

ACCESSIBILITY REQUIREMENTS

As an event organizer, you are required to comply with all city, county, state and federal disability access requirements applicable to your event. Please keep this in mind as you design your event.

All temporary structures, related structures, and outdoor sites for Special Events shall be accessible to persons with disabilities. If a portion of the area cannot be made accessible, an alternate area shall be provided with the same activities that are in the inaccessible areas. This area cannot be offered **only** to patrons with disabilities.

Disability access may include parking, restrooms, telephones, clear paths of travel, transportation, signage, accessible vendors and booths. If all areas are not accessible, a map or program must be provided to attendees indicating the accessible restrooms, parking, telephones, drinking fountains.

As an organizer, you may choose not to allow pets at your event. In these cases, accommodations must be made for service animals in accordance with the Americans with Disabilities Act. For more information, please visit:
