Legend

- Arts section front row spaces
- Crafts section spaces

The Santa Barbara Arts and Crafts Show has been a tradition since 1965. Residents and visitors are able to interact with the artist that personally hand-crafted each of the items on display.

All show members live in Santa Barbara county and may not have their items produced in a commercial facility.

The Arts section features decorative non-functional items such as paintings, sculpture and photography. The crafts section may include functional items such as dishes, jewelry, and clothing in addition to decorative arts.

Artists interested in joining the show should contact the City of Santa Barbara Parks and Recreation Department at 805-560-7557 for more information.
