The City of Santa Barbara will hold a Needs Assessment Public Hearing in preparation of its 5-Year Consolidated Plan (CP). The CP is a 5-year planning document which identifies the City's housing and community development needs, issues and resources. Once completed, the CP will help the City determine strategies to address those identified needs using Community Development Block Grant (CDBG) and HOME funds. The public and interested stakeholders are invited to attend.

The hearing will be held before the City's Community Development and Human Services Committee (CDHSC) Tuesday, September 23 at 6 p.m. in the David Gebhard Public Meeting Room, 630 Garden St.

The draft CP will be prepared in early 2015, will be available for public comment, and submitted to the Department of Housing and Urban Development (HUD), which administers the CDBG and HOME programs, no later than May 15, 2015.
