(Ord. 5350, 2005; Ord. 4333, 1985.)

9.12.060 Action on Application.

The Chief of Police shall approve, conditionally approve, or deny an application on the grounds specified in Section 9.12.070. Such action shall be taken as expeditiously as possible and, in any case, (i) no later than four (4) days after the Chief receives a completed application pursuant to Section 9.12.040(B) or (C) unless the applicant agrees, upon the request of the Chief of Police, to extend the time for making decision to a later date, or (ii) no later than fifteen (15) days after the Chief receives a completed application for any other event.

If the application is denied, or approved on conditions other than those accepted by the applicant, the Chief of Police shall inform the applicant of the grounds for denial in writing, or the reason for the conditions imposed, simultaneously with notice of the decision, and shall further inform the applicant of his or her right of appeal. If the Chief of Police relied on information about the event other than that contained in the application, he shall also inform the applicant of the additional information he considered. The applicant shall be notified in writing of any permit conditions at the time the application is approved and of the applicant's right to appeal the permit conditions. If the Chief of Police determines that good cause to consider a late application does not exist under Section 9.12.040(B) or (C) within forty-eight (48) hours of receipt of the late application, the Chief of Police shall inform the applicant in writing of the reason for his determination regarding lack of good cause and of the applicant's right of appeal. (Ord. 5350, 2005; Ord. 4333, 1985.)

9.12.070 Grounds for Denial of Application for an Event Permit; Imposition of Conditions.

A. CONSIDERATIONS. The Chief of Police shall deny an application for an event permit only if he determines from a consideration of the application and other pertinent information that one or more of the following exists:

1. Information contained in the application, or supplemental information requested from the applicant, is found to be materially false or misleading.
2. The applicant fails to complete the application form after having been notified of the additional information or documents requested.
3. The sole purpose of the event is the advertising of any product, good, ware, merchandise or event, and is designed to be held for private profit and not primarily for the purpose of expression protected by the First Amendment.
4. The Chief of Police has earlier received an application to hold another event at the same time and place requested by the applicant, or so close in time and place as to cause undue traffic congestion, or the Police Department is unable to meet the needs for police services for both events.
5. The time, route, or size of the event is reasonably likely to substantially interrupt the safe and orderly movement of traffic contiguous to the event site or route, or disrupt the use of a street at a time when it is usually subject to great traffic congestion.

6. The concentration of persons, animals and vehicles at the site of the event or the assembly and disbanding areas around an event, is reasonably likely to prevent proper police, fire, or ambulance services to areas contiguous to the event.

7. The size of the event is reasonably likely to require diversion of so great a number of police officers of the City to ensure that participants stay within the boundaries or route of the event, or to protect participants in the event, as to prevent normal protection to the rest of the City of Santa Barbara. Nothing herein authorizes denial of a permit because of the need to protect participants from the conduct of others, if reasonable permit conditions can be imposed to allow for adequate protection of event participants with the number of police officers available to police the event.

8. The parade, or other event moving along a route, is not reasonably likely to move from its point of origin to its point of termination in four hours or less.

9. The location of the event is reasonably likely to substantially interfere with any construction or maintenance work scheduled to take place upon or along the City streets, or with a previously granted encroachment permit.

10. The event is reasonably likely to occur at a time when a school is in session, or at a route or location adjacent to the school, and the noise created by the activities of the event would substantially disrupt the educational activities of the school.

B. CONDITIONAL APPROVALS. When the grounds for denial of an application for a permit specified in subsections A(4) through A(10) above can be corrected by altering the date, time, duration, route, or location of the event, the Chief of Police, instead of denying the application, shall conditionally approve the application pursuant to Section 9.12.080. The conditions imposed shall provide for only such modification of the applicant's proposed event as are necessary to achieve compliance with subsections A(4) through A(10) above, and shall be consistent with rules and regulations established by the Chief of Police and approved by a resolution of the City Council. (Ord. 5350, 2005; Ord. 4333, 1985.)

9.12.080 Permit Conditions.

The Chief of Police may condition the issuance of an event permit by imposing reasonable requirements concerning the time, place, and manner of the event, and such requirements as are necessary to protect the safety of persons and property, and to provide for adequate control of traffic, provided such conditions shall not unreasonably restrict the right of free speech. Such conditions may include, but need not be limited to the following:

- A. Alteration of the date, time, route or location of the event proposed on the event application;
- B. Conditions concerning the area of assembly and disbanding of parade or other events occurring along a route;
- C. Conditions concerning accommodation of pedestrian or vehicular traffic, including restricting the event to only a portion of a street;
- D. Requirements for the use of traffic cones or barricades;
- E. Requirements for provision of first aid, sanitary or emergency facilities;
- F. Requirements for use of event monitors and some method for providing notice of permit conditions to event participants;
- G. Restrictions on the number and type of vehicles, animals, or structures at the event, and inspection and approval of floats, structures, and decorated vehicles for fire safety by the Santa Barbara Fire Department;
- H. Compliance with animal protection ordinances and laws;
- I. Requirements for use of garbage containers, cleanup and restoration of City property;
- J. Restrictions on use of amplified sound;
- K. An application for an event permit to conduct a block party event may be conditioned on notice and approval by 50% of the owners or tenants of dwellings or businesses along the affected street(s).
- L. Compliance with any relevant ordinance or law in obtaining any legally required permit or license.
- M. Restrictions on the sale of alcoholic beverages. (Ord. 5350, 2005; Ord. 4333, 1985.)

9.12.090 Permit Issuance.

The Chief of Police shall issue the event permit once the application has been approved, the applicant has agreed in writing to comply with the terms and conditions of the permit, and all of the requirements of this Chapter have been satisfied. (Ord. 5350, 2005; Ord. 4333, 1985.)

9.12.100 Appeal Procedure.

A. **CITY COUNCIL.** The applicant shall have the right to appeal (i) denial of a permit, (ii) a permit condition, (iii) a determination that good cause to consider a late or First Amendment application does not exist, and (iv) a determination by the City that the applicant's insurance policy does not comply with the requirements specified in Section 9.12.120. A notice of appeal stating the grounds of appeal with specificity shall be filed with the City Clerk pursuant to the provisions of Section 1.30.050 of this Code.

B. CITY ADMINISTRATOR. If there is insufficient time for a timely appeal to be heard by the City Council prior to the date on which the event is scheduled, the applicant may, at his option, request that the City Clerk schedule the appeal before the City Administrator. The City Administrator or his designee shall hold a hearing no later than two (2) business days after the filing of the appeal, and will render his decision no later than one (1) business day after hearing the appeal. If the appeal is heard before the City Administrator, the City Administrator's decision shall be final. (Ord. 5136, 1999; Ord. 4333, 1985.)

9.12.110 Indemnification Agreement.

A. Prior to the issuance of an event permit, the permit applicant or the authorized officer of the sponsoring organization must sign an agreement to reimburse the City of Santa Barbara for any costs incurred by it in repairing damage to City property occurring in connection with the permitted event and proximately caused by the actions of the permittee or sponsoring organization, its officers, employees, or agents, or any person who was under the permittee's or sponsoring organization's control insofar as permitted by law. The agreement shall also provide that the permittee or sponsoring organization shall defend the City against, and indemnify and hold the City harmless from, any liability to any persons resulting from any damage or injury occurring in connection with the permitted event proximately caused by the actions of the permittee or sponsoring organization, its officers, employees or agents, or any person who was under the permittee's or sponsoring organization's control insofar as permitted by law and in a form consistent with this requirement and acceptable to the City Attorney. For purposes of this Section, a person who merely joins in a parade or event is not considered, by reason of that act alone, to be "under the control" of the permittee or sponsoring organization.

B. The indemnification requirement of subsection (A) above shall be waived by the City for those applicants who have established a basis for the waiver of insurance pursuant to subsection 9.12.120 (C) hereof. (Ord. 5414, 2007; Ord. 5350, 2005; Ord. 4333, 1985.)

9.12.120 Insurance.

A. LIABILITY INSURANCE.

1. The applicant or sponsor of an event must possess or obtain public liability insurance to protect against loss from liability imposed by law for damages on account of bodily injury and property damage arising from the event. Such insurance shall name on the policy or by endorsement as additional insureds the City of Santa Barbara, its officers, employees, and agents. Insurance coverage must be maintained for the duration of the event.

2. Coverage shall include, but is not limited to, a Comprehensive General Liability Insurance Policy with minimum limits of \$500,000 combined single-limit bodily injury and property damage for each occurrence.

3. If food or non-alcoholic beverages are sold or served at the event, the policy must also include an endorsement for products liability in an amount not less than \$500,000. If alcoholic beverages are sold or served at the event, the policy must also include an endorsement for liquor liability in an amount not less than \$500,000. At any time when the insurance coverage required under this section may be purchased by a permit applicant through a City-held insurance policy, such coverage shall be made available to all permit applicants at the rates stated in the policy premium schedule.

