Designation of the bilingual language skill is restricted to the actual needs of the position. An employee's ability to read, write or speak Spanish occasionally or, incidental use of language skills in Spanish, or the use of bilingual skills other than for the purpose of meeting the requirements of the job shall not warrant a bilingual designation.

The City recognizes that it is the duty of management to make every reasonable effort to provide and maintain a safe place of employment. The Unit will cooperate by encouraging all employees to perform their work in a safe manner. It is the duty of all employees in the course of performing their duties to be alert to unsafe practices, equipment, and conditions and to report any such unsafe practices or conditions to their immediate supervisors. If such conditions cannot be satisfactorily remedied by the immediate supervisor, an employee has the right to submit the matter either personally or through the Steward to his/her Department Head or his/her designated representative. On any matter of safety that is not resolved, consultation will take place between management and Unit representatives. Compliance with basic safety requirements will be part of each employee's performance evaluation criteria.

h. The City may make changes to the cafeteria plan that are cost-neutral to the City based on impacts of the Affordable Care Act (ACA), including but not limited to:

a) Affordability Calculations: Should changes or interpretation of law lead to the City's cafeteria plan contribution not being credited as an employer contribution toward minimum essential coverage under affordability provisions of the Affordable Care Act (ACA), the City may make changes to the structure of the benefit that are cost-neutral to the City to ensure treatment of its contribution as an employer contribution.

b) Cadillac Tax: City may make changes to the cafeteria plan that are cost-neutral to the City in order to avoid insurance premium increases resulting from the 40 percent excise tax on high-cost employer-sponsored health plans (the "Cadillac Tax") or other penalties or liability as a result of the ACA.

a. The City and the Unit agree that any employee whose position is abolished, pursuant to Section 1008 of the City Charter, shall receive a minimum of thirty (30) days written notice prior to the effective date of abolition. The affected employee shall be given every opportunity through promotional examinations, transfers, and voluntary demotion to fill existing vacant positions. In the event that an employee scheduled to be laid off does not possess minimum qualifications for vacant positions, opportunity for trainee-level appointment to a vacancy in the bargaining unit will be considered. In no case shall open competitive recruitment be used to fill a vacancy until it is determined that no person holding a position to be eliminated meets the qualifications for the vacancy and that no person holding such a position has the potential and willingness to meet those qualifications pursuant to the trainee-level position ordinance (Municipal Code Section 3.04.055).

Notwithstanding the above, a Department Head shall have the sole right not to employ, accept transfer of, or demote any employee laid off who in the Department Head's sole opinion is not qualified for a position with due regard for the provisions of this Agreement, City policy, and State and federal law. A Department Head, however, may not reject an employee who has "bump rights" to a position as provided herein.

2. Employees affected by layoff shall have the right to return to the last position they previously held in the City service so long as they meet the position's current minimum qualifications and are physically able to perform and that position continues to exist. 3. The City shall determine and implement the order of layoff after consultation with the Unit."

d. The City may offer a separation enhancement plan to avoid layoffs.

19. LEAVE OF ABSENCE

a. It is agreed that supervisory employees shall have the right to request an extended leave of absence without pay for a period of up to one year for personal reasons or for additional schooling. If the leave is approved, the employee will have right of return but such leave shall be considered a break in service with no accrual of benefits. Leave approval will be at the discretion of the City Administrator.

b. Employees may be entitled to up to 12 weeks of leave, with benefit continuation and reinstatement rights, under the City's FMLA/CFRA Family Care and Medical Leave Policy for the birth of a child or to care for a newborn, for the placement of a child with an employee in connection with adoption or foster care, to care for a child, parent, spouse, domestic partner or child of a domestic partner who has a serious health condition, or for the employee's own serious health condition. The City shall continue to pay its contribution to insurance (medical, dental, vision, psychological, life, and long-term disability) for the longer of the first ninety (90) days of such medical leaves of absence, or any period of leave continuation provided under the FMLA/CFRA Family Care and Medical Leave Policy.

g. "Continuous service" means employment with the City without break or interruption; in computing continuous service for the purposes of this chapter, neither military leaves nor leaves of absence on account of illness, whether with or without pay, shall be construed as a break in employment or service. Other absences aggregating in excess of ninety (90) days in any period of twelve (12) months, including layoffs on account of lack of work, lack of funds, or abolishment of positions shall be construed as breaking "continuous service".

20. LIFE INSURANCE

The City will provide a term life insurance policy covering the employee in the amount of one (1) year's annual salary (effective 1st of January of each year) or \$60,000, whichever is greater, with an equal accidental death and dismemberment provision.

The City and the Unit agree that all benefits, other than direct wages, as provided by ordinance, resolution, and City Charter, which are in existence at the commencement of this Agreement, shall not be diminished, lessened, or reduced for the duration of this Agreement.

Wage adjustments as provided for from time to time by ordinance or resolution, or by City Charter, as may be amended, shall also continue for the duration of this Agreement.

23. MANAGEMENT RIGHTS

The City and the Unit agree that the City has an exclusive right to manage and direct the performance of services and the work force performing such services unless the City has specifically delegated, abridged, or modified any such rights in this Agreement. Such rights shall include but not be limited to the sole right to determine the organization structure of the City, establish levels and types of services to be provided, determine the methods, means, and number of personnel by which operations are to be conducted, including sole authority to contract or subcontract for municipal services, and to exercise complete control and discretion over the technology of performing the City's work. The City retains complete authority over the policies and direction and administration of all City departments including but not limited to standards and methods of selection for employment; promotion and performance evaluation; disciplinary action; relief of employees from duty because of lack of work or other legitimate reasons; maintenance of the efficiency of government operations; establishment of the work week and work schedules; and determination of the content of job classifications consistent with applicable laws and with due regard for provisions of this Agreement.

24. MEETING AND CONFERRING

The City and the Unit agree to meet and confer regarding renewal of the Memorandum of Understanding by using the concept of Mutual Gain Bargaining. Mutual Gain Bargaining principles to be observed include important assumptions such as focusing on issues not personalities, interests not positions, and satisfying mutual interests. The Unit and the City recognize that bargaining enhances the ongoing relationship between both parties that both parties can win in bargaining and can help each other do so, and that open and honest discussion expands the area of mutual interests therefore expanding the options available to the parties to arrive at successful solutions.

- c. If an employee is called back to duty on an overtime basis, such employee shall be compensated for no less than two (2) hours overtime. If an employee is called back to work on an emergency basis, if conditions permit, City shall provide said employee with nourishment and/or a rest period of appropriate duration.

d. The parties agree that employees have the right to request cash payment or compensatory time off (CTO), but that approval of one or the other benefit remains the right of the City consistent with the needs of the City.

Overtime worked shall be compensated at the rate of one hour of CTO for one hour of overtime worked or one and one-half hour cash out for one hour of overtime worked.

Overtime not cashed out shall be maintained in a CTO "Bank". An employee may accrue up to 100 CTO hours in his/her bank. The employee may maintain this bank unless the employee terminates or agrees to cash out a portion of all the hours in the bank. Management will make every effort to provide employees with opportunities to take compensatory time off to avoid exceeding the bank limit. The City retains the right to cash out CTO hours other than the 100 hour bank described above at the overtime rate.

