspaper for the printing and publishing of such legal notices or matter without being required to advertise for bids therefor. The newspaper with which any such contract is made shall be the official newspaper for the publication of such notices or other matter for the period of such contract. Any such newspaper of general circulation shall mean a newspaper adjudicated to be a newspaper of general circulation in the City.

In no case shall the contract prices for such publication exceed the customary rates charged by such newspaper for the publication of legal notices of a private character.

In the event there is no newspaper of general circulation published in the City, or in the event no such newspaper will accept such notices or other matter at the rates permitted herein, then all legal notices or other matter may be published by posting copies thereof in at least three (3) public places in the City to be designated by ordinance.

No defect or irregularity in proceedings taken under this section, or failure to designate an official newspaper, shall invalidate any publication where the same is otherwise in conformity with the Charter or law or ordinance.

### **Section 518. Contracts. Execution.**

The City shall not be bound by any contract, except as hereinafter provided, unless the same shall be made in writing, approved by the City Council and signed on behalf of the City by the Mayor and City Clerk or by such other officer or officers as shall be designated by the City Council. Any of said officers shall sign a contract on behalf of the City when directed to do so by the City Council.

By ordinance or resolution not inconsistent with this Charter the City Council may authorize the City Administrator or other officer to bind the City, with or without a written contract, for the acquisition of equipment, materials, supplies, labor, services or other items included within the budget approved by the City Council, and may impose a monetary limit upon such authority.

The City Council may by ordinance or resolution provide a method for the sale or exchange of personal property not needed in the City service or not fit for the purpose for which intended, and for the conveyance of title thereto.

Contracts for the sale of the products, commodities or services of any public utility owned, controlled or operated by the City may be made by the manager of such utility or by the head of the department or City Administrator upon forms approved by the City Administrator and at rates fixed by the City Council.

The provisions of this section shall not apply to the employment of any person by the City at a regular salary.

**Section 519. Contracts on Public Works.**

Except as herein provided, every project for the construction or improvement (excluding maintenance and repair) of public buildings, works, streets, drains, sewers, utilities, parks, playgrounds, Harbor facilities and Airport facilities, and each separate purchase of materials or supplies for the same shall be let to the lowest responsible bidder after notice by publication in a newspaper of general circulation by two (2) or more insertions, the first of which shall be at least ten (10) days before opening bids. The City Council may reject any and all bids presented and may readvertise at its discretion.

In the interest of efficiency and fiscal economy, the City may dispense with public bidding if it makes either or both of the following findings:

- (1) The project can be performed more efficiently and more economically by City employees or by City employees working in conjunction with private contractors or subcontractors;
- (2) The materials, supplies or services can be purchased at a lower price in the open market.

In the event that the City Council makes the appropriate finding or findings, it may cause the project to be performed pursuant to subsection (1) above and/or the materials, supplies or services purchased pursuant to subsection (2) above.

Such contracts may be let and such purchases made without the aforementioned findings being made if such work or the purchase of such materials, supplies or services shall be deemed by the City Council to be of urgent necessity for the preservation of life, health or property, and shall be authorized by the affirmative votes of at least two-thirds (2/3) of the total members of the City Council.

Projects for the extension, replacement or expansion of the transmission or distribution system of the Water Department operated by the City may be excepted from the requirements of this section by the affirmative vote of a majority of the total members of the City Council. (Amended pursuant to election held March 8, 1977.)

**Section 520. Disposition of Real Property or a Public Utility.**

No land acquired by the City for or dedicated to public park or recreation purposes and no beach property or public utility now or hereafter owned or operated by the City shall be sold, leased or otherwise transferred, encumbered or disposed of unless authorized by the affirmative votes of at least a majority of the total membership of the City Council and by the affirmative votes of at least a majority of the electors voting on such proposition at a general or special election at which such proposition is submitted. Concessions, permits or leases compatible with and accessory to the purposes to which the property is devoted by the City and which are permitted by contract from and regulated by the City shall not be subject to this paragraph.

