

ORDINANCE NO. 5814

AN ORDINANCE OF THE COUNCIL OF THE CITY OF SANTA BARBARA AMENDING SANTA BARBARA MUNICIPAL CODE SECTION 30.185.250 AND SUBSEQUENTLY REPEALING SANTA BARBARA MUNICIPAL CODE CHAPTER 28.80, SECTION 30.185.250 AND ORDINANCE NOS. 5526 AND 5551

THE CITY COUNCIL OF THE CITY OF SANTA BARBARA DOES ORDAIN AS FOLLOWS:

SECTION 1. Ordinance No. 5526 authorizes up to three medical cannabis storefront collective dispensaries to operate within the City at any one time, and establishes regulations for operation of these dispensaries under a “collective” or “cooperative” model. This collective style of operation was required under the laws relating to the Compassionate Use Act and Medical Marijuana Program Act when the ordinance was enacted, because at that time it was illegal to sell cannabis. Currently, with the passage and adoption of MCRSA and AUMA (subsequently consolidated by MAUCRSA) the prohibition against the sale of cannabis and other commercial cannabis related activities has been lifted. The City’s current requirement that dispensaries operate under a collective model is outdated and conflicts in part with the new laws established under MAUCRSA. The proposed amendment would remove the collective model of operation, and would additionally allow cultivation of cannabis to occur outside the Tri-Counties area so that the dispensaries can more easily comply with the new state laws requiring that cannabis be purchased by a state licensed manufacturer and cultivator.

Additionally, even as amended Ordinance No. 5526 will does not contain the robust and detailed regulations implemented by the State of California under the Medicinal and Adult-Use Cannabis Regulation and Safety Act and, if adopted, the City of Santa Barbara’s Commercial Cannabis Business Ordinance. For that reason, subsequent to the amendments, Ordinance No. 5526 will be hereby repealed and the dispensaries that currently hold an issued medical marijuana storefront dispensary permit may continue to operate as a legal non-conforming use. The non-conforming dispensaries would be subject to the operational provisions as amended herein, and the new State licensing requirements and regulations.

SECTION 2. Ordinance No. 5526, is hereby amended as follows:

Section 30.185.250 Medical Cannabis Dispensaries.

A. **Purpose and Intent.** It is the purpose and intent of this Chapter to regulate the storefront distribution of medical marijuana in order to ensure the health, safety, and welfare of the residents of the City of Santa Barbara. The regulations in this Chapter, in compliance with the State Compassionate Use Act of 1996, the State Medical Marijuana Program Act (“the SB 420 statutes”), and the Medicinal and Adult-Use of Cannabis Regulation and Safety Act (“MAUCRSA”) (S.B. 94, as amended by A.B. 133), are not

intended and do not interfere with a patient's right to use medical marijuana as authorized under the Compassionate Use Act or the SB 420 statutes, nor do they criminalize the possession or cultivation of medical marijuana by specifically defined classifications of persons, as authorized under Therefore, medical marijuana dispensaries within the City which choose to operate storefront dispensary locations must comply with all provisions of the Santa Barbara Municipal Code ("SBMC") for obtaining a permit for the storefront dispensary as well as complying with MAUCRSA, and all other applicable local and state laws. Nothing in this Chapter purports to permit activities that are otherwise illegal under federal, state, or local laws.

To the extent any challenges pertaining to the enforceability or validity of all or a portion of this ordinance are raised upon its adoption and enactment, Ordinance No. 5774 shall remain in effect as to the challenged provisions.
