

Cruzito Herrera Cruz

Hello. Blessings. My name is Cruzito Herrera Cruz y es esto es mi declaracion politica por La Comunidad de Sta. Barbara.

My political declaration to enter the electoral election for the Municipality of the City of Sta. Barbara stems from the notion of "equalitarianism" and the principle that all Santa Barbarians are born equal.

The current state of civic-affairs is that "our local polity" has unequal standing in terms of political power and political influence.

Therefore, Sta. Barbarians are governed and consented to constitutional principles under California Article II Section 1. All political power is inherent in the People. Government is instituted for their protection, security, and benefit, and WE have the right to reform it or alter it when the public good may require of it, THUS, Section 2 of said Article I gives you, gives me, the ability to vote. Us, we get the entitlement to vote through that.

Our right to Vote stems from the belief that Womankind and Mankind are socially & politically equal. Each individual vote is to be counted as one because our civic trait is seen to exist that all people require that they be treated equally. All people should be treated with the same consideration, same concern, and same service under our laws!

Whereas, each person will receive equal treatment under our laws. Equal opportunity for such things as education, development of capacities, and fulfillment of Santa Barbara's political needs and neighborhood wishes through the future implementation of "District-Based Elections" as per the California Elections Code Section § 14,026(3)(b). This would provide "Transparency and Accountability" for all Sta. Barbara Voters.

God Bless Santa Barbarians. Pray to earn YOUR Vote. Vote for Cruzito Herrera Cruz, November 8, 2011 for the Municipality City Council seat. Thank you. Thanks Mom!