## **Article X. Civil Service System**

### **Section 1000. System Established.**

There is hereby established a Civil Service System for the selection, employment, classification, advancement, demotion, suspension, discharge and handling of grievances of those appointive officers and employees who shall be included in Classified Service. The System shall consist of the establishment of minimum standards of employment and qualifications for the various classes of employment and procedures to be followed in advancement, demotion, suspension and discharge of employees included within the System, as the City Council shall determine to be for the best interests of the public service. The System shall comply with all provisions of this Charter, and the City Council shall implement the same by ordinance, rules and regulations consistent with the provisions of this Charter.

### **Section 1001. Unclassified and Classified Service.**

The service of the City shall be divided into the Unclassified and the Classified Service.

- (a) The Unclassified Service shall include the following officers and positions:
  - 1. All elective officers;

2. City Administrator; Assistant City Administrator, if any; one (1) private secretary to the City Administrator; City Attorney; Assistant City Attorney, if any; one (1) private secretary to the City Attorney; City Clerk; City Treasurer; and all department heads;

  5. Persons retained by contract and not as employees to render professional, scientific, technical or expert service;
  6. Persons who render part-time service without pay or who are paid on an hourly or per diem basis; and
  7. Any new classification hereafter created by the City Council unless declared to be Classified at the time of creation or thereafter.
- (b) The Classified Service shall comprise all positions not specifically included by this section in the Un-classified Service.

**Section 1002. Appointments. Merit Principle.**

Appointments and promotions in the Classified Service of the City shall be made according to merit and fitness and from eligible lists to be established in accordance with the provisions of any ordinance not inconsistent with the provisions of this Charter or by transfer, demotion or reinstatement.

**Section 1003. Preparation of Eligible Lists.**

Eligible lists shall be prepared from examinations of applicants for positions in the Classified Service, which examinations shall be practical, impartial and relate to those matters which fairly test the relative capacity of the applicants to discharge the duties of the positions to which they seek to be appointed.

**Section 1004. Probationary Period.**

All original and promotional appointments to positions in the Classified Service shall be for a probationary period of one (1) year, during which the employee may be rejected by the appointing power, without assigning reasons therefor and without a hearing. The name of the dismissed probationer may at his request be restored to the eligible list with its original percentage in the discretion of the Board of Civil Service Commissioners. Such restoration, however, shall not permit the certification to the position or department from which the probationer has been dismissed, except on the written request of the appointing power. An employee rejected during the probationary period from a position to which he has been promoted shall be reinstated to the position from which he had been promoted, unless charges are filed against him and he is dismissed as provided in the Charter.

**Section 1005. Status of Present Personnel.**

Any person holding a position or employment included by this Charter in the Classified Service who, on the effective date of this Charter:

- (a) Shall have attained regular or probationary status under the existing Civil Service System, shall retain such status in the Classified Service under this Charter.

- (b) Shall have served continuously in such position for a period of one (1) year, shall assume permanent classified status in such position without test or examination.
- (c) Shall have served in such position for less than one (1) year continuously, shall assume probationary status in such position without test or examination retroactive to the date of appointment or employment in such position.

**Section 1006. Appointments from Classified Service.**

In the event any officer or employee of the City holding a position in the Classified Service is appointed to a position in the Unclassified Service, and should thereafter be removed or resign therefrom, he shall revert to his former position in the Classified Service without loss of any rights or privileges and upon the same terms and conditions as if he had remained in said position continuously, unless charges are filed against him and he is demoted or dismissed as provided in this Charter.

**Section 1007. Suspension, Demotion and Dismissal.**

Every person holding an office or position in the Classified Service who shall have completed the probationary period therein shall be entitled to retain his office or position during good behavior so long as it exists under the same or a different title, subject, however, to suspension, demotion or dismissal as in this section provided. Any such person may be suspended, demoted or dismissed by the appointing power, subject to the provisions of this Charter, for incompetence, habitual intemperance, immoral conduct, insubordination, repeated discourteous treatment of the public or fellow employees, dishonesty, conviction of a felony, inattention to duties, engaging in prohibited political activities, acts inimical to the public service, physical or mental incompetency, or other ground of penalty or forfeiture specified by the Constitution or by this Charter.