B. CERTIFICATES OF INSURANCE. A copy of the policy or a certificate of insurance along with all necessary endorsements must be filed with the City's Risk Manager no less than five days before the date of the event unless the City's Risk Manager for good cause waives the filing deadline. The event permit shall not be issued by the Chief of Police until after the insurance policy or certificate of insurance along with necessary endorsements have been filed by the applicant or sponsor and approved by the City's Risk Manager.

C. WAIVER OF INSURANCE REQUIREMENTS.

1. **First Amendment Events.** The insurance requirements of subsections A and B above shall be waived by the Chief of Police if the applicant or an officer of the sponsoring organization signs a verified statement that (i) he or she believes the event's purpose is First Amendment expression, and (ii) he or she has determined that (a) the cost of obtaining insurance is so financially burdensome that it would constitute an unreasonable burden on the right of First Amendment expression, or (b) it is impossible to obtain insurance coverage. Where the applicant submits the statement required under Paragraph 1, the City of Santa Barbara may, in its discretion and at no charge to the applicant, require the applicant or sponsor to apply for insurance coverage for the event under a policy selected or maintained by the City of Santa Barbara. The applicant or sponsor must provide any information necessary to apply for such insurance coverage.

2. **Other Events.** The insurance requirements of Subsections A and B above may be waived by the Chief of Police for other events if the applicant or an officer of the sponsoring organization establishes to the satisfaction of the Chief of Police that the cost of obtaining insurance is financially prohibitive or it is impossible to obtain insurance coverage. If the Chief of Police determines that a waiver of the insurance requirement is appropriate hereunder, the City of Santa Barbara may, in its discretion, require the applicant or sponsor to apply for insurance coverage for the event under a policy selected or maintained by the City of Santa Barbara, in which case the applicant or sponsor shall provide any information necessary to apply for such insurance coverage and shall pay, upon request of the City, all or a portion of the insurance premium attributable to the event. (Ord. 5414, 2007; Ord. 5350, 2005; Ord. 4333, 1985.)

9.12.130 Cleanup Deposits for Certain Special Events.

A. **CLEANUP DEPOSIT.** The applicant or sponsor of an event involving the sale of food or beverages, erection of structures, participation of horses or other large animals, or use of water aid stations, shall be required to provide a cleanup deposit prior to the issuance of an event permit. The cleanup deposit shall be in the amount established in a cleanup fee schedule for events adopted by resolution of the City Council.

B. **REFUND.** The cleanup deposit shall be returned after the event if the area used for the permitted event has been cleaned and restored to the same condition as existed prior to the event. If the actual cost for cleanup is less than the estimated cost, the applicant will be refunded the difference. Should the amount of the bill exceed the cleanup deposit, the difference shall become due and payable to the City upon the applicant's receipt of the bill.

C. **APPEALS.** If the applicant or sponsor disputes the cleanup charge, he may appeal to the Director of Public Works within five days after receipt of the bill. The decision of the Director of Public Works shall be final. (Ord. 5350, 2005; Ord. 4333, 1985.)

(Ord. 5740, 2016; Ord. 5145, 2000; Prior Code §32.28.)

9.16.020 Noise Disturbance Prohibited.

No person shall make, continue or cause to be made or continued, or permit or allow to be made or continued, any noise disturbance in such a manner as to be plainly audible by a person of ordinary sensitivity at a distance of fifty (50) feet from the noise source; provided, nothing in this section shall be construed to prohibit any noise which does not penetrate beyond the boundaries of the noise source's own premises or does not constitute an unreasonable disturbance to people lawfully on those premises. (Ord. 5740, 2016.)

9.16.030 Specific Conduct Prohibited.

A. The following subsections set forth specific conduct which shall be unlawful:

1. Radios, Television Sets, Musical Instruments and Similar Devices. Operating, playing or permitting the operation or playing of any radio, television set, music player, drum, musical instrument, or similar device which produces or reproduces sound between the hours of ten (10) P.M. and seven (7) A.M. in such a manner as to create a noise disturbance audible by a person of ordinary sensitivity across a residential or commercial real property line.

2. Loudspeakers and Amplified Sound. Using or operating for any purpose any loudspeaker, loudspeaker system or similar device between the hours of ten (10) P.M. and seven (7) A.M. in such a manner that the sound creates a noise disturbance audible by a person of ordinary sensitivity across a residential real property line.

3. Animals and Birds. Keeping, maintaining or possessing or harboring any animal or bird which frequently or for long duration, howls, barks, meows, squawks or makes other sounds which create a noise disturbance audible by a person of ordinary sensitivity across a residential or commercial real property line.

B. EXCLUSIONS.

1. Amplification of sound by a person as part of an event or activity sponsored or approved by the County of Santa Barbara on property owned by or leased to the County, provided the County has adopted or approved a sound control plan for the property which is applicable to the event or activity.

2. Amplification of sound by a person as a part of an event or activity sponsored or approved by the County of Santa Barbara on property owned by or leased to the County of Santa Barbara and for which property the County has not developed a sound control plan.

It shall be unlawful for any person, between the hours of 8:00 P.M. of any day and 7:00 A.M. of the following day to erect, construct, demolish, excavate for, alter or repair any building or structure unless a special permit has been applied for and granted by the Chief Building Official. In granting such special permit, the Chief Building Official shall consider if construction noise in the vicinity of the proposed work site would be less objectionable at night than during daytime because of different population levels or different neighboring activities, if obstruction and interference with traffic, particularly on streets of major importance, would be less objectionable at night than during daytime, if the kind of work to be performed emits noises at such a low level as to not cause significant disturbance in the vicinity of the work site, if the neighborhood of the proposed work site is primarily residential in character wherein sleep could be disturbed, if great economic hardship would occur if the work were spread over a longer time, if the work will abate or prevent hazard to life or property, if the proposed night work is in the general public interest; and he shall prescribe such conditions, working times, types of construction equipment to be used, and permissible noise emissions, as he deems to be required in the public interest. This section shall not be applicable to activities of public or private utilities when restoring utility service following a public calamity or when doing work required to protect persons or property from an imminent exposure to danger. (Ord. 5740, 2016; Ord. 4039, 1980.)

9.16.050 Leaf Blowers - Restriction on Use.

A. DEFINITIONS

1. Leaf Blower. Any device used, designed or operated to produce a current of air by fuel, electricity or other means to push, propel or blow cuttings, refuse or debris.

2. Noise Level Standards. Measured in accordance with those standards developed under the supervision of the American National Standards Institute's (ANSI) "Committee for Sound Level Labeling Standard for Hand Held and Back Pack Gasoline Engine Powered Blowers" presently adopted as ANSI B-175.2-1990 with the maximum noise level of 65 decibels.

B. PROHIBITION IN RESIDENTIAL ZONES.

It is unlawful for any person to operate a leaf blower within two hundred fifty feet (250') of any residential zone, as that term is defined in Title 28 of this Code, before 9:00 A.M. or after 5:00 P.M. Monday through Saturday, or at any time on Sundays or national holidays, provided that the City Parks and Recreation Department employees shall be allowed to use leaf blowers between the hours of 7:00 A.M. and 9:00 A.M. Monday through Saturday when cleaning parking lots adjacent to the City's Beachfront parks.

C. CLEANUP OF DEBRIS

It is unlawful for any person operating any type of leaf blower to blow cuttings, refuse or debris onto a neighboring property or into a street or gutter. It is also unlawful for any person operating any leaf blower to fail to properly dispose of accumulated debris, leaves, or refuse in a sealed trash or refuse container.

D. PHASE-OUT OF CERTAIN LEAF BLOWERS

1. Existing Leaf Blowers. The use of leaf blowers which are not manufactured to meet or exceed the Noise Level Standards is prohibited in all areas of the City, under all circumstances, after October 9, 1997.

2. Sale of New Leaf Blowers. It is unlawful to sell or offer for sale within the City of Santa Barbara leaf blowers which are not manufactured to meet or exceed the Noise Level Standards of 65 decibels.

E. CERTIFICATION.

Owners and operators will present equipment to the City Parks and Recreation Director or designee, with an application and reasonable fee, for noise testing according to ANSI testing criteria in the Noise Level Standards. Leaf blowers which generate 65 decibels or less according to the test will be issued a certification sticker, which is valid for one year following the date of testing. The use of a leaf blower, without a current and valid certification sticker affixed to it, within the City after July 1, 1998, is an infraction. All sound level measurements described in this section shall be taken with a Sound Level Meter.

F. GUIDELINES FOR THE PROPER USE OF LEAF BLOWERS.

The City Parks and Recreation Director is hereby authorized and directed to adopt guidelines for the proper use of leaf blowers, which guidelines shall promote the safe and efficient use of leaf blowers, while also mitigating, to the extent possible, the noise and nuisance effects of leaf blowers. The Finance Department is hereby directed to provide a copy of this ordinance and the leaf blower guidelines to each person obtaining a City business license for the operating of a gardening or landscaping maintenance service or business within the City. The operator of every business establishment selling leaf blowers within the City of Santa Barbara shall post in a conspicuous location and shall distribute to all purchasers a copy of this ordinance and the guidelines. (Ord. 5740, 2016; Ord. 5037, 1997; Ord. 5024, 1997; Ord. 4720, 1991; Ord. 4718, 1991; Ord. 4452, 1987.)