It is agreed that the City has the right to require employees to take compensatory time off but shall provide a minimum of seven (7) calendar days advance notice in such cases.

e. Prior management approval is required for the use of CTO, however employees may use CTO hours from their overtime bank without prior notice for time off due to illness or injury of their spouse or children. Such emergency leave shall not be unreasonably withheld by the City. Emergency leave shall be deducted from the employee's CTO bank. No emergency leave payment shall be made except after satisfactory evidence of dependent illness or injury has been accepted and approved by the Department Head.

f. The City and the Unit agree that overtime work accrued during a declared disaster as determined by the President of the United States, the Governor of the State, the Mayor of the City, City Council, or the City Administrator shall be compensated at the rate of time and one-half providing that the City is reimbursed at the rate of time and one-half wages in Federal or State Disaster Relief Funds.

3. Exceptions: An exception to this policy may be granted by the Finance Director to an employee upon a showing of good cause for such exception (e.g., that he/she is unable to establish and/or maintain a personal banking/financial account for direct deposit, or that other personal circumstances necessitate a temporary or permanent exception). The Finance Director may require the employee to renew this exception periodically. Exceptions will not be unreasonably denied.

4. Employees participating in direct deposit will be provided with a payroll detail report each pay period. Alternatively, employees may voluntarily opt out of a paper detail and access this information electronically via the City's computer system.

28. PERSONAL LEAVE

Grievances shall not include disagreements, disputes, or activities regarding or pertaining to examinations for employment or promotion, disciplinary action, performance evaluations, probationary terminations and items subject to meet and confer.

No act or activity which may be grievable may be considered for resolution unless a grievance is filed in accordance with the procedure contained herein within thirty (30) calendar days of the date the grievable activity occurred or the date the employee could reasonably have known such activity occurred.

b. The Unit agrees that whenever investigation or processing of a grievance is to be transacted during working hours, only the amount of time necessary to bring about a prompt disposition of the matter will be utilized. At the City's discretion, time spent by City employees on the investigation and processing of grievances will be recorded on a form provided by management.

Representatives will be permitted reasonable time off with pay for the investigation and processing of grievances after first obtaining permission from his/her Department Head. Such permission will be granted promptly unless such absence would cause an undue interruption of work.

Upon entering a work location, the representative shall inform the appropriate Department Head and supervisor of the nature of his/her business. An employee pursuing a grievance shall be granted permission to leave the job unless such absence would cause an undue interruption of work. If the employee cannot be made available, the representative will be immediately informed when the employee will be made available.

c. The City and the Unit agree that all grievances will be processed in accordance with the following procedure.

Any employee who has a grievance shall first try to get it settled through discussion with his/her immediate supervisor without undue delay. Every effort shall be made to find an acceptable solution at the lowest possible level of supervision. If after such discussion the employee does not believe the grievance has been satisfactorily resolved, he/she may file a formal appeal in writing to his/her Department Head within ten (10) calendar days after receiving the informal decision of his/her immediate supervisor.

The Department Head receiving the formal appeal shall render his/her written decision and comment to the employee within ten calendar days after receiving the appeal.

If after receipt of the written decision of the Department Head the employee is still dissatisfied, he/she may appeal the decision of the Department Head to the City Administrator. Such appeal shall be made by filing a written appeal to the City Administrator within five (5) working days after receipt of the written decision of the

Department Head. The City Administrator shall review the decision of the Department Head, and his/her decision, which shall be rendered within twenty-five (25) working days after the appeal is made, shall be final. The City Administrator may request the advice of the Board of Civil Service Commissioners in any grievance proceeding, but he/she shall not be bound to follow any recommendation of the Board.

The time limitations for filing and responding to grievances may be waived or extended by mutual agreement of the parties. If either party to the grievance so requests, an informal hearing shall be conducted at the Department Head or City Administrator appeal levels. Employees may be represented by counsel or other person at any stage in the grievance process.

d. Grievances which are general in character and which involve interpretation or application of this MOU or City policies or which involve matters requiring resolution outside the authority of the employee's Department Head shall be filed directly with the Assistant City Administrator who shall provide a written response within ten (10) calendar days.

An employee may appeal the response of the Assistant City Administrator. The employee's appeal and City Administrator's response shall be handled in accordance with the procedures in section "c" above.

e. Disputes or complaints regarding open competitive or promotional examinations for employment shall be processed in accordance with the policy adopted by the City Administrator. The City shall consult with the Unit prior to adopting or amending such policy.

f. Disputes or complaints regarding performance appraisals shall first be discussed with the individual who made the appraisal. An employee dissatisfied with the appraiser's response may discuss his/her complaint with the individual at the next higher level of supervision whose decision shall be final. An employee may be represented by counsel or other individual during these discussions.

31. PROFESSIONAL REGISTRATION PAY

It is agreed that when the Department Head assigns any Supervising Engineer or Supervising Transportation Engineer to maintain the ability to assume responsible charge for sealing City design projects by using his/her California professional registration, that employee shall receive an additional 5.0% of his/her biweekly salary.

32. PURPOSE

33. RECOGNITION

a. Pursuant to the provisions of Section 3.12 of the Municipal Code of the City and applicable State law, the Unit is recognized as the majority representative of the City supervisory employees and as the exclusive bargaining agent for the employees in said Unit.

b. The terms "supervisory employee(s)" or "employee(s)" as used herein shall refer only to full-time or regular part-time employees serving in classifications who occupy positions designated as supervisory and authorized by the City Council in the City's official list of authorized positions

35. RENEWAL

The City and the Unit agree that, for the term of this Agreement, each party waives the right and each agrees that the other party shall not be obligated to meet and confer with respect to any subject or matter pertaining to or covered by this Agreement, except as to meeting and conferring over the renewal or continuation of this Agreement, or as otherwise provided herein.

It is further agreed that nothing in this Agreement shall in any way diminish the rights of the employees, the City, or the Unit as established by the Meyers-Milias-Brown Act of the State of California and all amendments thereto, or Santa Barbara Municipal Code, Chapter 3.12, except as herein provided.

36. REPRESENTATION - UNIT OFFICERS AND REPRESENTATIVES

a. The City and the Unit agree that Unit officers and representatives will be allowed to meet with City management during normal work hours on City time for the purpose of meeting and conferring in good faith and without loss of pay or any benefits.

b. The Unit agrees to provide the City with a list of Unit officers and employee representatives, with their job classifications, who are authorized to meet and confer in good faith. Unit shall keep the list up to date.

c. The City agrees that authorized Unit representatives shall be given access to work locations during working hours to conduct Unit grievance investigations and/or observe working conditions. Such visits are to be made with the prior knowledge and approval of the Department Head and a management representative may accompany the Unit staff member on the visit.

d. The Unit shall provide the City with a list of representatives and shall update said list as appropriate.