Any such person who is suspended, demoted or dismissed shall be entitled to receive, upon his request, a hearing by the Board of Civil Service Commissioners to review such suspension, demotion or dismissal. Such request for a hearing shall be filed in the Office of the City Clerk for delivery to the said Board. A public hearing shall be called and held on the matter by said Board within twenty (20) days and written notice of the time and place thereof shall be given to the employee in person or by mail at least ten (10) days before the hearing. Such employee shall be given the opportunity at such hearing to be heard in his defense in person or by counsel. Hearings may be conducted informally and the legal rules of evidence need not apply.

The Board shall make written findings which shall state as to each charge whether or not such charge is sustained. Such Board shall also set forth in writing its conclusions and recommendations based upon such findings and within ten (10) days after concluding the hearing, it shall certify its findings, conclusions, recommendations and its decision based thereon to the board or officer from whose action the appeal was taken, and to the City Administrator and City Council. The same shall also be available to the public.

The decision of the Board shall affirm, modify or rescind the action taken as in its judgment shall seem warranted by the evidence and by the applicable provisions of this Charter and any ordinance, rules or regulations adopted hereunder; and such decision shall be final and conclusive.

Where an appeal is taken to the Board from an order of dismissal, the vacancy in the position shall be considered a temporary vacancy pending final action by the Board and may be filled only by a temporary appointment.

Notwithstanding any other provision of this Charter, a reduction in pay shall not constitute a demotion if it results from a position reallocation or reclassification as defined by ordinance or resolution or is a part of a plan to reduce salaries and wages in connection with a general economy or curtailment program.

Nothing in this section shall restrict the right to make bona fide reductions in force or to enact legislation requiring retirement for disability or age.

As used in this Charter, the words dismiss, remove and discharge, in all their forms and tenses, shall be synonymous and interchangeable. (Amended pursuant to elections held November 2, 1982; June 8, 1976.)

**Section 1008. Abolition of Position.**

Whenever in the judgment of the City Council it becomes necessary in the interest of economy or because the necessity for the position involved no longer exists, the City Council may, subject to the provisions of this Charter, abolish any position or employment to the Classified Service and thereby reduce the personnel by laying off employees without the filing of written charges and without the right of appeal. In reducing said personnel and laying off any employee through the abolition of position, the City Council shall observe the seniority rule. The name of each employee so laid off shall be placed at the top of the appropriate eligible list. Any later reinstatement to such position shall be in order of seniority, and no new applicant for any such position shall be employed for a period of two (2) years thereafter if there remains on the eligible list the name of any employee so laid off who is willing to accept reinstatement.

**Section 1009. Solicitation of Contributions.**

No officer under the government of the City and no candidate for any City office shall directly or indirectly, solicit or receive, or be in any manner concerned in soliciting or receiving any assessment, subscription or contribution, whether voluntary or involuntary, for any City political purpose whatsoever, from anyone on the employment lists or holding any position under the provisions of this Article.

**Section 1010. Implementation by Ordinance.**

The City Council may, by ordinance not inconsistent with the provisions of this Charter, establish, and from time to time amend, adequate provisions for the functionings of the Civil Service System.

**Article XI.  
Retirement and Pensions**

**Section 1100. State Retirement System.**

Authority and power are hereby vested in the City, its City Council and its several officers, agents and employees to do and perform any act, and to exercise any authority granted, permitted or required under the provisions of the State Employees' Retirement Act, as it now exists or hereafter may be amended, to enable the City to continue as a contracting City under the State Employees' Retirement System. All eligible "local safety members" and all eligible appointive, full-time City employees, except those who are members of the pension System mentioned in Section 1101 of this Charter, shall be members of the State Employees' Retirement System unless and until the contract is terminated as hereinafter provided. The City Council shall provide for the voluntary transfer of members of said pension System mentioned in Section 1101 to the State Employees' Retirement System and shall prescribe the methods, terms, conditions, qualifications and re-

Section 1101.

quirements for such transfer consistent with the provisions of this Charter and with any present or future contract with the Board of Administration of the State Employees' Retirement System.