9.16.060 Use of Gasoline-Powered Leaf blowers Prohibited.

Measure D97, adopted November 4, 1997, provides: In order to secure and promote the public health, comfort, safety and welfare, and to protect the rights of its citizens to privacy and freedom from nuisance, it is the purpose of this ordinance to prohibit unnecessary, excessive and annoying noises at levels which are detrimental to the health and welfare of the community, and to minimize airborne dust and pollen.

It shall be unlawful for any person within the City to use or operate any portable machine powered with a gasoline engine, or gasoline-powered generator, to blow leaves, dirt, and other debris off sidewalks, driveways, lawns, or other surfaces. (Ord. 5036, 1997.)

9.16.070 Regulation of Noise Affecting Parcels Zoned or Used for Residential Purposes.

A. HOURS OF OPERATION. Hours of operation on property zoned for agricultural use and used for planting, grading, vegetation removal, harvesting, sorting, cleaning, packing, shipping, and pesticide application shall be limited to 7:00 A.M. to 7:00 P.M. Monday through Saturday. Hours of operation for the above-stated activities shall be limited to 8:00 A.M. to 7:00 P.M. on Sunday and holidays.

B. MOTOR VEHICLE HORNS AND SIGNALING DEVICES. The following acts and the causing thereof are declared to be in violation of this ordinance:

1. The sounding of any horn or other auditory signaling device on or in any motor vehicle on any public right-of-way or public space, except as a warning of danger as provided in Section 27000 of the California Vehicle Code.

2. The sounding of any horn or other auditory signaling device which produces a sound level in excess of 60 dB(A) at a distance of 200 feet.

3. Exception. Emergency vehicles may be equipped with and use auditory signaling devices that do not comply with the requirements of this section.

C. MECHANICAL EQUIPMENT. Mechanical equipment other than vehicles and equipment which are operated by electricity obtained from an electricity utility company shall not be used outside before 8:00 A.M. or after 7:00 P.M. on Saturday, Sunday or holidays, or before 7:00 A.M. or after 7:00 P.M. Monday through Friday.

D. NOISE LIMITATIONS. All mechanical equipment other than vehicles (including heating, ventilation, and air conditioning systems) shall be insulated. Sound at the property line of any adjacent parcel used or zoned for residential, institutional, or park purposes shall not exceed sixty A-weighted decibels using the Community Noise Equivalent Level (60 dB(A) CNEL). All wind machines are prohibited in the City. (Ord. 5740, 2016; Ord. 4878, 1994.)

9.16.080 Sound Amplification.

No person shall amplify sound using sound amplifying equipment contrary to any of the following:

- A. The only amplified sound permitted shall be either music or the human voice or both.
- B. Sound emanating from any public park or place shall not be amplified above the ambient noise level so as to be audible within any hospital, rest home, convalescent hospital, or church while services therein are being conducted.
- C. The volume of amplified sound shall not exceed 60dB(A) when measured outdoors at or beyond the property line of the property from which the sound emanates.
- D. The volume of amplified sound inside a structure shall not exceed 45dB(A) when measured inside a building used for residential purposes. This maximum noise level shall not apply to the dwelling unit from which the sound is emanating.
- E. The limits set forth above shall not apply to the following:
 1. Amplification of sound by a person as part of an event or activity sponsored or approved by the County of Santa Barbara on property owned by or leased to the County, provided the County has adopted or approved a sound control plan for the property which is applicable to the event or activity.
 2. Amplification of sound by a person as a part of an event or activity sponsored or approved by the County of Santa Barbara on property owned by or leased to the County of Santa Barbara and for which property the County has not developed a sound control plan.
 3. Amplification of sound by a person as part of an activity or event sponsored or approved by the City of Santa Barbara on property owned by or leased to the City of Santa Barbara.
 4. Amplification of sound by a person as part of an activity or event sponsored by or approved by a nursery school, elementary school, secondary school or college or university on property owned by or leased to said educational institution.
 5. Amplification of sound by a person as part of an activity or event sponsored by or approved by a public entity on property owned by or leased to said public entity. (Ord. 5740, 2016; Ord. 4039, 1980.)

9.16.090 Definitions.

Unless the context otherwise clearly requires, technical words and phrases used in this chapter are defined as follows:

A. SOUND AMPLIFYING EQUIPMENT. "Sound amplifying equipment" shall mean any machine or device for the amplification of the human voice, music, or any other sound. "Sound amplifying equipment" shall not include standard automobile radios when used and heard only by the occupants of the vehicle in which the automobile radio is installed. "Sound amplifying equipment" as used in this chapter shall not include warning devices on authorized emergency vehicles or horns or other warning devices on any vehicle used only for traffic safety purposes, and shall not include communication equipment used by public or private utilities when restoring utility service following a public calamity or when doing work required to protect persons or property from an imminent exposure to danger.

B. AMBIENT NOISE. "Ambient noise" is the all-encompassing noise associated with a given environment, being usually composed of sounds from many sources near and far. For the purpose of this ordinance, ambient noise level is the level obtained when the noise level is averaged over a period of five (5) minutes without inclusion of noise from isolated identifiable sources, at the location and time of day near that at which a comparison is to be made.

C. NOISE DISTURBANCE. "Noise disturbance" shall mean any sound which (a) endangers or injures the safety or health of human beings or animals, or (b) annoys or disturbs reasonable persons of normal sensitivities, or (c) endangers or injures personal or real property, or (d) violates the factors set forth in Section 9.16.010 of this Chapter. Compliance with the quantitative standards as listed in this Chapter shall constitute elimination of a noise disturbance.

D. DECIBEL. "Decibel" (dB) shall mean an intensity unit which denotes the ratio between two (2) quantities which are proportional to power; the number of decibels corresponding to the ratio is ten (10) times the common logarithm of this ratio.

E. SOUND LEVEL. "Sound level" (noise level) in decibels is the value of a sound measurement using the "A" weighting network of a sound level meter. Slow response of the sound level meter needle shall be used except where the sound is impulsive or rapidly varying in nature, in which case fast response shall be used.

F. PERSON. "Person" shall mean a person, firm, association, co-partnership, joint venture, corporation, or any entity, public or private in nature.

G. SOUND LEVEL METER. "Sound level meter" shall mean an instrument including a microphone, an amplifier, an output meter, and frequency weighting networks for the measurement of sound levels which satisfies the pertinent requirements in American National Standards Institute's specification S1.4 2014 or the most recent revision thereof for type S-2A general purpose sound level meters.

H. SUPPLEMENTARY DEFINITIONS OF TECHNICAL TERMS. Definitions of technical terms not defined herein shall be obtained from the American National Standards Institute's Acoustical Terminology S11 1994 or the most recent revision thereof. (Ord. 5740, 2016; Ord. 4039, 1980.)

9.16.100 Measurement Methods.

A. Any decibel measurement made pursuant to the provisions of this chapter shall be based on a reference sound pressure of twenty (20) micronewtons per square meter (0.0002 microbar) as measured with a sound level meter using the "A" weighting, and using the slow meter response.

B. Unless otherwise provided, outdoor measurements shall be taken with the microphone located at any point on the property line of the noise source, but no closer than five (5) feet from any wall or vertical obstruction and three (3) to five (5) feet above ground level whenever possible.

C. Unless otherwise provided, indoor measurements shall be taken inside the structure with the microphone located at any point as follows: (1) no less than three (3) feet above floor level; (2) no less than five (5) feet from any wall or vertical obstruction; and (3) not under common possession and control with the building or portion of the building from which the sound is emanating. (Ord. 4039, 1980.)

9.16.110 Enforcement.

A. PRIMA FACIE VIOLATION. Any noise exceeding the noise level limits in Section 9.16.080, or the prohibited actions as provided in Sections 9.16.010, 9.16.020 and 9.16.030, shall be deemed to be prima facie evidence of a violation of the provisions of this Chapter.

B. VIOLATIONS. Any violation of the provisions of this Chapter shall be an infraction or be subject to administrative code enforcement pursuant to Chapter 1.25 of this code. Each hour such violation is committed or permitted to continue shall constitute a separate offense and shall be punishable as such.

C. ABATEMENT ORDERS.

1. In lieu of issuing a notice of violation as provided for in subsection B of this section, the zoning enforcement or police department staff responsible for enforcement of any provision of this Chapter may issue an order requiring abatement of a sound source alleged to be in violation, within a reasonable time period and according to guidelines which the police department may prescribe.

2. No complaint or further action shall be taken in the event that the cause of the violation has been removed, the condition abated or fully corrected within the time period specified in the written notice.