37. RETIREE DENTAL INSURANCE

a. The City will provide information on available individual dental plans to any Unit employee who retires. The premiums for any such dental plans shall be paid by the retiree.

c. At such time in the future that the General Employees' Unit bargains for and receives a dental insurance option for retirees, the City and the Unit agree to meet and confer regarding a dental insurance option for Unit Retirees.

38. RETIREE MEDICAL

- a. This provision is applicable to employees who retire from City service on or after January 1, 2005 and
 1. Have 10 or more years of classified or unclassified service; or
 2. Retire from the City with an industrial disability.
- b. For employees who retire on or after January 1, 2010, the City shall contribute \$9.65 per month, per year of service up to a maximum of 35 years (i.e., \$337.75/month) towards the purchase of medical insurance for the retiree and his/her spouse or domestic partner registered with the City Clerk or the Secretary of State, if applicable.
- c. The retiree is not limited to the purchase of a City sponsored plan, provided however, that if the retiree purchases another insurance plan, the retiree must supply the City with adequate proof of insurance coverage prior to any contribution from the City. Proof of such coverage shall be provided to the City on a periodic basis, as reasonably determined by the City.
- d. The City shall continue to make its contribution until the retiree reaches age 65 or dies, whichever occurs first, provided however, that if the retiree dies before reaching the age of 65 and there is a surviving spouse or registered domestic partner, the City's contribution shall cease when the retiree would have reached 65. Thereafter, the spouse or domestic partner may remain on the insurance plan, at his/her cost, subject to the conditions set forth by the insurance company.
- e. If any Court decision with binding effect on the City of Santa Barbara rules that a retiree medical provision like the provision contained herein violates the State or Federal law against age discrimination, the parties agree that within 30 days they will reopen negotiations on said provision to convert to a retiree medical policy with equivalent cost that does not violate age discrimination law. The parties agree that whatever policy is agreed upon will not reduce or increase the City's contribution toward retiree medical insurance.

39. RETIREMENT

- a. Miscellaneous Employees:
 1. The City will provide miscellaneous employees the two percent (2.7%) at age fifty-five (55) benefit formula under the Public Employees' Retirement System (PERS), pursuant to Government Code 21354.5.
 2. The City will contribute toward the PERS normal employee's contribution as detailed in section "3", below, and these contributions, if any, shall be credited to the member's account. The City shall report the value of any Employer Paid Member Contributions (EPMC) to PERS as compensation earnable through enabling City resolution, pursuant to Government Code Section 20636(c)(4).
 3. Employees will continue to pay the full cost of the benefit enhancement to 2.7% at 55, including the effects of market volatility, according to the following formula:
 - i. While the PERS miscellaneous plan employer rate is exactly equal to 20.164%, the employee shall pay 7.162% of the 8% required employee contribution. This will be deducted on a pre-tax basis and credited to the employee's PERS member account. The City will pay the difference of .838%, which shall be reported to PERS as compensation earnable, and credited to the employee's member account.
 - ii. If PERS sets the employer rate at less than 20.164%, the employee shall receive credit

for 30.559% of the amount by which the employer rate is less than 20.164%. The City will apply the credit by paying an additional portion of the required 8% employee contribution, up until the point where the City again pays a full 7% of the 8% required employee contribution. This additional City-paid employee contribution (EPMC) shall be reported to PERS as compensation earnable, and credited to the employee's member account.

[For example: If the employer rate is only 18.164% of PERS-able compensation, the City will pay an additional 0.61% (2.0% times 30.559%) of the 8% employee contribution, for a total of 1.448%];

- iii. If PERS sets the employer rate at more than 20.164%, the employee shall pay 30.559% of the amount by which the employer rate exceeds 20.164%. The employee shall pay for this cost in the following manner:

- A. First, through an increase in the employee-paid portion of the 8% required employee contribution up to a maximum increase of 0.838%. This additional employee paid amount will be deducted on a pre-tax basis and credited to the employee's member account.

[For example: If the employer rate is 22.164% of PERS-able compensation, the employee will pay an additional 0.61% (2.0% times 30.559%) of the 8% employee contribution, for a total of 7.772%];

- B. Second, through payroll deduction. To the extent allowable by PERS, and in compliance with any restrictions imposed by PERS, the City will amend its contract to allow the employee to assume this additional cost in such a way that it will be credited to the employee's PERS member account and payable on a pre-tax basis. [Unless the parties through meeting and consulting (not meeting and conferring) agree that affected employees can pay through another mechanism, including, but not limited to paid vacation or paid holiday. If the parties enter into the meet and consult process, a State mediator will act as the facilitator.]

[For example: If the employer rate is 25.164% of PERS-able compensation, the employee will pay an additional 1.528% (5.0% times 30.559%) of PERS-able compensation as follows: an additional 0.838% (8%-7.162%) to cover the full 8% employee contribution, and a payroll deduction equal to 0.69% (1.528%-0.838%) of PERS-able compensation.]

4. The following contract provisions shall apply to the PERS miscellaneous plan
 - i. The City will provide One-Year Final Compensation for Miscellaneous employees under PERS, pursuant to Government Code 20042.
 - ii. The PERS Miscellaneous contract shall provide for Military Service Credit as Public Service under Government Code Section 21024 and for Public Service Credit for Excluded or Limited Prior Service under Government Code Section 21031.
 - iii. The PERS Miscellaneous contract shall provide for Public Service Credit for Peace Corps or Americorps: Volunteers in Service to America (VISTA) pursuant to Government Code Section 21023.5,
 - iv. The City will provide the Fourth (4th) Level of 1959 Survivor Benefits for Miscellaneous employees, pursuant to Government Code Section 21574.

- b. Harbor Patrol Safety Employees:
1. The PERS contract shall provide local safety member status under the 3% at 50 benefit formula to employees regularly assigned as Harbor Patrol Officers pursuant to Government Code 20423.
 2. The City will provide to Harbor Patrol Officers the additional PERS benefits of One-Year Highest Compensation, Increased Level of 1959 Survivor Benefits (Level Two), Post Retirement Survivor Benefits and Post Retirement Survivor Allowance to Continue After Remarriage, Military Service Credit as Public Service under Government Code Section 21024 and Public Service Credit for Excluded or Limited Prior Service under Government Code Section 21031.
 3. Employees will pay the full 9% member contribution. Effective October 13, 2018, employees who are "Classic" employees under the CalPERS safety pension plan will share in the cost of employer contributions, as allowed under Government Code 20516(f), in an amount equal to one third of the amount by which the Employer Rate exceeds 40.911% (the Fiscal Year 2017 Employer Rate). Such employee contribution increases shall not exceed 2.0% of compensation in any single Fiscal Year.
 4. At the request of the Association, the parties agree to reopen negotiations on the sole issue of Harbor Patrol pension contributions within 30 days of Council ratification of a successor labor agreement to the Memorandum of Understanding with the Santa Barbara Police Officers Association in effect as of the effective date of this 2017 to 2019 Agreement.
- c. The City is authorized to amend its contract with PERS immediately, in order to be able to implement the incentives listed below:
- Upon declaration of the Council of the City of Santa Barbara that the State of California's budgetary or fiscal impacts on the City's budget have caused grave fiscal conditions to exist that require prompt and immediate attention, the City may offer the following early retirement incentives to applicable employees:
1. Two years additional service credit in accordance with Government Code Section 20903; and/or
 2. City payment of Military Service Credit as Public Service in accordance with Government Code Section 21024.
- d. Notwithstanding the provisions above, effective January 1, 2013, new members as defined by California Public Employees' Pension Reform Act of 2013 (hereinafter "AB 340") will be covered under the 2% at 62 Miscellaneous retirement formula or the 2.7% at 57 Police Safety retirement formula, with a final compensation measurement period of the average of the highest three (3) consecutive years, as well as all other statutory requirements of AB 340. Effective October 1, 2013, new employees and/or members as defined by AB 340 shall contribute half the normal cost for benefits, as defined by AB 340; the City will not pay any portion of these employees' required contributions. As provided under the law, some new City employees may qualify as "classic" employees by virtue of their prior government service.

