

## PARKING CHANGE: DOWNTOWN YELLOW CURB LOADING ZONE TIME RESTRICTION CHANGE 00 BLOCKS EAST AND WEST OF STATE STREET

**CHANGE DETAILS:** In response to growing loading zone demand, yellow zone time restrictions are being extended to “**AT ALL TIMES**”

Where possible, existing loading zones are being extended and new loading zones are being installed to encourage safer commercial and passenger loading activity to take place off of State Street.

General public parking after 6pm will be not available at these loading locations, to ensure that zones are open for any commercial loading or passenger ride-share activity.

New signs will be posted and curb stenciling will be added to the yellow loading zones on these blocks.

(Note: In response to the needs of adjacent businesses, other parking restrictions on these blocks may also be adjusted)
