

MISSION CREEK MARKER MADNESS

Before

~1500 storm drains
in the City of Santa Barbara lead
directly to our creeks and ocean!

To remind our community of this
important connection, we will be
replacing old storm drain markers
with new, more durable ones.

After

Saturday, January 31, 2015

9am-11am and 11am-1pm

Come volunteer for
2 or 4 hours!

The mission of the Watershed Stewards Program (WSP) is to conserve, restore, and enhance anadromous watersheds for future generations by linking education with high-quality scientific practices. A program of the California Conservation Corps, the Watershed Stewards Program (WSP) is on the most productive programs for future employment in natural resources. WSP is administered by California Volunteers and sponsored by the Corporation for National and Community Service.