40. RETROACTIVITY

An employee will be eligible for the increases to salaries and benefits provided under the Agreement on the dates specified for each increase if the employee is an active City employee and bargaining unit member on the date that the City Council ratifies this Agreement.

Such equipment shall include, but not be limited to, safety shoes, safety glasses, helmets, gloves, boots, life jackets, and all related safety items. Both parties agree that the City shall retain the right to determine the minimum specifications of the safety equipment, procurement procedures, and limitations and exclusions.

City shall provide prescription safety glasses to those employees who wear prescription glasses and perform duties that require the use of safety glasses. Such employees shall provide the City with the lens specifications prescribed by the employee's doctor. The City will provide the initial pair of safety glasses based upon this prescription and shall replace same only upon a subsequent substantial change of prescription or evidence acceptable to the City that said prescription safety glasses are rendered unusable by accidental damage suffered while performing assigned duties.

Notwithstanding the above, the parties agree that employees designated by the City as required to wear steel-toed safety shoes, in the performance of their duties, shall be eligible to receive an annual allowance for the provision of said shoes upon the presentation of valid claims in keeping with City established procedures in amounts not to exceed the amounts established for general employees.

For example, a ten percent differential may be appropriate between a supervisor and a superintendent classification, or between a subordinate in a "lead" or "chief operator" role and a supervisor classification. In the exceptional circumstance where a non-professional supervisory class supervises a learned or certified professional class, a differential of less than 10% may exist. For example, less than a 10% differential may exist where a maintenance supervisor classification supervises an engineer classification.

f. The salaries of employees who are reclassified shall be set at a level determined by the City subject to the following: (1) in no case shall the salary of an employee who receives an upward reclassification be less than the employee's salary at the time of reclassification, and (2) in no case shall the salary of an

g. Anniversary dates for newly hired employees shall be the first of the month if the employee was hired on or before the fifteenth of that month and the first day of the following month for those hired after the fifteenth. The probationary period shall begin on the first day of employment.

43. SERVICE CREDIT FOR SICK LEAVE UPON RETIREMENT

At the time of retirement, the City purchases an annuity for the retiring supervisor that pays a monthly benefit similar to the PERS amendment that provides service credit for sick leave under Government Code 20965.

The following conditions apply to this benefit:

a. In order to qualify for service credit for sick leave upon retirement, the retiring supervisor must have at least 500 sick leave hours;

b. The conversion rate of 0.004 years (which equals one day) of service credit for each 8 hours of sick leave is utilized;

Example:

A Miscellaneous employee retires at age 55 (2.7% benefit factor under the 2.7% at 55 formula) with an average monthly salary in the highest year of \$4, 000. If the employee has 600 hours of sick leave:

$600 \text{ hours of sick leave} \div 8\text{-hour day}$
 $= 75 \text{ days of sick leave} \times .004 \text{ years conversion rate}$
 $= 0.3 \text{ years of service credit.}$

$0.3 \text{ years service credit} \times 0.02 \text{ (2.7\% benefit factor)} \times \$4,000 \text{ average monthly salary}$
 $= \$32.40 \text{ per month annuity}$

c. The retiring supervisor may take the cash purchase value of the annuity in lieu of the monthly annuity;

d. Effective for retirement on or after July 1, 2016, the 90% cap calculation for conversion of accrued sick leave upon retirement for PERS safety employees will be removed.; and

e. If the City amends its PERS Miscellaneous or Police Safety contract to include service credit for sick leave upon retirement, miscellaneous or safety members, respectively, will be included in that PERS contract amendment and the annuity program will be discontinued for that group.

44. SEVERABILITY

45. SICK LEAVE

a. The City and the Unit agree that the City's sick leave policy shall be that employees shall accrue sick leave at the rate of 3.7 hours for each full pay period of service with unlimited accumulation. Said sick leave accrual shall commence at the beginning of the employee's employment with the City.

b. The programs referred to as "Non-Replenishable" and "City Administrators" sick leave authorized by Municipal Code Sections 3.08.150(b) and 3.08.210, respectively, are eliminated.

c. If, during the term of this Agreement, City General employees are granted a sick leave buy back or conversion option, then the Unit will have the opportunity to accept or reject a similar option.

d. An employee may use sick leave for a medical appointment when it is not possible to arrange such appointment during non-work time subject to the following conditions: (1) reasonable advance notice which in no event shall be less than 24 hours; and (2) subject to supervisory approval based on operational needs.

e. A full-time employee may use up to six days (48 hours) of available accrued sick leave per calendar year for the diagnosis, care, or treatment of an existing health condition of, or preventive care for, a family member of the employee. "Family member" means any of the following: a spouse or registered domestic partner; a child (biological, adopted, or foster child, stepchild, legal ward, or a child to whom the employee stands in loco parentis, regardless of age or dependency status); a parent (biological, adoptive, or foster parent, stepparent, or legal guardian) of an employee or the employee's spouse or registered domestic partner; a person who stood in loco parentis when the employee was a minor child; a grandparent; a grandchild; or a sibling. All rules for use of sick leave will apply, including those regarding physician statement requirements and use of sick leave for medical appointments..

46. STANDBY PAY

The City and the Unit agree that effective during this Agreement, when an employee is officially designated by management to remain available to return to work at any time during specific hours outside of normal working hours, the employee shall receive two hours of straight-time pay or compensatory time off for each eight hours on standby or fraction thereof. To the extent feasible, the parties agree that standby shall be assigned on an equitable basis to all eligible employees.

The City and the Unit agree that all employees will be on automatic standby duty during a state of emergency or civil defense disaster as declared by the President of the United States, the Governor of the State, the Mayor of the City, the City Council, or the City Administrator. Such automatic emergency standby shall be without compensation unless the City is reimbursed by the State or federal government for such an expenditure.

47. TERM OF AGREEMENT

The City and the Unit agree that the term of this Agreement shall be twenty four (24) months, commencing July 1, 2017 and ending June 30, 2019.

