### Successor Agency to the Redevelopment Agency of the City of Santa Barbara Real Estate Services for the Calle Cesar Chavez Properties Release Date: October 15, 2015

#### Background

The Redevelopment Agency of the City of Santa Barbara acquired the properties from Spumoni Holding Company in April 2001 at a cost of \$2,872,815. The site consists of four parcels totaling approximately 2.4 acres. A map of the property can be found as Exhibit 1.

Historically, the site was owned by Union Pacific Railroad and occupied by light industrial uses including car salvage, auto repair, drum storage, and the storage of above ground storage tanks. Consequently, the site has a number of areas with the presence of heavy petroleum hydrocarbons in the upper two feet of soil. Remediation efforts would be required if a development required significant soil disturbance. One of the four parcels is encumbered with the requirement to provide 20 parking spaces to serve be Casa Esperanza Homeless Shelter in accordance with the Casa Esperanza Conditional Use Permit. More information on the property can be found in the Long Range Property Management Plan report at the following website under the *Calle Cesar Chavez Report* header:

<http://www.santabarbaraca.gov/gov/brdcomm/nz/oversight/agendas.asp>

The Calle Cesar Chavez Report also includes the following attachments: Limited Soil and Groundwater Assessment – June 19, 2000; Evaluation of Wetland Status and Regulatory Constraints – June 2000; Update of Previous Biological Resource Report for a Drainage on Parcel 017-113-030 Near Calle Cesar Chavez – June 2006; and Phase I Archaeological Resource Survey – April 28, 2007.

Since acquisition by the former Redevelopment Agency, there have been no formal plans to develop the property.

## EXHIBIT 2 CONT. – NONDISCRIMINATORY EMPLOYMENT CERTIFICATE

### Santa Barbara Municipal Code § 9.126.020

#### A. Certificate Generally

Consistent with a policy of nondiscrimination in employment on contracts of the City of Santa Barbara and in furtherance of the provisions of Section 1735 and 1777.6 of the California Labor Code a "contractor's obligation for nondiscriminatory employment certificate" as hereinafter set forth shall be attached and incorporated by reference as an indispensable and integral term of all bid specifications and contracts of the City for purchases, services, and the construction, repair, or improvement of public works.

#### B. Contents of Certificate

The Contractor's obligation for nondiscriminatory employment is as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, ancestry, sexual orientation, political affiliation or beliefs, sex, age, physical handicap, medical condition, marital status or pregnancy (as those terms are defined by the California Fair Employment and Housing Act -- Government Code Section 12900-12996), except where such discrimination is based on a bona fide occupational qualification. The Contractor will take positive action or ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, national origin, ancestry, sexual orientation, political affiliation or beliefs, sex, age, physical handicap, medical condition, marital status or pregnancy (as those terms are defined by the California Fair Employment and Housing Act -- Government Code Section 12900-12996), except where such discrimination is based on a bona fide occupational qualification. Such action shall include but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this nondiscrimination clause.
2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, national origin, ancestry, sexual orientation, political affiliation or beliefs, sex, age, physical handicap, medical condition, marital status or pregnancy (as those terms are defined by the California Fair Employment and Housing Act -- Government Code Section 12900-12996), except where such discrimination is based on a bona fide occupational qualification.
3. The Contractor will send to each labor union or representative of workers, with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the City advising the said labor union or workers' representative of the Contractor's commitments under this provision, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The Contractor will permit access to his records of employment, employment advertisements, application forms, and other pertinent data and records by the City, the Fair Employment Practices Commission, or any other appropriate agency of the State designated by the City for the purposes of investigation to ascertain compliance with the Contractor's Obligation for

Nondiscriminatory Employment provisions of this contract, or Fair Employment Practices statute.

5. A finding of willful violation of the nondiscriminatory employment practices article of this contract or of the Fair Employment Practices Act shall be regarded by the City as a basis for determining that as to future contracts for which the Contractor may submit bids, the Contractor is a "disqualified bidder" for being "nonresponsible". The City shall deem a finding of willful violation of the Fair Employment Practices Act to have occurred upon receipt of written notice from the Fair Employment Practices Commission that it has investigated and determined that the Contractor has violated the Fair Employment Practices Act and has issued an order under Labor Code Section 1426 or obtained an injunction under Labor Code Section 1429.

Upon receipt of any such written notice, the City shall notify the Contractor that unless he demonstrates to the satisfaction of the City within a stated period that the violation has been corrected, he shall be declared a "disqualified bidder" until such time as the Contractor can demonstrate that he has implemented remedial measures, satisfactory to the City, to eliminate the discriminatory employment practices which constituted the violation found by the Fair Employment Practices Commission.

6. Upon receipt from any person of a complaint of alleged discrimination under any City contract, the City Administrator shall ascertain whether probable cause for such complaint exists. If probable cause for the complaint is found, the City Administrator shall request the City Council to hold a public hearing to determine the existence of a discriminatory practice in violation of this contract.

  - d. The Contractor shall notify the City of opposition to the nondiscrimination provision by individuals, firms or organizations during the period of this contract.
8. Nothing contained in this Contractor's Obligation for Nondiscriminatory Employment Certificate shall be construed in any manner to prevent the City from pursuing any other remedies that may be available at law.
