

PARKING CHANGE: TIME RESTRICTION CHANGE 00 BLOCKS EAST AND WEST OF STATE STREET CONVERT EXISTING 75 MINUTE TO 15 MINUTE PARKING

CHANGE DETAILS: In response to the growing demand for short-term customer parking, curbside service, and drop-offs for stores and restaurants on State Street and in the 00 blocks east and west of State Street, existing 75 minute time restrictions are being converted to 15 minute restricted parking from Gutierrez Street to Victoria Street.

Timed parking restrictions will be in effect Monday through Saturday from 9am to 6pm. Yellow zone passenger / commercial loading zone restrictions on these blocks are in effect "AT ALL TIMES".

The City invites feedback at the contact information listed below.

Note: There may be existing green curb markings on these blocks, but per municipal code, posted signs take precedence over any adjacent curb markings. Please check signs where you are parked. If these changes become permanent long-term, we will be painting curbs green to match the signed parking restrictions.