The City Council may terminate any contract with the Board of Administration of the State Employees' Retirement System only under authority granted by ordinance adopted by a majority vote of the electors of the City voting on such proposition at an election at which such proposal is presented.

**Section 1101. Continuance of Present Pension System.**

Nothing contained in this Article shall be deemed or construed to impair or detract from, in any manner whatsoever, the continued and full enjoyment of all vested rights, privileges and benefits and the continuance of all provisions of the pension System provided for in Article XV-A and other provisions of the immediately preceding Charter of the City as amended to the effective date of this Charter, as to all present and existing members and beneficiaries of said System as of the effective date of this Charter; provided, however, that no new or additional members shall thereafter be added to or included in said pension System.

Wherever in said pension System, reference is made to the "Board of Police and Fire Commissioners," the same shall be deemed to refer to the appointing power under this Charter. The Board of Fire and Police Pension Commissioners, established by said Charter as so amended shall continue to exist, function and operate and new members be appointed thereto until, and only until, such time as there shall no longer be any member or beneficiary of said System in existence, whereupon said pension System and said Board of Fire and Police Pension Commissioners shall terminate. In lieu of appointment of an active member of the Police Department and Fire Department as provided in Article XV-A, the Mayor, with consent of the City Council, may appoint a retired member of the Police Department and Fire Department.

Notwithstanding the provisions of said preceding Charter, the Board of Fire and Police Pension Commissioners may invest any funds placed under its jurisdiction for investment pursuant to said Article XV-A of said preceding Charter in any securities or assets in which the funds of the State Employees' Retirement System may lawfully be invested at the time of such investment, subject, however, to all conditions, limitations and requirements imposed by law upon the investment of such funds of the State Employees' Retirement System at such time. (Approved by election held June 6, 1978.)

Notwithstanding the provisions of said preceding Charter, the amount of the Service Retirement benefit (Section 3(a) and 3(b) of Article XV-A) shall be increased by \$100 per month on July 1, 1980. The City Council may, by ordinance, annually increase the amount of the Service Retirement if the City Council, based upon competent actuarial advice, determines that there are sufficient reserve funds in the Service Retirement Fund to discharge the liabilities of such increase. (Approved by election held June 3, 1980.)

Notwithstanding the provisions of said preceding Charter, the benefit paid each member retired because of disability, pursuant to Sections 5 and 6 of Article XV-A, shall be increased by \$100 per month on July 1, 1980. The City Council may, by ordinance, annually increase the amount of the benefit if the City Council determines funds are available and it is in the best interest of the City to do so. (Amended pursuant to elections held June 3, 1980; June 6, 1978.)

**Article XII.**  
**Fiscal Administration**

**Section 1200. Fiscal Year.**

The fiscal year of the City government shall begin on the first day of July of each year and end on the thirtieth (30th) day of June of the following year.

**Section 1201. Annual Budget, Preparation by the City Administrator.**

At such date as the City Administrator shall determine, each board or commission and each department head shall furnish to the City Administrator, personally, or through the Director of Finance, estimates of revenue and expenditures for his department or for such board or commission for the ensuing fiscal year, detailed in such manner as may be prescribed by the City Administrator. In preparing the proposed budget, the City Administrator shall review the estimates, hold conferences thereon with the respective department heads, boards or commissions as necessary, and may revise the estimates as he may deem advisable.

**Section 1202. Budget. Submission to City Council.**

At least sixty (60) days prior to the beginning of each fiscal year, the City Administrator shall submit to the City Council the proposed budget as prepared by him. After reviewing same and making such revisions as it may deem advisable, the City Council shall determine the time for the holding of a public hearing thereon and shall cause to be published a notice thereof not less than ten (10) days prior to said hearing, by at least one (1) insertion in the official newspaper. Copies of the proposed budget shall be available for inspection by the public in the Office of the City Clerk at least ten (10) days prior to said hearing. (Amended pursuant to election held March 8, 1977.)

