Anacapa Street Pavement Repairs

SANTA BARBARA, CA – March 26, 2018

City Streets Operations crews plan to make much-needed pavement repairs on Anacapa Street between Anapamu and Carrillo Streets during the week of April 2nd, weather dependent.

One lane of traffic will be maintained on Anacapa Street, but vehicular and pedestrian cross traffic on Figueroa Street will be closed for one day to make repairs to the west side of the intersection. Working hours are 7 a.m. to 5 p.m.

Drivers should expect delays and use an alternate route, as appropriate. The work is expected to take two days to complete. Sidewalks and City parking garages/lots will remain open.
