COASTAL DEVELOPMENT PERMIT APPLICATION

Coastal Development Permit Application

Note:

- **For additional submittal requirements**, please obtain the following: (1) [Master Application](#), (2) [Development Application Review Team \(DART\) Submittal Packet](#), (3) [Planning Commission & Staff Hearing Officer Submittal Cover Sheet](#), and (4) [On-Site Posting Instructions](#)
- **Questions** regarding application submittal content and process can be answered at the Planning and Zoning counter at 630 Garden Street, or (805) 564-5578.
- **Research:** It is important that you research the project site prior to submitting an application. Resources such as the Santa Barbara Municipal Code (SBMC), handouts, guidelines, Street and Planning Files (a.k.a. LDT Record Archives), parcel and case information can be found online via links on our “Planning Central” page at <http://www.santabarbaraca.gov/Resident/planning>.
 - **Zoning Ordinance:** *Please note that Title 30 is not in effect within the Coastal Zone until it is certified by the California Coastal Commission (tentatively expected in late 2018/early 2019).* When developing your proposal, **ALWAYS** refer to the Zoning Ordinance (Title 28 of the SBMC) for the most complete information. As a rule of thumb we recommend that the following sections be reviewed carefully for additional information: Definitions (SBMC §28.04), General Provisions (SBMC §28.87), and the Automobile Parking Requirements (SBMC §28.90). The Zoning Ordinance may be purchased at the City Clerk’s Office at City Hall (735 Anacapa Street, or (805) 564-5309).
 - **Records:** The history of the property needs to be researched. Street and Planning files, and archived plans are located at the Records and Archives counter (630 Garden Street or (805) 564-5554). Please note that requests to view archived plans are on an appointment basis. Street and Planning files can be viewed online via the [“Planning Central”](#) webpage.
 - **Unpermitted Work:** Please note that outstanding violations identified in pending enforcement cases and Zoning Information Reports must be addressed as part of your application.
- **Please be advised** that all submittal materials (including plans) are subject to the **Public Records Act** and may be reproduced for the public without agent/owner authorization.