D. CONTINUED VIOLATIONS. Once a violation of any provision of this Chapter has been verified by zoning enforcement or police department staff, the owner(s) of the property where the violation occurred may be subject to administrative action or infraction citation for allowing a subsequent violation of this Chapter to occur on the property within nine (9) months after the date of a previous violation, provided the property owner has received notification from the City of the previous violation and at least fourteen (14) days have passed since the date the notification was mailed to the property owner(s). (Ord. 5740, 2016.)

9.16.120 Violations - Additional Remedies - Injunctions.

As an additional remedy, the operation or maintenance of any sound amplifying equipment, device, instrument, vehicle, or machinery in violation of any provision of this chapter, which operation or maintenance causes discomfort or annoyance to reasonable persons of normal sensitiveness or which endangers the comfort, repose, health or peace of residents in the area, shall be deemed and is declared to be a public nuisance and may be subject to abatement summarily by a restraining order or injunction issued by a court of competent jurisdiction. (Ord. 4039, 1980.)

The City Council of the City of Santa Barbara is reliably informed that:

A. State law prohibits the sale or furnishing of cigarettes, tobacco products and smoking paraphernalia to minors, as well as the purchase, receipt, or possession of tobacco products by minors.

B. State law requires tobacco retailers to check the identification of tobacco purchasers who reasonably appear to be under 18 years of age and provides procedures for onsite sting inspections of tobacco retailers using persons under 18 years of age.

C. The results of the 2000 California Youth Tobacco Purchase Survey demonstrate that 12.8% of retailers surveyed sold tobacco product to minors, however, the most recent local youth purchase survey showed youth buy rates of 38%.

D. The California courts in such cases as *Cohen v. City Council*, 40 Cal.3d 277 (1985), and *Bravo Vending v. City of Rancho Mirage*, 16 Cal.App.4th 383 (1993), have affirmed the power of cities to regulate business activity in order to discourage violations of state law.

E. The City has the power to regulate the operation of lawful businesses to avoid circumstances that facilitate violations of the state, federal, and local laws. (Ord. 5260, 2002.)

9.21.020 Purpose.

It is the intent of the City Council, in enacting this Chapter, to discourage violations of laws which prohibit or discourage sale or distribution of tobacco products to minors, but not to expand or reduce the degree to which the acts regulated by state or federal law are criminally proscribed. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.

F. Decision and Findings. The Board of Fire and Police Commissioners shall make findings relating to its decision on a revocation or denial of a permit, license or other entitlement to conduct business.

Chapter 9.50

PROHIBITION OF ABUSIVE PANHANDLING

Sections:

9.50.010	Purpose.	9.50.040	Use of Public Benches and Facilities on Certain Streets for Active Panhandling.
9.50.020	Definitions.		
9.50.030	Abusive Panhandling Prohibited; Specific Locations Where Active Panhandling is Restricted.	9.50.050	Penalty for Abusive Panhandling.

9.50.010 Purpose.

In order to protect and promote the rights of the general public to be free from inappropriate conduct and from the intimidating physical confrontations associated with panhandling, the City Council finds that there is a need to adopt a City ordinance which imposes reasonable and specific time, place, and manner limitations on those forms of inappropriate and unlawful conduct which may be associated with abusive and active panhandling. At the same time, the Council seeks to properly and duly recognize, as well as protect to the fullest extent possible, the First Amendment free speech rights of all concerned.

The Council finds that balancing the need for public safety with the need to protect constitutional rights is especially critical in certain popular retail and visitor-serving areas of the City. Specifically, Cabrillo Boulevard, lower Milpas Street, and certain blocks of State Street (those within the City Central Business District) are popular public gathering spaces and are often crowded with members of the public and visitors to the Santa Barbara area. Moreover, these areas provide only limited public amenities, such as public seating and outdoor dining areas, and members of the public should be free to use those areas without fear of coercive panhandling with its attendant risk of fraud, intimidation and violence. The Council further finds that, because these areas of Santa Barbara often have thousands of visitors each day and because there is limited public seating and gathering areas available within these blocks of these streets, it is necessary and appropriate to provide panhandling regulations which prevent some persons from monopolizing the use of a public bench or a public seating area, as well as nearby sidewalk areas, for active panhandling. There is therefore a necessity for the City Council to adopt regulations which provide for the shared and reasonable use of these public facilities by all members of the public, especially the elderly and persons with special access needs.

The City Council further finds that panhandling near automated bank teller machines is particularly problematic because persons who use such machines may have large quantities of cash in their possession and generally feel vulnerable to attack or intimidation. Likewise, active panhandling on buses and other forms of public transportation threatens the person being solicited because they are in a confined space with no means of leaving the area in order to avoid being panhandled.

The City Council finds that these panhandling regulations will not prevent those persons who wish to solicit alms or charitable donations from appropriately using public benches and public seating facilities within these areas of the City for temporary respite purposes, nor will these panhandling regulations impact the content of any protected forms of expressive statements made by a panhandler or otherwise improperly restrict anyone's First Amendment rights.

The City Council also finds that these panhandling regulations have been demonstrated, by careful mapping of the regulated areas which has been considered by Council, to leave open ample alternative locations within the City for active and passive panhandling. Active panhandling on or near public benches and seating areas is prohibited only in the most crowded and intensely used areas of the City's commercial districts, and even with those areas many areas are open for active and passive panhandling. (Ord. 5689, 2015; Ord. 5499, 2009.)

9.66.010 Title.

This Chapter shall be known as the City of Santa Barbara "Graffiti Removal and Abatement Ordinance." (Ord. 5349, 2005.)

9.66.020 Purpose and Intent.

The City Council hereby finds and declares that:

- A. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property may be disregarded with impunity.
- B. This perception fosters a sense of disrespect of the law that results in an increase in crime; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property.
- C. Graffiti is a threat to public safety and must be quickly abated, as provided herein, to prevent its proliferation and harm to persons and property in the City as the re-application, and spread of, graffiti has been found to dramatically decrease when it is removed in a timely fashion.
- D. This Chapter is intended to be consistent with Government Code sections 38772 et seq. and 53069.3 which authorize the enactment of ordinances for the use of City funds to remove graffiti from public or privately owned permanent structures located on public or privately owned real property from the city.
- E. The enlistment of business and property owners in the City and their assistance, active resistance, and prior consent to allow the City to abate graffiti on their property is recognized and emphasized as a key element in combating graffiti crime.
- F. It is the purpose of this Chapter to provide for a City sponsored program for the removal of graffiti from walls, pavement, structures and other improvements on both public and private property. Towards that end, the City Council hereby deems it appropriate for the Director of Public Works, acting under the supervision of the City Administrator, to utilize City funds and designate the City employees or City contractors necessary to establish a program of effective and prompt graffiti removal by the City for all real property within the City. Subject to the required appropriation of funds, this program may utilize City Public Works employees, materials, and equipment and other City resources which may be necessary to accomplish the graffiti abatement and removal purposes of the program, particularly with respect to graffiti on publicly owned property. The program shall also be made available to property owners within the City, on a cost reimbursement basis, for the removal of graffiti from private property pursuant to a standard agreement between the property owner and the City. (Ord. 5349, 2005.)

9.66.030 Definitions.

9.66.040 Graffiti - Public Nuisance.

Pursuant to the authority of California Government Code Section 38771, graffiti, whether on public property or on private property, is hereby declared a public nuisance in the City. (Ord. 5349, 2005.)

9.66.050 Prohibition of Graffiti on Property.

It shall be unlawful for the owner of any real property within the City, whether public or private, to allow graffiti to remain in place on such property or to maintain graffiti that has been placed upon such property. (Ord. 5349, 2005.)

9.66.060 Graffiti Abatement Procedures - Property Owner's Consent.

A. Graffiti Removal by Public Works as Authorized by the Property Owner. With the prior written consent of a property owner and upon an agreement regarding any necessary reimbursement by the owner to the City, the Director may immediately remove any graffiti he or she determines to be in violation of Section 9.66.050 of this Chapter.

B. Standard Consent/Release Forms – Agreement to Pay for Abatement. In order to accomplish the purposes of this Section, the Director shall prepare and distribute to property owners within the City a standard City consent/release and reimbursement agreement (as prepared and approved by the City Attorney.) The consent/release and reimbursement agreement shall be sufficient for the purposes of authorizing graffiti abatement removal on that owner's property by work crews designated by the City for the purposes of entering the property to abate the graffiti. The agreement shall also contractually commit the property owner to reimburse the City for the graffiti abatement costs incurred.

As a pre-condition for the City's removal of graffiti, the property owner shall have provided the City with a fully-executed copy of the standard City release/consent and reimbursement agreement for each property owned by such owner(s). The prior consent/release and reimbursement agreement may be revoked or cancelled by the owner at any time by notifying the Director in writing. The standard release/consent and reimbursement agreement shall provide that the property owner agrees to be responsible to the City for the costs of graffiti abatement by the City in accordance with a standard graffiti abatement cost schedule to be made readily available by the City for review by a property owner.

