

Clean Santa Barbara: Quick Resource Guide

 Put me on the fridge!

Reduce it

FOOD WASTE **40%** of Food in America is Wasted.

ACTION

1. Plan meals before you shop
2. Store and eat leftovers
3. Freeze for long-term storage
4. Portion food appropriately

PLASTIC WASTE **79%** of all the plastic waste ever produced is now in landfills or the natural environment.

ACTION

1. Shop with reusable bags
2. Drink with a reusable mug + cup
3. Skip the straw + disposables

Reduce, then Reuse, and Recycle as a last resort.

Clean SB is an initiative by the City's Environmental Services Division to connect residents and businesses with programs that help keep our city clean and sustainable.

Schedule it

Bulky Item Pickup

Account holders can schedule two free pickups of multiple large items each year (ex. mattresses, couches, furniture).

Major Appliance Pickup

Account holders are also entitled to unlimited collection of major appliances (ex. stove, refrigerator, washer, dryer).