**Section 1203. Budget. Public Hearing.**

At the time so advertised or at any time to which such public hearing shall from time to time be adjourned, the City Council shall hold a public hearing on the proposed budget, at which interested persons desiring to be heard shall be given such opportunity.

**Section 1204. Budget. Revision and Adoption.**

At the conclusion of the public hearing the City Council shall further consider the proposed budget and make any revisions thereof that it may deem advisable and on or before June 30 by resolution it shall adopt the budget with revisions, if any, by the affirmative votes of at least a majority of the total members of the Council. Upon final adoption, the budget shall be in effect for the ensuing fiscal year. Copies thereof, certified by the City Clerk, shall be filed with the City Administrator, Director of Finance, City Treasurer and the person retained by the City Council to perform the post audit function and a further copy shall be placed, and shall remain on file in the Office of the City Clerk, where it shall be available for public inspection. The budget so certified shall be reproduced and copies made available for the use of the public and of departments, offices and agencies of the City.

**Section 1205. Budgets, Appropriations.**

From the effective date of the budget, the several amounts stated therein as proposed expenditures shall be and become appropriated to the several departments, offices and agencies for the respective objects and pur-

poses therein named, provided, however, that the Director of Finance with the approval of the City Administrator may authorize the transfer of funds from one (1) object or purpose to another within the same department, office or agency. All appropriations shall lapse at the end of the fiscal year to the extent that they shall not have been expended or lawfully encumbered.

At any public meeting after the adoption of the budget, the City Council may amend or supplement the budget by motion adopted by the affirmative votes of at least a majority of the total members of the City Council.

**Section 1206. Centralized Purchasing.**

Under the control and direction of the City Administrator there shall be established a centralized purchasing system for all City departments and agencies, except as otherwise provided in this Charter. The City Administrator shall recommend and the City Council shall consider and adopt by ordinance, rules and regulations governing the contracting for, purchasing, storing and distribution of all supplies, materials and equipment required by any office, department or agency of the City government.

**Section 1209. Bonded Debt Limit.**

The City shall not incur an indebtedness evidenced by general obligation bonds which shall in the aggregate exceed the sum of ten percent (10%) of the total assessed valuation, for purposes of City taxation, of all the real and personal property within the City.

No bonded indebtedness which shall constitute a general obligation of the City may be created unless authorized by the affirmative votes of two-thirds (2/3) of the electors voting on such proposition at any election at which the question is submitted to the electors and unless in full compliance with the provisions of the State Constitution and of this Charter.

**Section 1210. Revenue Bonds.**

Bonds which are payable only and solely out of such revenues, other than taxes, as may be specified in such bonds and produced or contributed to by the improvement financed by said bonds may be issued when the City Council by ordinance shall have established a procedure for the issuance of such bonds. Such bonds, payable only out of such revenues, shall not constitute an indebtedness or general obligation of the City within the meaning of Section 1209. No such bonds payable out of revenues shall be issued without the assent of a majority of the voters voting upon the proposition for issuing the same at an election at which such proposition shall have been duly submitted to the qualified electors of the City.

It shall be competent for the City to make contracts and covenants for the benefit of the holders of any such bonds payable only from revenues and which shall not constitute a general obligation of the City for the establishment of a fund or funds, for the maintaining of adequate rates or charges, for restrictions upon further indebtedness payable out of the same fund or revenues, for restrictions upon transfer out of such fund and other appropriate covenants. Money placed in any such special fund for the payment of principal and/or interest on any issue of such bonds or to assure the application thereof to a specific purpose shall not be expended for any other purpose whatever except for the purpose for which such special fund was established and shall be deemed segregated from all other funds of the City and reserved exclusively for the purpose for which such special fund was established until the purpose of its establishment shall have been fully accomplished.

**Section 1211. Salaries. Annual Adjustment.**

In order to provide understandable methods of salary setting which will result in compensation reasonable to employees and taxpayers alike, the salary administration policy and procedures for the City shall be implemented in a manner consistent with modern public personnel administration.

