

CREEK TREE PROGRAM APPLICATION

Program Summary: The City Creeks Division is sponsoring a program to plant riparian trees on private parcels that border creeks within the City of Santa Barbara. The program goal is to create a native riparian tree canopy along local creeks to improve riparian and aquatic wildlife habitat. Participation in this program is voluntary. The guidelines for the program are attached.

Application Process: (1) Read the attached guidelines, (2) If interested, fill out and sign the application form, (3) Submit the application form to the Creeks Division for review, (4) Creeks Division staff will schedule a site visit (within 2-3 weeks) to meet with you and review your property for program eligibility. (5) If your parcel is eligible for participation in the Program, an agreement will be drafted and must be signed before the creek tree planting project can occur.

Name: _____