The parties recognize that training programs and the advancement of employees to positions of higher skill are matters of great importance and interest to the City, the Unit, and the employees covered by this Agreement. However, the City shall retain the right to determine what training is required for the employee to improve his/her performance on the job and to make such training a condition of employment. Such training may include requests by Department Heads for additional training of current employees, subject to the approval of the City Administrator. Reimbursement Program for Management Employees”, subject to the same terms and limitations as management employees.

d. The Unit shall appoint three members to serve on the Supervisory Training Advisory Committee. This Committee shall meet when necessary to recommend course content changes for supervisory training, or when management proposes substantial changes to course content. Management shall inform the Unit of any proposed changes.

50. UNIFORM MAINTENANCE ALLOWANCE

a. The City and the Unit agree that employees required by the City to wear field uniforms shall have the full cost of the uniform maintenance paid for by the City. The City retains full and complete control over the administration of the uniform maintenance program. However, City shall provide field personnel with a minimum of seven (7) and a maximum of eleven (11) uniform changes based on the employee’s request and the operational needs of the department.

b. Police, Airport and Harbor Patrol supervisory personnel shall receive an annual cash uniform purchase and replacement allowance equal to the amount received by those supervised.

Employees shall be required to purchase and maintain the uniform in accordance with department standards.

51. UNIT CONVENTION ATTENDANCE

It is agreed that not more than four (4) Unit officers or delegates will be permitted to attend Unit national or State conventions or Unit-related training and skill development meetings once a year with up to three (3) days per year with pay. Attendance will be subject to approval of Department Head.

52. VACATION POLICY

Vacation periods shall be scheduled by management to provide adequate staffing. Such scheduling shall be subject to the needs of the City but shall take into account employee seniority and choice. No employee may accrue a vacation balance in excess of three hundred and twenty (320) hours unless approved for excess accrual based upon extenuating circumstances.

The employee will submit an excess vacation accrual request and meet with his/her supervisor as soon as possible to schedule the use of the excess accrual. The proposed request shall be forwarded by the supervisor to the Department Head for review. If endorsed by the Department Head, the request shall be forwarded to the City Administrator for consideration of approval.

53. VACATION/SICK LEAVE ADVANCED CREDIT UPON HIRE

An employee who is appointed from outside City of Santa Barbara government service within one (1) year of leaving employment with either the City of Santa Barbara or another city, county, state agency, federal agency or special district and who, in the opinion of the Human Resources Manager, possesses government experience directly related to the position to which he or she has been appointed, may be offered credit for years of prior service with the City of Santa Barbara and/or his or her immediate previous government employer in the following ways:

- i. Vacation Accrual: At the discretion of the Human Resources Manager, the employee may be offered credit for up to the total number of prior full years of service at the City of Santa Barbara and/or his or her immediate previous government employer toward the initial vacation accrual rate. The employee will not be eligible to progress to a higher accrual rate until employee has the normal required minimum amount of City of Santa Barbara service for that accrual rate.
- ii. Sick bank: At the discretion of the Human Resources Manager, the employee may be credited with up to 96 hours of sick leave. Thereafter, employee will accrue sick leave at the normal rate.

A former City of Santa Barbara employee reemployed within one year under Santa Barbara Municipal Code Section 3.16.320 will automatically qualify for the full vacation accrual credit under (i), above, for his or her prior City of Santa Barbara service. However, under no circumstance will prior accrued vacation balances cashed out to the employee upon termination be reinstated.

54. WORK SCHEDULE

- a. The normal work week shall average forty (40) hours. There shall be at least two (2) consecutive days of rest observed after each work week subject to City needs for standby, call back, and overtime. The Department Head shall establish a "regular" schedule for each employee with a start and quit time. Such schedule shall not be changed without forty-eight (48) hours advance notice except in emergencies. City shall provide employees with reasonable "clean-up" time and employees shall be ready to begin work at start time. City agrees that work outside the regularly scheduled work day or work week shall be compensated in accordance with the overtime policy contained herein.
- b. In no case shall an employee's work schedule be altered to avoid the payment of overtime earned as a result of call back after the employee's regular shift, work day, or work weekends.

55. WORKERS' COMPENSATION

- a. The City and the Unit agree that Municipal Code Section 3.08.220 shall be amended to provide that supervisory employees who sustain illness or injury arising out of and in the course of their City employment shall receive benefits equal to those mandated by the State of California plus the difference between State mandated benefits and the equivalent of eighty-five percent (85%) of the individual's gross (excluding O.T.) salary, if any, paid by the City for a maximum of ninety (90) working days.
- b. This section shall apply to any absence due to "industrial" injury or illness which begins on or after July 1, 1979.
- c. This section shall not be construed to grant employees the use of sick leave benefits in lieu of or to supplement workers compensation benefits provided herein or by State law , except as follows:

An employee who returns from an accepted work-related injury or illness to regular duty or modified duty may attend follow-up medical appointments during work hours when it is not possible to arrange such appointments on non-work time. Reasonable advance notice must be

given to the supervisor, which in no event shall be less than 24 hours. Release time is subject to supervisory approval based on operational needs.

Under these conditions, to account for the lost work time to attend physician, physical therapy, chiropractic, counseling and other physical and mental care appointments, the employee may:

1. Use accrued paid leave time (sick leave, vacation time, compensatory time, or personal leave); or
2. Use "industrial leave without pay" if employee has no accrued paid leave time, or
3. If the employee has not reached a permanent and stationary status, the employee may elect to use "industrial leave without pay" if employee does not choose to use accrued paid leave (sick leave, vacation time, compensatory time, or personal leave). However, employees who have reached permanent and stationary status must exhaust available leave balances before being placed on leave without pay.

An employee who has not reached a permanent and stationary status and uses industrial leave without pay may be entitled to "wage loss" under workers' compensation system depending on eligibility.

The City may make changes to its Personnel Policies including, but not limited to, the Santa Barbara Municipal Code to reflect the substance of this Agreement.

56. WORKING OUT OF CLASSIFICATION

a. Out of Classification Work

The City and the Unit agree that it is the intent of departmental management, whenever possible, to avoid working an employee out of classification for a prolonged period of time.

It is further agreed that working an employee out of classification will occur only to meet the work requirements within the City and that such out of classification work will terminate after twenty-five (25) work days in any one calendar year, or if extended beyond twenty-five (25) work days, the employee shall be compensated at the rate of the higher classification while the out of classification work continues subject to the right of employee to waive this provision based upon personal career development.

For purposes of this article, an out of classification assignment is defined as the full-time performance of the significant duties of an authorized, funded, permanent, full-time position in one classification by an employee in a position in another classification. "Significant duties" shall be as defined on the appropriate class specification.

When an employee works out of classification continuously for fifteen (15) working days or more, the City shall place a letter in the employee's personnel file acknowledging the out of classification work.

b. Reclassification Requests

If an employee believes he/she is working out of classification on a regular on-going basis, the employee may:

- a. Request a reclassification from his/her manager in writing. The manager shall respond in writing within ten (10) working days of receipt of the request. The manager may recommend that a classification review be conducted by submitting a written request, approved by the Department Head, to Human Resources.
- b. If the employee is not satisfied with the manager's response, he/she may submit a written reclassification request to his/her Department Head or designee within ten (10) working days of receiving his/her manager's written response. Within twenty (20) working days of receipt of the

employee's written request, the Department Head or designee shall meet with the employee and issue a written response to the employee and the Human Resources Office.

c. If the Department Head's response so requests that a classification review be conducted, Human Resources shall conduct said classification review and shall issue its decision to the employee and the Department Head within forty-five (45) working days of receipt of the request. The decision to request, or not request, a classification review shall be at the Department Head's sole discretion, however the decision will not be arbitrary or capricious."