After the graffiti is abated by the City, the City Finance Director will send the owner an itemized bill and an abatement accounting for the costs of the graffiti abatement. The property owner shall then pay the City the amount set forth in the abatement accounting within thirty (30) days of the date of the mailing.

C. Properties for Which the Property Owner Has Not Consented or Refuses to Consent. If the Director is otherwise unable to obtain consent from the property owner or if the property owner does not abate the graffiti voluntarily in accordance with the requirements of this Chapter, the Director may proceed with a graffiti abatement action as set forth in Section 9.66.070.

D. Graffiti on Public Property. Where property defaced by graffiti is owned by a public entity other than the City, the Director shall cause removal of the graffiti only after securing the consent of an authorized representative of the public entity that has jurisdiction over the property. However, any public entity may provide the City with a general standard consent agreement applicable to some or all of that entity's property, as determined appropriate by the public entity. (Ord. 5349, 2005.)

9.66.070 Notice of Graffiti Abatement Action.

A. Initiation of Abatement Action. Whenever the Director determines that graffiti exists in violation of Section 9.66.050 and the Director has been unable to obtain the owner's consent to remove the graffiti in accordance with Section 9.66.060 and the property owner has failed to abate graffiti on the property, the Director may initiate a graffiti abatement action by causing a graffiti abatement notice to be served on the Owner as follows:

1. One copy of the graffiti abatement notice shall be posted in a conspicuous place upon the public street frontage side of the building or property at or near the place of the graffiti.
2. One copy of the graffiti abatement notice shall be served upon each of the following by regular mail:
 - a. The person, if any, in real or apparent charge and control of the premises or property involved, such as a tenant or occupant; and
 - b. The owner of record as listed on the last equalized County assessment roll.

B. Time for Removal - Hearing Before Director. The graffiti abatement notice shall provide the property owner three (3) calendar days from the date of the graffiti abatement notice to do one of the following: 1. to remove the graffiti, or 2. to authorize the removal of the graffiti by the Director by notifying the Director in writing that he or she has consented or consents to the graffiti abatement and will reimbursement the City for the removal costs (in accordance with Section 9.66.060, or 3. the property owner may demand a hearing before the Director regarding the abatement order.

If the property owner fails to take one of these actions within the above time period of three (3) days, the property shall thereafter be subject to abatement of the graffiti by the Director in accordance with Section 9.66.080.

If no hearing is requested or if the Owner provides the City with the required consent/release and reimbursement agreement within the three (3) day period required and if the graffiti has not been removed, then the Director may immediately remove the graffiti and bill the owner for the amount to be reimbursed. (Ord. 5349, 2005.)

9.66.080 Graffiti Abatement Action; Hearing.

A. Abatement Hearing with Director. If a property owner requests a hearing pursuant to Section 9.66.070B, the Director shall provide notice of the time and place of the hearing in accordance with the notice provisions of California Government Code Section 65094 at least seven (7) days prior to the scheduled hearing date.

At the Abatement Hearing, the owner shall be entitled to present written evidence relevant to show that his or her property does not contain graffiti. Upon the conclusion of the hearing, if the Director determines that the property contains graffiti, the Director may order that the graffiti be immediately abated. The determination of the Director at the Hearing shall be final and may not be appealed.

B. Abatement After Hearing. Upon the conclusion of an abatement hearing and before ordering abatement by City designated workers, the Director shall give written notice (a "graffiti abatement order") which notice shall be served in accordance with Section 9.66.070(A) that, unless the graffiti is removed within two (2) calendar days from the date of the graffiti abatement order, the City shall enter upon the property and cause the removal, painting over or such other abatement of the graffiti as the Director determines appropriate.

C. Procedures for Abatement. The following procedures shall apply to actions by the Director to abate graffiti pursuant to this Section and to recover costs for abatement of graffiti on private property:

1. Abatement Action. Not sooner than the expiration of the time specified in the graffiti abatement order, the Director shall immediately implement the graffiti abatement order and utilize the City's own forces to remove the graffiti.

Thereafter, the City Finance Director, upon the written request of the Director, shall provide an abatement accounting to the owner of the costs of the abatement action on a full cost recovery basis not later than ten (10) days from the date the abatement action is completed. The abatement accounting shall include all administrative costs incurred by the Department in abating graffiti on the property. The total amount set forth in the abatement accounting shall be due and payable by the owner within 30 days from the date of the abatement accounting.

2. Lien on the Real Property. If all or any portion of the amount set forth in the abatement accounting remains unpaid by the owner after thirty (30) days of the mailing of the abatement accounting, such portion shall constitute a lien on the property which was the subject matter of the graffiti abatement action. Such a lien shall be levied and collected by the City in accordance with Section 1.25.130 of this code as if they were a fine imposed pursuant to that Section. Property owners seeking to challenge the amount of the abatement accounting may do so at the hearing authorized by Section 1.25.130. (Ord. 5349, 2005.)

9.66.090 Limitation of Liability.

By adopting this Graffiti Abatement and Removal Ordinance and in establishing a City graffiti abatement program, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury. (Ord. 5349, 2005.)

The purpose of the regulations and standards in this chapter are to allow increased business and pedestrian traffic by providing safe and visually appealing opportunities for outdoor dining. (Ord. 4820, 1993.)

9.95.020 Outdoor Dining - Defined.

"Outdoor dining" means the use of City sidewalks and public rights-of-way for the consumption of food or beverages in conjunction with the operation of a food service establishment properly licensed for such service under state and county health regulations and which provides on-premises customer seating. (Ord. 4820, 1993.)

9.95.030 Outdoor Dining License Required.

A. Outdoor dining is not allowed without an outdoor dining license agreement with the City as set forth in this Chapter 9.95.

B. The owner or operator of a business or service which includes outdoor dining shall maintain such operation in compliance with all provisions of the outdoor dining license and the administrative regulations approved pursuant to this Chapter 9.95. (Ord. 5130, 1999; Ord. 4820, 1993.)

9.95.040 Where Outdoor Dining in Public Rights-of-Way Permitted.

Outdoor dining is not permitted where, in the opinion of the City Engineer, the speed, volume or nearness of vehicular traffic is not compatible with outdoor dining. All outdoor dining areas must be adjacent to and incidental to the operation of a food service establishment providing on-premises customer seating properly licensed for such service pursuant to state and county health regulations. Use of the sidewalk or public right-of-way must be confined to the actual sidewalk and public right-of-way frontage of the restaurant or food service building. (Ord. 4820, 1993.)

9.95.050 Sidewalk Required to Accommodate Pedestrian Traffic.

Outdoor dining is permitted only where, in the opinion of the City Engineer, the sidewalk is wide enough to adequately accommodate both the usual pedestrian traffic in the area and the operation of the proposed outdoor dining. Along State Street, between Cabrillo Boulevard and Victoria Street, the outdoor dining area shall leave not less than eight (8) consecutive feet of sidewalk width which is clear and unimpeded at all points for pedestrian traffic. Outdoor dining operations must maintain adequate clearance for all normal uses of the sidewalk and any special or occasional uses that may arise from time to time. (Ord. 5130, 1999; Ord. 5047, 1998; Ord. 5013, 1997; Ord. 4820, 1993.)

9.95.060 Alcoholic Beverage Restrictions.

The service of alcoholic beverages shall be restricted solely to on-premise consumption by customers within the outdoor dining area. Each of the following standards apply to outdoor dining areas which provide alcoholic beverage service:

A. The outdoor dining area must be immediately adjacent to and abutting an indoor restaurant which provides food and beverage service;

B. The outdoor dining area must be clearly and physically separated from pedestrian traffic;

C. The operator shall post a written notice to customers that the drinking or carrying of an open container of alcohol is prohibited outside the outdoor dining area;

D. The outdoor dining operations must be duly licensed by the state Department of Alcoholic Beverage Control. (Ord. 4820, 1993.)

9.95.070 Special Closures.

Outdoor dining is an interruptible or terminable license granted by the City pursuant to a contract. The City shall have the right and power, acting through the City Engineer, to prohibit the operation of an outdoor dining area at any time because of anticipated or actual problems or conflicts in the use of the sidewalk area or right-of-way. Such problems and conflicts may arise from, but are not limited to, scheduled festivals and similar events, or parades or marches, or repairs to the street or sidewalk, or from demonstrations or emergencies occurring in the area.

To the extent possible, the licensee shall be given prior written notice of any time period during which the operation of the outdoor dining area will be prohibited by the City. (Ord. 4820, 1993.)

9.95.080 Issuance of License.

The City Engineer may issue an outdoor dining license pursuant to administrative regulations issued by the Public Works Director and approved by resolution of the City Council.

