

Enki eBooks for Android Devices

What you need:

- A valid library card number
- An Android device
- An OverDrive account or Adobe ID/password

Step 1: Install OverDrive or Bluefire Reader

Option 1 (*recommended*) Search for OverDrive in the Google Play Store and Install the app on your device. Follow the prompt to create an OverDrive account.

Option 2) Search for **Bluefire Reader** in the Google Play Store and **Install** the app on your device. When the app installs, enter your Adobe ID/password and tap Authorize. If you don't have an Adobe ID, tap the link to create one for free and then authorize Bluefire Reader.

Step 2: Search & Download

Using the browser that came with your Android device, go to enkilibrary.org. From the menu on the right, select **Black Gold Cooperative Library System**, enter your library card number, and tap the login button.

Enter a title or author in the search box, or use the Advanced Search option to narrow results by subject, language, etc. If there are no available copies of the title you want, tap **Place Hold**. You will be notified by email when the book is available.

If copies are available, Available Online will appear. Tap the **Checkout** button below the cover of the book you want to borrow.

Login to view your account.

Checked Out

Title	Source	Out	Due	Wait List	Rating	Read
Water for Elephants	workman	Feb 21, 2015	Mar 14, 2015	0	☆☆☆☆☆ (0) Add a Review	Read Online Download Return Now

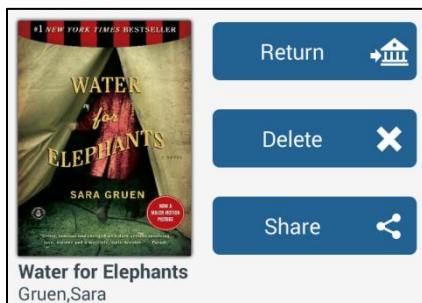

In the window that appears, select **OverDrive** or **Download to Bluefire Reader**. The book will download and open in the Bluefire Reader app. Tap on the cover to begin reading.

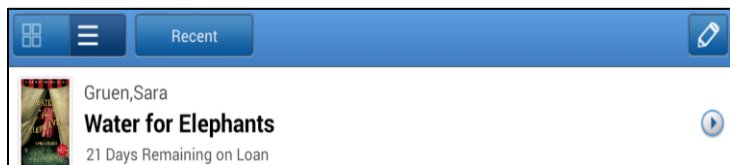

Step 3: Return & Delete

Enki books are checked out for three weeks. Titles cannot be renewed, but they can be checked out and downloaded again at the end of the initial checkout period.

To return titles early with OverDrive, open the app. Press and hold the cover image until the **Return** option appears.

To return titles early with Bluefire, open the app. Tap the Info button to the right of the cover and select **Return Item**.