	CITY OF SANTA BARBARA ADMINISTRATIVE POLICIES:	Policy No. TBA
	9/80 WORK SCHEDULE POLICY	
	Issued by: Barbara Barker, Human Resources Manager	Adopted: 5/8/2007 Updated

PURPOSE:

To set forth the City of Santa Barbara's policy and procedures governing the establishment and administration of an alternate work schedule commonly referred to as "9/80's".

This policy is intended to complement the provisions of the City of Santa Barbara's "FlexWork Policy" and "Child Care Personnel Policies". However, in the event of a conflict between those provisions and this policy, this policy shall control for all purposes.

POLICY:

The 9/80 alternate work schedule may be the standard assigned schedule for a position or work unit, or may be granted, at the employee's request, as an alternative work schedule under the City's FlexWork Program or Childcare Personnel Policies (also called "Family Friendly Policies"). The guidelines set forth in this policy will apply to any employee working a 9/80 schedule.

DEFINITIONS:

1. 9/80 Alternate Work Schedule

The 9/80 alternate work schedule shall consist of eight (8) work days of nine (9) hours and one work day of eight (8) hours for a total of eighty (80) hours during two (2) consecutive work weeks. For non-management employees, the eight (8) hour work day must be on the same day of the week as the employee's regular Flex Day Off (FDO). Under the 9/80 schedule, one calendar (e.g, Saturday-Friday) week shall consist of 44 work hours (four 9-hour days and one 8-hour day) and the alternating calendar week will consist of 36 work hours (four 9-hour days and one day off).

2. Flex Day Off

The Flex Day Off (FDO) shall be an eight (8) hour day and may occur on any day of the week. For non-management employees, the FDO must be the same day of the week as the employee's 8-hour work day that occurs in the preceding and subsequent work weeks (e.g. if the employee's regularly scheduled Flex Day Off is each alternate Friday, then the employee shall be scheduled to work eight hours the preceding and subsequent Fridays).

3. 9/80 FLSA Workweek

Under the Fair Labor Standards Act, the workweek is defined as "a fixed and regularly recurring period of seven consecutive 24-hour periods (168 hours)." When an employee is assigned to a 9/80 schedule, the 9/80 work week begins on the employee's 8 hour day,

9/80 WORK SCHEDULE POLICY

Issued by: Barbara Barker, Human Resources Manager

Adopted: 5/8/2007
Updated

at exactly four (4) hours after the scheduled start time and ends 168 hours later, at the same time on the same day during the following week. This results in 40 straight time hours per FLSA workweek, and 80 straight time hours per pay period.

4. City Pay Period

The City's pay period begins at 12:00 a.m. (midnight) on Saturday, and ends immediately before the same time on Friday two weeks later. This is different than the FLSA work period for an employee on a 9/80 schedule, whose FLSA workweek may span 2 pay periods.

5. Fair Labor Standards Act (FLSA)

The Fair Labor Standards Act is a Federal law that sets minimum wage, overtime pay, equal pay, recordkeeping, and child labor standards for employees that it covers.

6. Non-Exempt Employee

A non-exempt employee is an employee who, because of the type of duties performed, the usual level of decision making authority, and the method of compensation, is subject to the provisions of the Fair Labor Standards Act. Nonexempt employees are generally required to account for all hours worked and must be compensated at not less than time-and-one half at the regular rate for all hours worked over 40 in one FLSA workweek.

APPROVAL:

Scheduling of a 9/80 Work Schedule including the selection of the work days, work times, and the FDO, shall be done by management based on business needs, subject to the requirements of the applicable M.O.U. and/or sideletter governing the 9/80 Work Schedule.

The City and the Unit agree that under certain circumstances, alternative work schedules (9/80, 4/10, and/or modified starting or ending times) may be beneficial to both employees and the City. Employees may request, upon their own initiative, consideration of an alternate schedule and/or FDO based on childcare, alternative commute, school, or other personal issues through the FlexWork Policy or Childcare Personnel Policies.

CHANGES TO SCHEDULE LIMITED:

1. Changing the Flex Day Off

Once the FDO is designated, working on the FDO may incur overtime in one or more FLSA workweeks, therefore working on the FDO or making changes to the FDO requires management approval.

9/80 WORK SCHEDULE POLICY

Issued by: Barbara Barker, Human Resources Manager

Adopted: 5/8/2007
Updated

Temporary changes to the FLSA workweek and/or the FDO to avoid overtime are not permitted.

2. Working on the 8 Hour Day

Once the 9/80 schedule begins, working an alternate schedule on the 8 hour work day may incur overtime liability* in one or more FLSA workweeks. Therefore, altering an employee's schedule on the 8 hour day requires management approval. (*e.g., if an employee scheduled to work from 8-5 comes in 7-4 instead, one work week will incur 1 hour of overtime, and the employee will be short an hour in the next work week and need to use leave balances.)

HOLIDAYS, PERSONAL TIME OFF AND JURY DUTY:

1. Holidays

Employees on a 9/80 work schedule who are eligible for holiday pay will be entitled to the same Holiday pay as employees on a 10/80 (40 hour) work schedule. Holiday pay shall remain at eight (8) hours. When a holiday falls on a regular nine (9) hour workday, the employee shall use one (1) hour of personal accrued leave time (vacation, personal leave, or comp time) to make up the ninth hour.

When the holiday is observed on the employee's FDO, the employee will accrue an additional 8-hour holiday day off. If required under the applicable M.O.U., such day off shall be taken within thirty (30) calendar days or shall be compensated at straight pay after the 30th day.

2. Personal Leave and Bereavement Leave

Employees on a 9/80 work schedule who are eligible for personal and/or bereavement leave will be entitled to the same Personal Leave and/or Bereavement pay as employees on a 10/80 (40 hour) work schedule. Personal Leave and Bereavement pay are granted to full-time employees in amounts equivalent to 8 hour days (e.g., the employee will be eligible for a total of up to 32 hours of personal leave and up to 40 total hours of bereavement leave). Personal Leave and Bereavement pay are charged at nine (9) hours for time taken on a scheduled nine hour day and (8) hours for time taken on a scheduled eight hour day.

3. Vacation, Sick, Compensatory Time, PTO, etc.

Time off from work using accrued vacation, sick, PTO, or other paid leave banks will be charged at nine (9) hours for time taken on a scheduled nine hour day. Time off from work on the eight (8) hour work day will be charged at eight (8) hours.

9/80 WORK SCHEDULE POLICY

Issued by: Barbara Barker, Human Resources Manager

Adopted: 5/8/2007
Updated

4. Jury Duty

An employee shall not be entitled to jury duty pay, or to overtime pay or compensatory time off for jury duty on the FDO. However, an employee on an absence exceeding one week for jury duty, military duty, etc. may request to temporarily switch back to a regular 10/80 schedule. The transition guidelines below will apply to approval of such request to transition to the 40-hour schedule (Section F2, below) or back from the 40-hour schedule (Section F1, below).

