

PARKING CHANGE: TEMPORARY REMOVAL OF 90 MINUTE PARKING RESTRICTIONS.

CHANGE DETAILS: The south side of West Calle Crespis Drive is currently 90 minute parking restricted. The original purpose of this time-restricted zone was to prevent overflow parking from employees of nearby businesses. Parking restriction signs will be covered for 90 days to monitor parking behavior and to determine whether restrictions are still needed. Signs may be removed permanently if timed-parking restrictions are deemed unnecessary. Residents are encouraged to contact the City (contact information below) to provide feedback on the proposed change.
