Project Name: De La Guerra Street Bridge Over Mission Creek Replacement Project

Contact Information:

City Project Manager: Jim Colton, P.E.

Phone: (805) 564-5537

E-mail: JColton@SantaBarbaraCA.gov

Project Description:

The bridge is located on De La Guerra Street between Castillo and Bath Streets. The project will involve replacement of the existing structurally deficient bridge with a new structure which will also improve hydraulic conveyance of Mission Creek as discussed in the Army Corps of Engineers, Lower Mission Creek EIR/EIS.

Project Progress:

Caltrans has reviewed the City's request for funding of this structurally deficient bridge. Funding was approved and has been earmarked in Caltrans's HBP Project Summary Report. The City has been granted authorization for design of this project. Final design is scheduled to be completed Summer of 2015. Pending design, right of way, and construction funding authorizations, this project is scheduled to go out to bid Fall 2015 with construction Spring 2016.

Current Schedule:

Construction Start: Spring 2016

Duration of construction: 14 months

Estimated Project Cost: \$6,200,000