OVERTIME:

1. Overtime Earned

When an overtime-eligible employee is on a 9/80 work schedule, overtime for hours exceeding 40 in a workweek, both under the FLSA and as provided under any applicable M.O.U., will be based on the FLSA workweek. In other words, employees who are eligible for overtime shall receive overtime pay or compensatory time off for hours worked in excess of 36 or 44 hours in their respective scheduled (e.g., Sunday-Friday) calendar workweek.

Employees may also be eligible for overtime or compensatory time for other hours in excess of the regular 9/80 work schedule, as provided under the applicable M.O.U.

2. Overtime Paid

The 9/80 FLSA workweeks will not generally correspond with the City's pay periods. Therefore, where adjustments to overtime compensation cannot be calculated until the completion of the employee's workweek (e.g., when they occur in the last half of the 8 hour day), a one pay period's delay in the employee receiving the additional compensation may occur.

9/80 WORK SCHEDULE POLICY

Issued by: Barbara Barker, Human Resources Manager

TRANSITIONING TO OR FROM A 9/80 WORK SCHEDULE

When an employee transitions from a 10/80, 4/10, or other 40-hour per week work schedule to a 9/80 work schedule, there will be a change to the beginning of the FLSA workweek. This results in a situation in which 4 hours fall in both the old workweek and the new workweek. The following procedures are designed to avoid an overtime obligation during this change. Any deviation from these procedures must be approved in advance by management.

1. Transitioning to a 9/80 Work Schedule

For a non-management employee, the transition to a 9/80 work schedule will be set to begin during a 36-hour calendar workweek, when an FDO occurs. Four hours in the new FLSA workweek will overlap with the prior 40 hour calendar work week, but because the following calendar week will contain 36 hours, this will result in 40 hours of straight time in the first new FLSA work week.

2. Transitioning to a normal 40 hour Work Schedule

For a non-management employee, the transition back to a normal 40-hour work week (e.g. "10/80" or "4/10") from a 9/80 work schedule will be set to begin the week following a 36-hour calendar work week. This will result in 40 hours of straight time in both the prior FLSA 9/80 work week and the new regular FLSA calendar work week.

While this change will not lead to overtime, this will result in the employee working only 72 hours in the pay period in which the change occurs. Employees must use 4 hours from their available leave banks to make up this time not worked. [To avoid this result, management would need to approve the employee to work an additional 4 hours during that pay period, recognizing that those hours will be paid at the overtime rate.]

APPENDIX B : SUPERVISORY PERFORMANCE EVALUATION

1. Performance Evaluation Form: Beginning with the September 2009 evaluation process, supervisors will be evaluated using the Supervisory Evaluation Form, attached hereto as **“Attachment A”**.

2. Timing of Performance Evaluations:

 - i. Employees in a position for six (6) months or more, but less than 12 months, as of September 15th will receive a prorated merit increase if they meet the qualifications for a merit increase. [Example: 9 months/12 months x 5% = 3.75% merit increase for 9 months service.]
 - ii. Employees in a position less than six (6) months as of September 15th will receive a formal evaluation and may qualify for a merit increase at the subsequent September 15th review date. [Example: 15 months/12 months x 5% = 6.25% merit increase for 15 months service.]
 - iii. An exception to the method outlined in B(ii) of this section will be made where an employee is appointed or promoted directly to the "D" (4th) salary step for the new classification. In this case, the supervisor in the new position less than six (6) months as of September 15th will receive an evaluation and be eligible for a merit increase (if the supervisor meets the qualification for merit increase standards) at the conclusion of one year in that position. That individual will not have to wait until the following September.

5. Exemplary Pay Plan

For the term of the Agreement the incentive program based on performance, attached hereto as "**Attachment B**", is suspended. This program provided lump sum bonus payments based upon the employee's total performance score. The Unit reserves the right, however, to raise the issue of an Exemplary Pay Plan or other merit-based pay programs as part of future regular labor negotiations.

SECTION 7: OVERALL PERFORMANCE RATING

In developing the overall rating for the past year, the Evaluator may consider factors such as the relative importance of each job responsibility to success, the amount of time the employee has been in the job, the amount of training he/she has had, the type and complexity of duties he/she has been assigned, and the pace and complexity of the work environment.

Exceptional

Used sparingly, this overall rating is for special recognition of a breakthrough to a new higher level of accomplishment and/or unexpectedly superior performance on a special or emergency project or assignment.

Successful

The employee's overall performance, during this review period **meets and/or exceeds** expectations and performance standards. Performance is within the expected scope and is indicative of a competent employee in this classification. It is expected that employees who are performing both at and above expectations will receive this rating.

Needs Improvement

The employee's overall performance, during this review period, has been **below the expected level**. The employee must take steps to correct identified deficiencies. For an overall rating of "Needs Improvement" or below, supervisor and employee should **develop a Performance Improvement Plan** ("PIP") or other corrective plan.

Unacceptable

On an overall basis the employee has, during this review period, performed in a manner **significantly below the level to be expected** considering the employee's previous experience, time in the classification and the employee's assigned duties and responsibilities. It appears to be reasonably certain that the employee is **unable (or unwilling)** to perform successfully.

APPENDIX D: FAMILY FRIENDLY PERSONNEL POLICIES

CITY OF SANTA BARBARA

FAMILY FRIENDLY PERSONNEL POLICIES

February 20, 1990

Note: A leave or reduced schedule approved under one of these policies runs concurrently with any applicable leave entitlements under the FMLA/CFRA Family and Medical Leave Policy.

CONTENTS

1. **Maternity Leave Policy**
2. **Parental Leave Policy**
3. **Flexible Leave Policy**
4. **Alternative Work Schedules**
5. **Job Sharing**
6. **Part-time Work**
7. **At-home Work**

1. MATERNITY LEAVE (medical leave)

The City of Santa Barbara is committed to providing time off from work, so far as possible, to employees during pregnancy and following childbirth.

Maternity leave requests, including both medical and non-medical components (see section on Parental leave for information regarding non-medical leave), must be submitted to the City Administrator via the Department Head at least 30 days in advance. The requirement for 30 days advance notice may be waived when warranted by unexpected medical circumstances. Pursuant to state law, maternity leaves for medical reasons will be granted for up to four (4) months and may be extended up to a maximum of one (1) year subject to the operational needs of the department as determined by the Department Head. All medical leaves must be verified by a doctor's certificate of disability.

When an employee is physically disabled from work due to pregnancy or following childbirth, the employee will obtain a doctor's certificate of disability indicating the dates when the employee will be physically unable to work. When physically disabled, the employee may use sick leave or other paid leave. An employee disabled due to pregnancy or childbirth may request an unpaid leave of absence for medical reasons once her sick leave and other paid leave balances total less than forty (40) hours. A doctor's note listing the dates of the disability must be submitted with the medical leave request. Any leave of absence greater than 7 days must be approved in advance by the City Administrator.