At a minimum such regulations shall determine and require the following:

1. The approval and execution of a standard license agreement in a form acceptable to the City Attorney;
2. Proof of insurance naming the City as an additional insured acceptable to the City Administrator;
3. Special site conditions as needed or desirable;
4. Whether the design for seating and signage meets the minimum standards of the established administrative regulations;
5. Such other conditions as are necessary for public safety or to protect public improvements, such as the posting of appropriate security to guarantee the restoration of the right-of-way upon termination of the license;
6. Conditions necessary to restore the appearance of the sidewalk or right-of-way on termination of use;
7. Compliance with the applicable City building, zoning and design review requirements, particularly those requirements with respect to automobile parking.
8. Some form of fair market rent as compensation to the public for use of the sidewalk or right-of-way in an amount established by a resolution of the City Council;
9. The payment of an appropriate license application fee in an amount established by resolution of the City Council;
10. Adequate setback and clearances for all expected pedestrian uses of the sidewalks, as well as for unusual or occasional public uses that can be anticipated. (Ord. 5130, 1999; Ord. 4820, 1993.)

9.95.090 Term and Renewal.

The maximum term of an outdoor dining license is one year. Thereafter, the City Engineer may extend the license for additional periods, not to exceed one year each, following review and approval of the operation. If the City Engineer considers additional or revised conditions desirable, such new conditions may be imposed upon the extension, including the imposition of a license renewal fee. (Ord. 4820, 1993.)

Sections:

9.126.010 Certificate Generally.

9.126.030 Application.

9.126.020 Contents of Certificate.

9.126.010 Certificate Generally.

Consistent with a policy of non-discrimination in employment on contracts of the City of Santa Barbara and in furtherance of the provisions of Sections 1735 and 1777.6 of the California Labor Code, a "Contractor's Obligation for Non-discriminatory Employment Certificate" as hereinafter set forth shall be attached and incorporated by reference as an indispensable and integral term of all bid specifications and contracts of the City for purchases, services, and the construction, repair, or improvement of public works. (Ord. 3500 §1(part), 1972.)

9.126.020 Contents of Certificate.

The "contractor's obligation for non-discriminatory employment" is as follows:

In performing the work of this contract, the Contractor agrees as follows:

(1) The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, ancestry, sexual orientation, political affiliation or beliefs, sex, age, physical handicap, medical condition, marital status or pregnancy (as those terms are defined by the California Fair Employment and Housing Act -- Government Code Section 12900-12996), except where such discrimination is based on a bona fide occupational qualification. The Contractor will take positive action or ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, national origin, ancestry, sexual orientation, political affiliation or beliefs, sex, age, physical handicap, medical condition, marital status or pregnancy (as those terms are defined by the California Fair Employment and Housing Act -- Government Code Section 12900-12996), except where such discrimination is based on a bona fide occupational qualification. Such action shall include but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this non-discrimination clause.

(2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, national origin, ancestry, sexual orientation, political affiliation or beliefs, sex, age, physical handicap, medical condition, marital status or pregnancy (as those terms are defined by the California Fair Employment and Housing Act -- Government Code Section 12900-12996), except where such discrimination is based on a bona fide occupational qualification.

(3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the City advising the said labor union or worker's representative of the Contractor's commitments under this provision, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) The Contractor will permit access to his records of employment, employment advertisements, application forms, and other pertinent data and records by the City, the Fair Employment Practices Commission, or any other appropriate agency of the State designated by the City for the purposes of investigation to ascertain compliance with the Contractor's obligation for non-discriminatory employment provisions of this contract, or Fair Employment Practices statute.

(5) A finding of willful violation of the non-discriminatory employment practices article of this contract or of the Fair Employment Practices Act shall be regarded by the City as a basis for determining that as to future contracts for which the Contractor may submit bids, the Contractor is a "disqualified bidder" for being "non-responsible".

The City shall deem a finding of willful violation of the Fair Employment Practices Act to have occurred upon receipt of written notice from the Fair Employment Practices Commission that it has investigated and determined that the Contractor has violated the Fair Employment Practices Act and has issued an order under Labor Code Section 1426 or obtained an injunction under Labor Code Section 1429.

Upon receipt of any such written notice, the City shall notify the Contractor that unless he demonstrates to the satisfaction of the City within a stated period that the violation has been corrected, he shall be declared a "disqualified bidder" until such time as the Contractor can demonstrate that he has implemented remedial measures, satisfactory to the City, to eliminate the discriminatory employment practices which constituted the violation found by the Fair Employment Practices Commission.

(6) Upon receipt from any person of a complaint of alleged discrimination under any City contract, the City Administrator shall ascertain whether probable cause for such complaint exists. If probable cause for the complaint is found, the Administrator shall request the City Council to hold a public hearing to determine the existence of a discriminatory practice in violation of this contract.

In addition to any other remedy or action provided by law or the terms of this contract, the Contractor agrees, that should the City Council determine after a public hearing duly noticed to the Contractor that the Contractor has not complied with the non-discriminatory employment practices provisions of this contract or has willfully violated such provisions, the City may, without liability of any kind, terminate, cancel or suspend this contract, in whole or in part. In addition, upon such determination the Contractor shall, as a penalty to the City, forfeit a penalty of \$25.00 for each calendar day, or portion thereof, for each person who was denied employment as a result of such non-compliance. Such moneys shall be recovered from the Contractor. The City may deduct any such penalties from any moneys due the Contractor from the City.

(7) The Contractor certifies to the City that he has met or will meet the following standards for positive compliance, which shall be evaluated in each case by the City:

(a) The Contractor shall notify all supervisors, foremen and other personnel officers in writing of the content of the non-discrimination provision and their responsibilities under it.

(b) The Contractor shall notify all sources of employee referrals, (including unions, employment agencies, advertisements, Department of Employment) of the content of the non-discrimination provision.

(c) The Contractor shall file a basic compliance report as required by the City. Willful false statements made in such reports shall be punishable as provided by law. The compliance report shall also specify the sources of the work force and who has the responsibility for determining whom to hire, or whether or not to hire.

(d) The Contractor shall notify the City of opposition to the non-discrimination provision by individuals, firms or organizations during the period of this contract.

(8) Nothing contained in this Contractor's Obligation for Non-discriminatory Employment Certificate shall be construed in any manner to prevent the City from pursuing any other remedies that may be available at law.

(9) (a) In the performance of the work under this contract, the Contractor will include the provisions of the foregoing paragraphs (1) through (8) in all subcontracts and in any supply contract to be performed within the State of California, so that such provisions will be equally binding upon each subcontractor and each supplier.

(b) The Contractor will take such action with respect to any subcontract or purchase order as the City may direct as a means of enforcing such provisions including sanctions for non-compliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction by the City, the Contractor may request the City to enter into such litigation to protect the interests of the City. (Ord. 4465, 1987; Ord. 3500 §1(part), 1972.)

9.126.030 Application.

This chapter shall only apply to contracts entered into following the effective date of the ordinance codified in this chapter, provided that any existing contract which is renewed or extended pursuant to an option shall upon renewal or extension be subject to the terms of this chapter and, as a condition of renewal or extension, such contract shall be revised to incorporate the provisions required by this chapter. (Ord. 3500 §1,(part), 1972.)

A City Service Contractor shall not include a contractor who provides services which are merely incidental to the City's purchase of goods or supplies from that Contractor, such as installation services related to the City's use of the goods or supplies being obtained.

D. BASIC MEDICAL INSURANCE COVERAGE. For the purposes of this Chapter, Basic Medical Insurance Coverage must include, but need not be limited to, offering the employee insurance coverage for the following health and medical care expenses of the Employee:

2. An Employee pension or deferred compensation retirement plan under circumstances where the Service Contractor offers to make an Employer contribution to the plan of not less than five percent (5%) of the Employee's average gross monthly wages for the previous twelve (12) months, and where the plan is regulated and recognized by the federal Employee Retirement Income Security Program Act (hereinafter referred to as "ERISA," 29 USCA §1001 et seq.);

3. Child care or "dependent" care (or monetary assistance for child or dependent care needs) for a dependent(s) of the Employee under circumstances where the cost of the child or dependent care is funded or paid in full by the Employer and where the care is duly licensed and certified by the State. For the purposes of this Chapter, the term "dependent" shall be as that term is used and defined in the federal Internal Revenue Code.

3. Full-Time and Part-Time Employee Defined. For the purposes of this section, a "full-time" Employee shall mean an employee who has worked for the Service Contractor forty (40) or more hours per week on average for any ten (10) weeks of the previous twelve-week period. Any Employee who is not a full-time Employee is a part-time Employee.

"Compensated Leave" shall mean that the Employee is allowed leave time and is compensated at the same rate of pay which he or she would have received had they worked a regular day of work for each day of leave time used by the Employee.

Nothing herein shall preclude an Employer from imposing a minimum employment period upon the use of compensated leave provided such minimum period is consistent with the requirements of state law. (Ord. 5384, 2006.)

9.128.020 Minimum Local Wage Payment Requirements for City Service Contractors.

2. Work Sites Located at Non-City-Owned or -Operated Sites. Except as provided in Subsections (B) and (C) hereof, for those City Service Contractors where the work performed under a City Service Contract does not occur at a building, site, or location owned or operated by the City, the Service Contractor shall pay a Mandatory Minimum Local Wage to all Employees for those hours of the Employee's work which can be directly attributed to the services provided to the City by the Service Contractor.

