

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, <https://www.aetna.com/sbcsearch/getpolicydocs?u=072400-100020-201773> or by calling 1-800-370-4526. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-370-4526 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: EE Only \$2,500; EE+ Family: Individual \$2,700/ Family \$5,000. Out-of-Network: EE Only \$3,000; EE+ Family: Individual \$3,000 / Family \$6,000.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. In-network <u>preventive care</u> is covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your deductible. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	In-Network: EE Only \$3,275; EE+ Family: Individual \$3,275 / Family \$6,550. Out-of-Network: EE Only \$4,500; EE+ Family: Individual \$4,500 / Family \$9,000.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Premiums, <u>balance-billing</u> charges, health care this plan doesn't cover & penalties for failure to obtain <u>pre-authorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.aetna.com/docfind or call 1-800-370-4526 for a list of in-network providers.	This plan uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your plan pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

<p>Is a Health Savings Account (HSA) available under this <u>plan option</u>?</p>	<p>Yes</p>	<p>An HSA is an account that may be set up by you or your employer to help you plan for current and future health care costs. You may make contributions to the HSA up to a maximum amount set by the IRS. Any earnings on your contributions grow tax free and any withdrawals you make for eligible medical expenses are also tax free. Contact your employer or call the Customer Service number on your ID Card for more information.</p>
<p>How is the overall <u>deductible</u> or <u>out-of-pocket limit</u> met?</p>	<p>Individual <u>deductible</u> and <u>out-of-pocket limit</u> payments apply to the family <u>deductible</u> and <u>out-of-pocket limit</u>.</p>	<p>The family <u>deductible</u> and family <u>out-of-pocket limit</u> are cumulative for all family members. The family <u>deductible</u> and <u>out-of-pocket limit</u> can be met by a combination of family members; however no single individual within the family will be subject to more than the individual <u>deductible</u> or <u>out-of-pocket limit</u> amount.</p>

How your out-of-network care is reimbursed:

We cover the cost of services based on whether doctors are “in-network” or “out-of-network.” We want to help you understand how much Aetna pays for your out-of-network care. At the same time, we want to make it clear how much more you will need to pay for this "out-of-network" care.

You may choose a provider (doctor or hospital) in our network. You may choose to visit an out-of-network provider. If you choose a doctor who is out-of-network, your Aetna health plan may pay some of that doctor's bill. Most of the time, you will pay a lot more money out of your own pocket if you choose to use an out-of-network doctor or hospital.

When you choose out-of-network care, Aetna limits the amount it will pay. This limit is called the "recognized" or "allowed" amount.

Professional Services: 105% of Medicare

Facility Services: 140% of Medicare

Supplemental Information

Coverage for: EE Only; EE+Family | **Plan Type:** POS

Your doctor sets his or her own rate to charge you. It may be higher -- sometimes much higher -- than what your Aetna **plan** "recognizes." Your doctor may bill you for the dollar amount that your **plan** doesn't "recognize." You must also pay any **copayments**, **coinsurance** and **deductibles** under your **plan**. No dollar amount above the "recognized charge" counts toward your **deductible** or **out-of-pocket limit**. To learn more about how we pay out-of-network benefits, visit www.aetna.com. Type "how Aetna pays" in the search box.

You can avoid these extra costs by getting your care from Aetna's **network** of health care **providers**. Go to www.aetna.com and click on "Find a Doctor" on the left side of the page. If you are already a member, sign on to your Aetna Navigator® member site.

This applies when you *choose* to get care out-of-network. When you have no choice (for example: emergency room visit after a car accident or for other **emergency services**), we will pay the bill as if you got care in-network. You pay cost sharing and **deductibles** for your in-network level of benefits. Contact Aetna if your health care **provider** asks you to pay more. You are not responsible for any outstanding **balance billed** by your **providers** for **emergency services** beyond your cost sharing and **deductibles**.

Aetna receives rebates from drug manufacturers that may be taken into account in determining Aetna's Preferred Drug List. Rebates do not reduce the amount a member pays the pharmacy for covered prescriptions. Aetna Rx Home Delivery refers to Aetna Rx Home Delivery, LLC, a licensed pharmacy subsidiary of Aetna Inc., that operates through mail order. The charges that Aetna negotiates with Aetna Rx Home Delivery may be higher than the cost they pay for the drugs and the cost of the mail order pharmacy services they provide. For these purposes, the pharmacy's cost of purchasing drugs takes into account discounts, credits and other amounts that they may receive from wholesalers, manufacturers, suppliers and distributors.

In case of emergency, call 911 or your local emergency hotline, or go directly to an emergency care facility.