- (a) The City Administrator shall annually review the salary schedules, rates of compensation, and related benefits of all the officers, management employees, general employees and Police and Fire employees of the City, as such employee groups may be defined by ordinance, in accordance with the wage compensation policy hereinafter set forth.
- (b) The compensation of Police and Fire employees of the City shall be set forth by ordinance or resolution. Said compensation may be adjusted, annually or otherwise, to reflect the results, if any, of any employer/employee negotiations which may be required by law. Notwithstanding any provisions of this Charter, the economic ability of the City to pay compensation in any form shall be paramount.
- (c) The compensation of general employees of the City shall be set forth by ordinance or resolution. Said compensation may be adjusted, annually or otherwise, to reflect the results, if any, of any employer/employee negotiations which may be required by law. Notwithstanding any provisions of this Charter, the economic ability of the City to pay compensation in any form shall be paramount.
- (d) Compensation for management employees of the City shall be in accordance with the Management Compensation Plan specified by ordinance. The salaries of management employees shall be annually reviewed and adjusted on the basis of comparability with other public jurisdictions having departmental divisions of similar size and positions. In recommending salary adjustments to the Council, the City Administrator shall take into account cost of living indices, recruitment difficulties, staff organization and responsibility.
- (e) The City Council shall annually by ordinance or resolution effective on the first day of July of each year adjust the salary schedules and rates of compensation of all City officers and employees, other than City Councilmen, in accordance with the provisions of this section.
- (f) This section shall become operative and effective on January 1, 1974.

Notwithstanding the foregoing provisions of this section: (1) when the functions, duties, demands or responsibilities of a position or classification are substantially changed, (2) when a sufficient number of applicants for a class or position is not available, (3) when the ability, capabilities, background or experience of the occupant of an office or position are substantially different from those of the previous occupant, or (4) when a new position is created, the City Council may change and establish the salary for any such office, position or classification so as to be fair and just and compatible with the facts, circumstances and considerations as above set forth. Salary schedules or rates shall not be changed except in accordance with this section. (Amended pursuant to elections held March 8, 1977; June 8, 1976; April 17, 1973.)

**Section 1212. Contingency Fund.**

The City Council may maintain a revolving fund, to be known as the "Contingency Fund," for the purpose of placing the payment of running expenses of the City on a cash basis. A balance may be built up in this fund from any available sources, other than funds which are by law or this Charter restricted to a particular use, in an amount which the City Council deems sufficient with which to meet all lawful demands against the City for the first five (5) months, or other necessary period, of the succeeding fiscal year prior to the receipt of sufficient revenues. Transfers may be made by the City Council from such fund to any other fund or

funds of such sum or sums as may be required for the purpose of placing such funds, as nearly as possible, on a cash basis. (Amended pursuant to election held November 2, 1982.)

**Section 1213. Capital Outlays Fund.**

A fund for capital outlays generally is hereby created, to be known as the “Capital Outlays Fund” and to be a continuation of any existing Capital Outlays Fund. The City Council may create by ordinance a special fund or funds for a special capital outlay purpose. It may not, in making such levy, exceed the maximum tax rate provided for in this Charter, unless authorized by the affirmative votes of a majority of the electors voting on the proposition at any election at which such question is submitted. The City Council may transfer to any such fund any unencumbered surplus funds remaining on hand in the City at any time.

Once created, such fund shall remain inviolate for the purpose for which it was created; if for capital outlays generally, then for any such purposes, and if for a special capital outlay, then for such purpose only, unless the use of such fund for some other capital outlay purpose is authorized by the affirmative votes of a majority of the electors voting on such proposition at a general or special election at which such proposition is submitted.

If the purpose for which any special capital outlay fund has been created has been accomplished, the City Council may transfer any unexpended and unencumbered surplus remaining in such fund to the fund for capital outlays generally, established by this Charter. (Amended pursuant to election held November 2, 1982.)