B. EMPLOYEES RECEIVING BASIC MEDICAL INSURANCE COVERAGE AND COMPENSATED HOLIDAYS. City Service Contractors subject to the Mandatory Minimum Local Wage requirement of Subsection (A) hereof which provide an Employee with both Basic Medical Insurance Coverage at no cost to the Employee and Compensated Time-Off may pay a hourly wage of not less than Twelve Dollars (\$12.00) to the Employee instead of the Mandatory Local Minimum Wage, which wage amount shall be adjusted upward annually each July 1st, beginning in 2006, by an amount corresponding to the previous year's change (January to January) in the Consumer Price Index for Urban Wage Earners and Clerical Workers 1967=100 for Los Angeles-Riverside-Orange County, California, provided that no such annual adjustment may exceed the amount of six percent (6%).

C. EMPLOYEES RECEIVING SUPPLEMENTAL EMPLOYEE BENEFITS IN ADDITION TO BASIC INSURANCE COVERAGE. City Service Contractors subject to the Mandatory Local Minimum Wage requirement of Subsection (A) hereof which provide Supplemental Employee Benefits Coverage may pay an hourly wage of not less than Eleven Dollars (\$11.00) instead of the Mandatory Local Minimum Wage, which wage amount shall be adjusted upward annually each July 1st, beginning in 2006, by an amount corresponding to the previous year's change (January to January) in the Consumer Price Index for Urban Wage Earners and Clerical Workers 1967=100 for Los Angeles-Riverside-Orange County, California, provided that no such annual adjustment may exceed the amount of six percent (6%).

(Ord. 5384, 2006.)

9.128.030 Supercession by Collective Bargaining Agreement.

The provisions of this Chapter, or any part thereof, may be waived in a bona fide collective bargaining agreement, but only if the waiver is set forth in such collective bargaining agreement in express written terms. Unilateral implementation of terms and conditions of employment by either party to a collective bargaining relationship shall not constitute an express waiver of all or any part of the provisions of this Chapter by the represented employees. (Ord. 5384, 2006.)

9.128.040 Enforcement of Chapter Requirements.

A. COMPLIANCE – CONTRACTUAL OBLIGATION. Every City Service Contract (or any amendment thereto) shall contain express contract provisions requiring the City Service Contractor (as well as all subcontractors, agents, or assignees of the Service Contractor which perform work for the City pursuant to the Service Contract) to comply with the requirements of this Chapter as they exist on the date when the Contractor entered into its Contract or the date when such Contract is amended.

A breach of the applicable requirements of this Chapter, as determined by the City, shall constitute a breach of the Service Contract and may, as shall be expressly provided in all City Service Contracts, be the basis for an immediate termination of the Service Contract in the sole discretion of the City. In the event of a breach of Service Contract for non-compliance with this Chapter, the City may also elect to preclude future City contracts with the non-complying Service Contractor.

B. PAYROLL AND OTHER RECORDKEEPING REQUIREMENTS. City Service Contractors shall maintain adequate payroll, tax, time sheets, personnel, and work records sufficient to allow the City to verify the Contractor's compliance with the requirements of this Chapter. Such records shall be maintained for a period of two (2) years after the completion of the City's contract and shall be made available for review by the City upon the City's request.

C. AUDIT OF PAYROLL AND OTHER RECORDS. The City shall have the right of access to the employee time and work records required by this Section for the purposes of conducting an audit of such records to determine compliance with the requirements of this Chapter during the time the Service Contract is in effect and for a period of two (2) years after the completion of any City Service Contract.

D. PERIODIC CERTIFICATION OF COMPLIANCE. The standard City Service Contract provisions shall also require the Service Contractor to periodically provide an appropriate written certification to the City Finance Department certifying the Contractor's compliance with the terms of this Chapter in a form deemed appropriate by the City Finance Director and at those regular times deemed appropriate by the Finance Director. Such certification may include copies of the Employee time and work records as the City deems appropriate and necessary to verify the Contractor's full compliance with the terms of this Chapter.

E. EMPLOYEE PRIVATE RIGHT OF ACTION. Nothing in this Chapter shall be construed to limit an Employee's right to initiate legal action for a violation of his or her rights under this Chapter. An Employee may bring an action in a court of appropriate jurisdiction of this State for damages caused by a Service Contractor's violation of the requirements of this Chapter. A final court judgment in favor of an Employee establishing that a Service Contractor has violated the requirements of this Chapter shall be deemed a conclusive determination that the Contractor has violated this Chapter and shall allow the City, at the City's discretion, to terminate a Service Contract for breach upon not less than five (5) days written notice to the Contractor. (Ord. 5384, 2006.)

9.128.050 Effective Date and Implementation.

The obligations imposed by this Chapter shall take effect as of the effective date of the ordinance codifying this Chapter and shall apply to those City Service Contracts approved (or substantively amended) by the City on or after that date. (Ord. 5384, 2006.)

AIDS/HIV DISCRIMINATION

	9.132.130 Enforcement.

9.132.010 Findings.

The City Council finds and declares that:

A. The medical condition known as Acquired Immune Deficiency Syndrome, (commonly known as AIDS/HIV infection), is a deadly communicable disease and has the potential to affect every segment of our City's population.

B. AIDS/HIV infection was first recognized in 1981 by the United States Public Health Service's Center for Disease Control.

C. AIDS, in the opinion of the scientific and medical community, is caused by a virus, known as HIV infection (Human Immunodeficiency Virus) (or in the past, HTLV-III or LAV), which attacks and cripples the body's immune system and neurological system, thereby leaving the body vulnerable to opportunistic infections, certain cancers and neurological diseases.

D. A person afflicted with AIDS/HIV infection can suffer a variety of bacterial, viral, and/or fungal caused illnesses, cancers, protozoan and neurological conditions which debilitate the body resulting in a high mortality rate within several years after diagnosis.

E. The transmission of the virus has occurred through transfer of body fluids, for example blood, blood by-products, body organs and semen. Body fluids can be transferred through intimate sexual contact, through the sharing of hypodermic needles used in drug injections and through to a fetus and/or newborn infant from the mother.

F. No evidence exists to indicate the spread of the virus through casual contact, such as contact at work or at school, through the air or water or through the handling of food by persons having the AIDS virus.

G. Medical studies of family groups in which one or more persons have been diagnosed with AIDS/HIV infection show no spread of the virus except through the exchange of body fluid such as through sexual intimacy, through mother's milk, or through the exchange of blood, such as mother to fetus.

H. A public health danger represented by the HIV virus and its subsequent manifestation as AIDS is caused by the lengthy incubation period during which period an apparently healthy but infected individual may spread the disease to other persons through the transfer of body fluids such as blood, blood by-products, body organs, semen, or vaginal/cervical secretions, perinatally or through the sharing of hypodermic needles used in drug injections.

I. AIDS has been recognized as a national public health emergency with a large proportion of the cases diagnosed in California.

J. AIDS, in the opinion of the scientific and medical community, will continue to increase at a high rate within our City for the foreseeable future.

K. Persons with AIDS, AIDS-related complex (ARC), including persons infected with the HIV virus who may not show AIDS symptoms, or those perceived to fall into one of the above STATED CATEGORIES, are faced with potential discrimination, and such potential for discrimination is sufficient to justify a City ordinance to prohibit those discriminatory practices which are not currently adequately addressed by federal and state law. (Ord. 4758; 1992.)

9.132.020 Purpose and Public Policy.

It is hereby declared as the public policy of the City of Santa Barbara that it is necessary to protect and safeguard the rights and opportunities of persons with AIDS, ARC or HIV infection in respect to discrimination in housing, business establishments, testing, access to medical services and in City facilities and services. (Ord. 4758, 1992.)

9.132.030 Definitions.

A. "AIDS" means Acquired Immune Deficiency Syndrome, a disease complex which occurs when an important part of the human immune system is destroyed by the action of a human immune deficiency virus known as HIV infection and previously referred to as HTLV-III or LAV and as it may be further defined by the United States Public Health Services Center for Disease Control. AIDS is manifested by infections, cancers or neurological diseases. (For purposes of this Chapter, a person is regarded as having AIDS, ARC, or being infected with the virus (HIV infection) that causes AIDS if such person is perceived and treated by an alleged violator of the provisions of this Chapter as having AIDS, ARC, or being infected with the virus that causes AIDS, whether such medical condition exists or not.)

B. "ARC" means AIDS-related complex. ARC occurs when the human immune system is weakened by the AIDS virus, and such conditions as enlarged lymph-nodes, fever, weight loss, malaise, and chronic diarrhea result. ARC may develop into AIDS.

C. "Business Establishment" includes any entity, however organized, which furnishes goods or services, including educational services, or accommodations to the general public; including any entity which has a membership requirement if its membership requirement consists only of the payment of a membership fee and a substantial number of residents within the City of Santa Barbara could qualify.

D. "Employee" includes any person employed by an employer.

E. "Employer" means any person regularly employing one or more persons, or any person acting as an agent of an employer, directly or indirectly.

