RE: Local Coastal Program Amendment LCP-4-SBC-18-0062-1 (Land Use Plan Update) Response to Request for Additional Information

Dear Megan,

On September 5, 2018, we received your request for additional information required to deem the City's proposed LCP Amendment complete. In response to your letter and subsequent telephone conversations, staff prepared Exhibit 1 which responds to the questions in the letter regarding parking and Exhibit 2 which provides more specifics regarding the proposed land use map designation changes and cumulative impacts analysis. Exhibit 3 is the final signed City Council minutes of August 7, 2018, which completes the initial LCP Amendment submittal requirements.

As noted in the City's LCP Amendment submittal letter of August 21, 2018, the City needs to bring this phase of updating its LCP (Coastal LUP and LCP Land Use Map) to a conclusion as soon as possible. We appreciate your prompt attention to this additional information and look forward to having the City's LCP Amendment scheduled on the earliest possible California Coastal Commission (CCC) agenda. We are happy to continue our collaboration to resolve any outstanding application issues; please feel free to contact me at (805) 564-5470 if you have any questions.

Sincerely,

Daniel Gullett
Principal Planner
