

Save Money on Your Utility Bill

The City of Santa Barbara has a variety of **FREE** programs and incentives to help Business Customers save money on their utility bills.

Water Resources Division:

- **Update your landscape and save!**
Rebate of up to \$2,000 per account (max \$4,000 per site) for irrigation equipment, water-wise plants, mulch, and more!
- **Schedule a consultation with our staff to upgrade your water appliances and fixtures!**
Make an appointment for a full-site water use survey. Identify outdated appliances and learn about more water efficient models. Monetary incentives up to \$15,000 may be available for recommended upgrades.

Contact Water Conservation at (805) 564-5460 or [click here](#) for more information.

Trash & Recycling (Environmental Services Division):

- **Don't pay for empty space!**
Schedule a waste audit by one of our staff so that your service amounts accurately reflect your needs.
- **Add or increase recycling, greenwaste, and foodscraps service at half the cost of trash.**
Schedule staff trainings in English or Spanish on how to properly sort out materials. We can provide you with posters, brochures, and onsite presentations to best prepare your staff.

Contact City Trash & Recycling by calling (805) 564-5631 or email Hillary Allen at HAllen@SantaBarbaraCA.gov.
