

Aspen LiDA App for Android

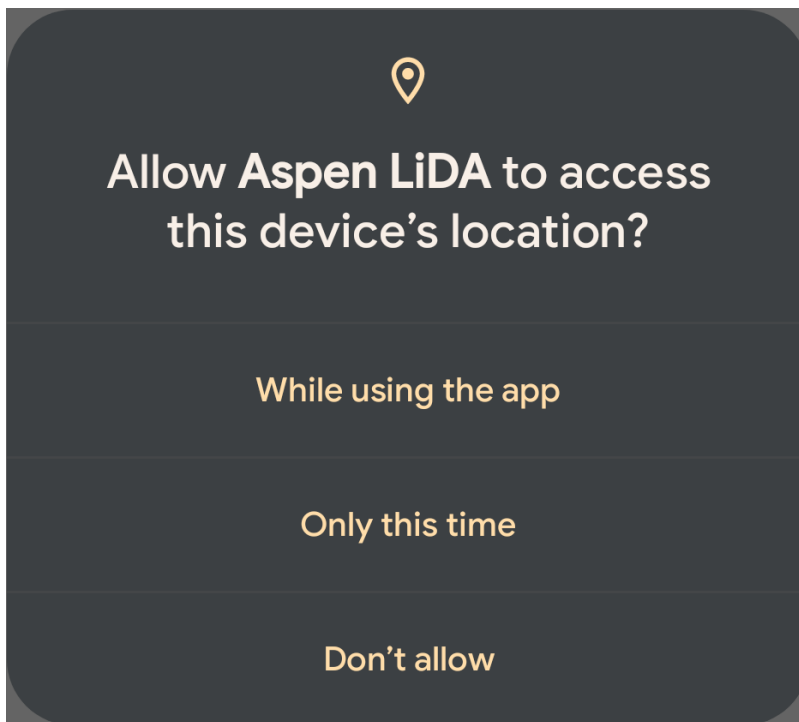

Open up the Play Store and search for Aspen LiDA.

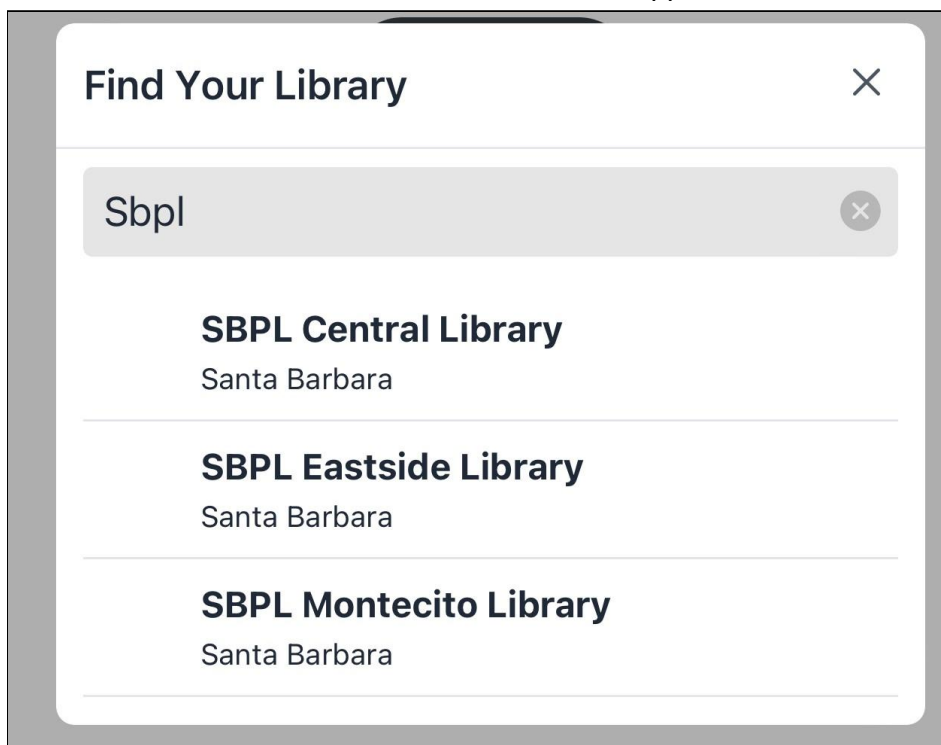

Select the "Install" button. After the app finishes downloading, select the "Open" button to open the app.

