

Santa Cruz Island Boat Trip

Sign up by May 23rd

The Junior Guard Program has chartered two trips for Junior Lifeguards and parents to make a day trip to Santa Cruz Island. The boat will anchor in a sheltered cove where passengers will spend the day exploring the ocean and sea shore.

We will depart the Sea Landing at 6:30am and return at 5:00pm. The Sea Landing is located in the harbor adjacent to the sand at West Beach.

Bring a big lunch, swim suit, towel and warm clothes. If you have a wetsuit, fins, mask, snorkel, or kayak it is recommended that you bring it.

Two trips will be offered - July 11th and July 18th. We anticipate the interest in the trip will exceed the capacity of the boat. Therefore we are planning on doing a lottery for the spots available. If the trips interest does not exceed the capacity, your first choice will be granted.

Fill out the form below and turn it in before May 23rd. We will make attempts to keep families together on trips, though it is not guaranteed. Parents, if your son or daughter is selected to go it does not guarantee you will go. This is also the case if both parents sign up. To increase your chances feel free to sign up for both trips if your schedule permits. Non Junior Lifeguards (siblings) are not permitted on trip.

Trip Preference (circle one) - July 11th or July 18th

Wednesday, July 11th

Please include _____ in lottery
(child)

Please include _____ in lottery
(parent)

Please include _____ in lottery
(parent)

Wednesday, July 18th

Please include _____ in lottery
(child)

Please include _____ in lottery