**Section 1214. Treasurer’s Departmental Trust Fund.**

The City Council may prescribe by ordinance for the setting up of a Treasurer’s Departmental Trust Fund into which the collections of or deposits with the Police Department, License Collector, Building Official and other officers and departments authorized to make collections or receive deposits may be deposited at frequent intervals each month, with advice of each deposit being furnished to the City Treasurer and Director of Finance. The City Treasurer shall make withdrawals from such a fund only on order signed by the Director of Finance and for the following purposes:

- (a) Making a refund of refundable deposits when such refund is legally due from the City.
- (b) Revolving fund advances authorized by the City Council.
- (c) Correction of clerical or ministerial errors in the receipt of payments to the City.
- (d) Making settlements with City funds at the end of each calendar month for collections or deposits accumulated during the month.

**Section 1215. Other Funds.**

The City Council may establish by ordinance such other funds, not inconsistent with the provisions of this Charter, as it may consider appropriate or desirable.

**Section 1216. Claims and Demands. Presentation and Payment.**

Procedures prescribed by the State Legislature governing the presentation, consideration and enforcement of claims against chartered cities or against officers, agents and employees thereof shall apply to the presentation, consideration and enforcement of claims against the City.

In the absence of applicable procedures prescribed by the State Legislature, and to the extent that the same are not inconsistent therewith, the following provisions of this section shall govern the presentation, processing and payment of all claims and demands against the City.

All claims for damages against the City must be presented in writing to the City Clerk within one hundred (100) days after the occurrence, event or transaction from which the damages allegedly arose, and shall set forth in detail the name and address of the claimant, the time, date, place and circumstances of the occurrence and the extent of the injuries or damages sustained. All such claims shall be approved or rejected in writing by order of the City Council and the date thereof given.

All other demands against the City must be in writing and may be in the form of a bill, invoice, payroll or formal demand. Each such demand shall be presented to the Director of Finance within one hundred (100) days after the last item of the account or claim accrued. The Director of Finance shall examine the same. If the amount thereof is legally due and there remains on his books an unexhausted balance of an appropriation against which the same may be charged, he shall approve such demand and draw his warrant on the City Treasurer therefor, payable out of the proper fund. Otherwise he shall reject it. Objections of the Director of Finance may be overruled by the City Council and the warrant ordered drawn. The Director of Finance shall transmit such demand, with his approval or rejection thereof endorsed thereon and warrant, if any, to the City Administrator. If a demand is for an item included within an approved budget appropriation, it shall require the approval of the City Administrator before payment; otherwise it shall require the approval of the City Council, following the adoption by it of an amendment to the budget authorizing such payment. Any person dissatisfied with the refusal of the City Administrator to approve any demand, in whole or in part, may present the same to the City Council which, after examining into the matter, shall approve or reject the demand in whole or in part.

**Section 1217. Actions Against City.**

**Section 1401. Resolution of Intention. Notice and Public Hearing.**

Before granting any franchise, the City Council shall pass a resolution declaring its intention to grant the same, stating the name of the proposed grantee, the character of the franchise and the terms and conditions upon which it is proposed to be granted. Such resolution shall fix and set forth the day, hour and place when and where any persons having any interest therein or any objection to the granting thereof may appear before the City Council and be heard thereon. It shall direct the City Clerk to publish said resolution at least once, within fifteen (15) days of the passage thereof, in the official newspaper. The time fixed for such hearing shall not be less than twenty (20) nor more than sixty (60) days after the passage of said resolution.

Such acceptance shall be filed within ten (10) days after the adoption of the ordinance granting the franchise, or any extension thereof granted by the City Council, and when so filed, such acceptance shall constitute a continuing agreement of such grantee that if and when the City shall thereafter annex, or consolidate with, additional territory any and all franchises, rights and privileges owned by the grantee therein, except a franchise derived under said constitutional provisions, shall likewise be deemed to be abandoned within the limits of such territory. **Section 1405. Duties of Grantees.**

By its acceptance of any franchise hereunder, the grantee shall covenant and agree to perform and be bound by each and all of the terms and conditions imposed in the grant, or by procedural ordinance and shall further agree to:

- (e) Pay to the City during the life of the franchise a percentage, to be specified in the grant, of the gross annual receipts of the grantee within the limits of the City, or such other compensation as the City Council may prescribe in the grant.

### **Section 1406. Exercising Rights without Franchise.**