The City will coordinate an employee's use of State Disability Insurance (SDI) with City paid leave which allows employees on maternity leave and covered by SDI to extend the use of their paid leave time.

When an employee is on medical leave of absence due to pregnancy, the City will continue to pay the employer portion of the insurance for the first ninety (90) days of the medical leave of absence. Thereafter, an employee will have to pay both the employer and the employee portions of her insurance.

2. PARENTAL LEAVE (all employees, non-medical leave)

The City recognizes that after the birth or adoption of a child, it is important for a parent to be with his or her child. As a result, the City encourages Department Heads to accommodate requests for parental leaves to care for a newborn or newly adopted child.

Parental leaves shall be with pay if the employee has leave balances of vacation, personal leave, or compensatory time. An employee may request a parental leave of absence without pay when the employee's paid leave balances total less than forty (40) hours (see section on Maternity Leave for information regarding medical leave related to pregnancy and childbirth).

Parental leave requests must be submitted to the City Administrator via the Department Head at least 30 days in advance. When requested, parental leaves will be approved for a length of time sufficient to provide the employee a minimum of one (1) month absence from work. Any medical leave related to pregnancy and child birth (maternity leave) will not be counted in the minimum one (1) month. The scheduling of parental leave is subject to the approval of both the City Administrator and Department Head based on the operational needs of the department. Extension of the parental leave of absence may be granted, subject to the approval of the City Administrator, via the Department Head. The total duration of the combined medical and parental leaves of absence cannot exceed one year.

Employees are encouraged to discuss their time off needs with their supervisors as early as possible. Employees are also encouraged to save their vacation, personal leave, and compensatory time for use during a parental leave. Temporary waivers of the minimum annual vacation use and maximum vacation accrual will be considered to assist prospective parents in building their leave banks.

While on parental leave of absence without pay, an employee will have to pay both the employer and employee portions of his or her insurance.

3. FLEXIBLE LEAVE POLICY (All Employees)

Employees may use accrued personal leave, vacation, comp time, to respond to emergency needs for spouse or dependent*, such as illness, child care or elder care. The employee shall notify his/her supervisor immediately of the nature of the emergency. Approval for leaves under this policy shall not be unreasonably withheld. Advance approval for spouse or dependent illness is not required.

* For purposes of this policy, a dependent is one who is a dependent pursuant to IRS regulations.

4. ALTERNATIVE WORK SCHEDULES (All employees)

The City believes that alternative work schedules are viable options to meet personal needs in areas such as child care and transportation where such schedules continue to meet the operational needs of the department.

Individual employees may request alternative work schedules which meet their personal needs and the operational requirements of the department. Alternative schedules may be different daily work hours or a different work week. Approval for reasonable alternative work schedules is subject to the operational needs of the department as determined by the Department Head. The continuation of such schedules shall be subject to Department Head review with reasonable input from affected employees.

5. JOB SHARING (All Employees)

The City recognizes that job-sharing may facilitate the balancing of employees' personal needs with their job responsibilities. As a result, the City encourages Department Heads to attempt to accommodate requests for job-sharing subject to the operational needs of the department as determined by the Department Head.

An employee may request that his/her full-time position be redefined as a job-sharing position to be filled by two permanent part-time employees. Requests for job sharing positions shall be submitted to the Department Head and require final approval by the City Administrator and City Council.

Job sharing positions may be discontinued at the discretion of the Department Head, with 30 days notice to affected employees.

6. PART-TIME WORK (All employees)

An employee may request to work on a part-time basis. A request to work part-time for a limited duration is subject to the operational needs of the department as determined by the Department Head. The Department Head may grant part-time assignments of limited duration. Extensions of part-time assignments will be considered upon employee request.

All part-time assignments may be periodically reconsidered by the Department Head. If the Department Head determines additional hours are required in the position, the employee will be given thirty days notice of the requirement to work increased hours.

Part-time assignments must be a minimum of 20 hours per week. Part-time regular employees receive fully paid insurance benefits and paid leave benefits prorated based on the number of hours worked.

To change an employee from full-time to part-time status requires a Personnel Action Form (PAF) and notification to the Personnel Office.

7. AT-HOME WORK (All employees)

With prior approval of the Department Head and review by Risk Management, an employee may request to work at home on a limited-term basis. All requests will be subject to the operational needs of the department as determined by the Department Head. Increased City liability including safety and workers' compensation issues will be closely reviewed prior to granting at-home work requests.

Requests for work schedules which include working at home for part of the regular work week may be submitted to the Department Head. Authorization for such schedules for either a predetermined or indefinite length of time will be made based on the following criteria:

- a) the operational needs of the department work site must be met adequately;
- b) the job duties must be such that work can be accomplished at home;
- c) proper equipment and supplies necessary to the job assignment can be provided at reasonable cost;
- d) sufficient measures of productivity can be determined;
- e) efficient and effective methods can be established for supervisory review of work assignments;
- f) the employee can be contacted at home during predetermined work hours.

Plans for meeting each of these criteria should be submitted in writing to the Department Head for evaluation. Once approved, at-home work schedules are subject to periodic review and may be discontinued at the discretion of the Department Head, with fourteen (14) days notice to the employee.

**APPENDIX E
HOLIDAY CLOSURE PLAN
SUPERVISORS**

STATEMENT OF PURPOSE:

Demand for City services traditionally drops dramatically during the week between the Christmas Holiday and the New Year's Day Holiday. As a productivity and cost-saving measure, the City of Santa Barbara may elect to close non-essential offices to the public around and including the period between the two holidays.

The City reserves the right to cancel the Holiday Closure, and/or to call some or all available employees back to work in the event of a crisis or emergency.

EFFECT ON EMPLOYEES:

Employees in operations that close for the holiday closure period will have several options for their normal workdays. They may:

- 1) **Take accrued paid leave.** Employees may use accrued leave from their vacation, personal leave, or compensatory time balances.
- 2) **Take voluntary leave without pay.** Employees prefer leave without pay for all or part of the time may have the portion of time they were on unpaid leave spread over the remaining pay periods paid in the fiscal year, beginning the first pay period in which the unpaid leave is taken. As with all unpaid leaves of absence, some benefits (such as paid time off and retirement contributions) will not accrue during the unpaid leave. However, the Holiday Closure will not affect monthly health, life or disability insurance premium contributions.

Employees who opt to spread leave without pay over the remaining pay periods in the fiscal year, will be required to reimburse the City upon termination of employment if the full value of the time off has not been recouped.

- 3) **Work.** Employees are encouraged to take the time off. However, employees may choose to work one or more days during the Holiday Closure.

Work assignments during the Holiday Closure period may or may not fall within the employee's normal job duties, hours, or location. If an employee does not intend to work all scheduled days during the Holiday Closure, the Department Head may choose which days the employee will work. Employees who wish to work during the Holiday Closure must advise their Manager no later than November 15th.

In order to ensure adequate supervision of non-supervisory employees who choose to work, some supervisors may be required to work during the closure. However, management will make reasonable efforts to allow those supervisors who wish to take time off to be able to do so.