F. "Employment agency" means any person regularly undertaking compensation to procure employees for an employer or to procure for employees opportunities to work for an employer and includes an agent of such a person.

G. "HIV infected" means a person infected with the human immune deficiency virus.

H. "Housing accommodation" includes any improved or unimproved real property, or portion thereof, which is used or occupied, or is intended, arranged or designed to be used or occupied, as the home, residence, or sleeping place of one or more persons.

I. "Housing Services" shall mean services otherwise provided by the owner of any housing accommodations to persons renting or leasing such housing accommodation, including but not limited to, utilities such as light, heat, water and telephone; ordinary repairs or replacement, and maintenance, including painting; elevator services, laundry facilities and privileges, the use of common recreational facilities, janitorial services, resident manager, refuse removal, furnishings, food service, parking and other benefits, privileges or facilities provided.

J. "Labor organization" means any organization which exists and is constituted for the purpose, in whole or in part, of collective bargaining or of dealing with employers concerning grievances, terms or conditions of employment, or of other mutual aid or protection.

K. "Owner" includes the lessee, sublessee, assignee, managing agent, real estate broker or salesman, or any person having any legal or equitable right of ownership or possession or the right to rent or lease housing accommodations.

L. "Person" includes one or more individuals, partnerships, associations, corporations, labor organizations, legal representatives, trustees, trustees in bankruptcy, and receivers or other fiduciaries.

M. "Medical Services" shall mean any public or private service provided by volunteers or paid professionals caring for the injured, or sick in relation to health, medicine, science or the treatment of disease. (Ord. 4758, 1992.)

9.132.040 Housing Accommodations and Housing Services.

A. It shall be unlawful for any owner of any housing accommodation or housing service to discriminate against any person because such person has AIDS, ARC or HIV infection.

B. Nothing in this Section shall:

1. Apply to any housing accommodation in which the owner or any member of his or her family occupies the same housing accommodation in common with the prospective tenant. 9.145.030	Findings.	9.145.080	Enforceability.
9.145.040	Definitions.	9.145.090	Severability.
9.145.050	Lowest Law Enforcement Priority Policy.		

9.145.010 Title.

This chapter shall be known as the Lowest Law Enforcement Priority Policy Ordinance. (Approved by election held November 7, 2006.)

9.145.020 Purpose.

The purpose of this chapter is:

- A. To make investigations, citations, arrests, property seizures, and prosecutions for adult marijuana offenses, where the marijuana was intended for adult personal use, the city of Santa Barbara's lowest law enforcement priority; and
- B. To transmit notification of the enactment of this initiative to state and federal elected officials who represent the city of Santa Barbara. (Approved by election held November 7, 2006.)

9.145.030 Findings.

- A. The federal government's war on drugs has failed.
- B. Santa Barbara should determine its marijuana policies locally, not hand them over to the federal Drug Enforcement Administration.
- C. Otherwise law-abiding adults are being arrested and imprisoned for nonviolent marijuana offenses, which is clogging courts and jails in California.
- D. Each year, California spends more than \$150 million of taxpayer money enforcing marijuana laws.
- E. Law enforcement resources would be better-spent fighting serious and violent crimes.
- F. Making adult marijuana offenses Santa Barbara's lowest law enforcement priority will reduce the city's spending on law enforcement and punishment.
- G. Decades of arresting millions of marijuana users have failed to control marijuana use or reduce its availability.
- H. Current marijuana policies continue to needlessly harm medical marijuana patients, despite the passage of Proposition 215, which affirmed California voters' support for medical marijuana. (Approved by election held November 7, 2006.)

9.145.040 Definitions.

For the purposes of this chapter, the following words and phrases shall have the meanings respectively ascribed to them by this section:

- A. "Adult" means an individual who is 21 years of age or older.
- B. "Santa Barbara law enforcement officer" means a member of the Santa Barbara Police Department or any other city agency or department that engages in law enforcement activity.
- C. "Lowest law enforcement priority" means a priority such that all law enforcement activities related to all offenses other than adult, personal-use marijuana offenses shall be a higher priority than all law enforcement activities related to marijuana offenses, where the marijuana was intended for adult personal use, other than the exceptions designated in this chapter.
- D. "Marijuana" means all parts of the cannabis plant, whether growing or not; the seeds thereof; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or its resin. (Approved by election held November 7, 2006.)

9.145.050 Lowest Law Enforcement Priority Policy.

A. Santa Barbara law enforcement officers shall make law enforcement activity relating to marijuana offenses, where the marijuana was intended for adult personal use, their lowest law enforcement priority. Law enforcement activities relating to marijuana offenses include, but are not limited to, investigation, citation, arrest, seizure of property, or providing assistance to the prosecution of adult marijuana offenses.

B. This lowest law enforcement priority policy shall not apply to use of marijuana on public property or driving under the influence.

C. The lowest law enforcement priority policy shall apply to cooperating with state or federal agents to arrest, cite, investigate, prosecute, or seize property from adults for marijuana offenses included in the lowest law enforcement priority policy.

D. Santa Barbara law enforcement officers shall not accept or renew formal deputization or commissioning by a federal law enforcement agency if such deputization or commissioning will include investigating, citing, arresting, or seizing property from adults for marijuana offenses included in the lowest law enforcement priority policy.

E. Santa Barbara shall not accept any federal funding that would be used to investigate, cite, arrest, prosecute, or seize property from adults for marijuana offenses included in the lowest law enforcement priority policy. (Approved by election held November 7, 2006.)

9.145.060 Community Oversight.

A. The committee will be composed of two city residents; one criminal defense attorney; one civil liberties advocate; one medical marijuana patient; one medical professional; and one drug abuse, treatment, and prevention counselor, each of whom shall be appointed by the Santa Barbara mayor. The committee members shall serve at the pleasure of the Santa Barbara mayor, who shall appoint replacement committee members on an as-needed basis. The Santa Barbara Police Department, the Santa Barbara County Public Health Department, and the Santa Barbara County District Attorney's Office shall each send one representative as a nonvoting liaison to each of the committee's meetings.

B. Responsibilities of the committee shall include:

1. ensuring timely implementation of this chapter, with the cooperation of the Santa Barbara County District Attorney's Office, the Santa Barbara Police Department, and any other Santa Barbara law enforcement agencies in providing needed data;

2. receiving any grievances from individuals who believe they were subjected to law enforcement activity contrary to the lowest law enforcement priority policy;

3. designing a supplemental report form for Santa Barbara law enforcement officers to use to report all adult marijuana arrests, citations, and property seizures and all instances of officers assisting in state or federal arrests, citations, and property seizures for any adult marijuana offenses. The supplemental report form shall be designed with the goal of allowing the committee to ascertain whether the lowest law enforcement priority policy was followed;

4. requesting additional information from any Santa Barbara law enforcement officer who engaged in law enforcement activity relating to one or more marijuana offenses under circumstances which appear to violate the lowest law enforcement priority policy. An officer's decision not to provide additional information shall not be grounds for discipline; and

5. submitting written reports semiannually to the Santa Barbara City Council on the implementation of this ordinance, with the first report being issued nine months after the enactment of this chapter. These reports shall include, but not necessarily be limited to: the number of all arrests, citations, property seizures, and prosecutions for marijuana offenses in Santa Barbara; the breakdown of arrests and citations by race, age, specific charge, and classification as infraction, misdemeanor, or felony; any instances of law enforcement activity that the committee believes violated the lowest law enforcement priority policy; and the estimated time and money spent by the city on law enforcement and punishment for adult marijuana offenses.

C. Santa Barbara law enforcement officers shall submit to the committee a supplemental report within two weeks after each adult marijuana arrest, citation, or property seizure or instance of assisting in a state or federal arrest, citation, or property seizure for any adult marijuana offense in Santa Barbara. (Approved by election held November 7, 2006.)

9.145.070 Notification of Federal and State Officials.

Beginning three months after the enactment of this chapter, the city clerk shall execute a mandatory and ministerial duty of sending letters on an annual basis to Santa Barbara voters' U.S. representative or representatives, both of California's U.S. senators, Santa Barbara voters' senators and Assembly members in the California State Legislature, the governor of California, and the president of the United States. This letter shall state, "The citizens of Santa Barbara have passed an initiative to de-prioritize adult marijuana offenses, where the marijuana is intended for personal use, and request that the federal and California state governments take immediate steps to enact similar laws." This duty shall be carried out until state and federal laws are changed accordingly. (Approved by election held November 7, 2006.)

9.145.080 Enforceability.

All sections of this chapter are mandatory. If any provision of this chapter is not carried out properly, any person who is registered to vote in Santa Barbara may seek a writ of mandate to ensure the law is fully implemented. (Approved by election held November 7, 2006.)

9.145.090 Severability.

If any provision of this chapter or the application thereof to any person or circumstance is held invalid, the remainder of the chapter and the application of such provisions to other persons or circumstances shall not be affected thereby. (Approved by election held November 7, 2006.)