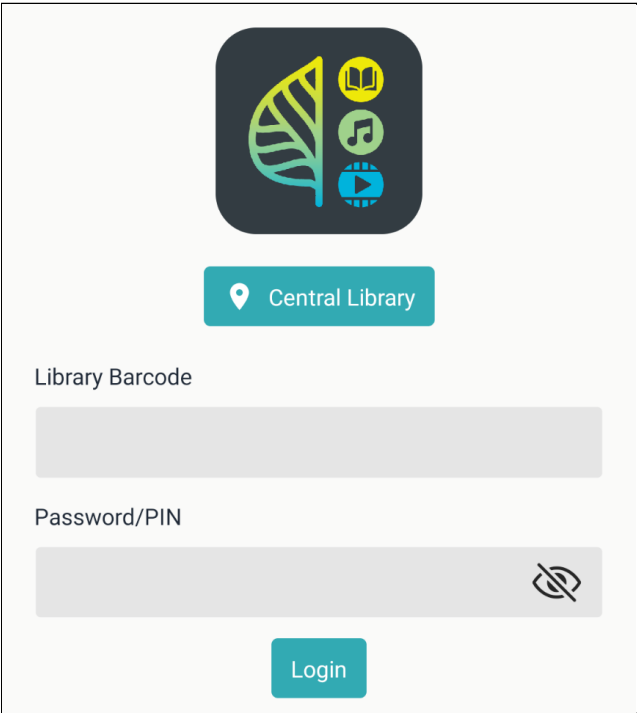

A pop up will appear asking if you want Aspen LiDA to use your location. You can also deny the permissions.

Make sure to select the correct SBPL location. Our locations will all appear as follows:

After selecting your home library, sign in using your library barcode and PIN, which is the last 4 digits of your phone number.

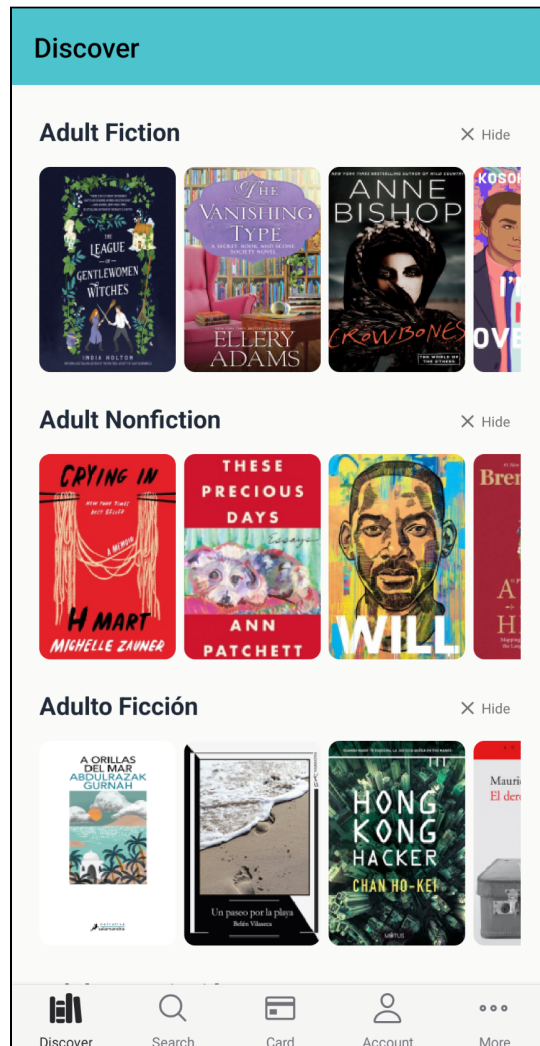

The image shows a login interface for a library. At the top is a dark square icon with a green leaf on the left and a yellow book, a blue music note, and a blue play button on the right. Below this is a teal button with a location pin icon and the text "Central Library". Underneath are two input fields: "Library Barcode" and "Password/PIN". The "Password/PIN" field has a grey eye icon on the right side. At the bottom is a teal "Login" button.

You are now logged in. By default, you will start in the Discover section,

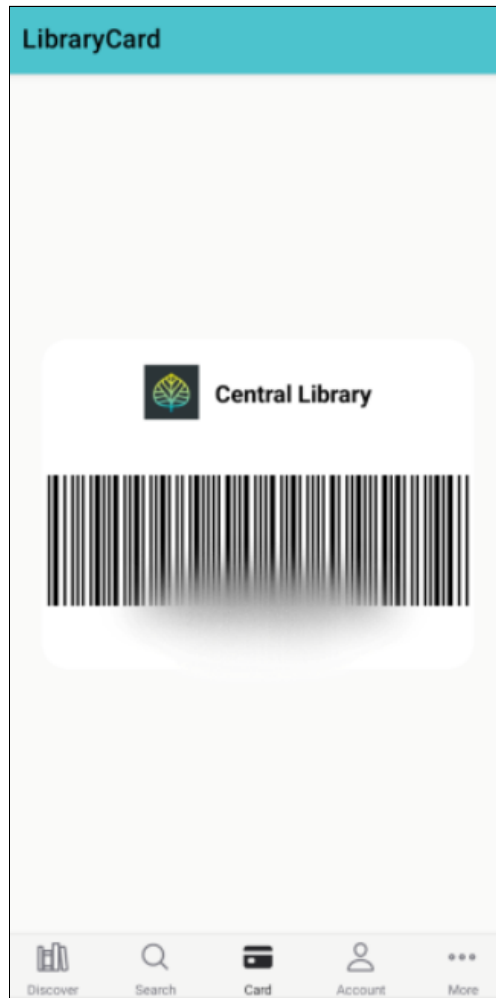

where you can browse for materials.

You can search for specific titles by selecting the Search icon to the right of Discover, on the bottom of the

If you want to use your digital library card to check out materials while at any SBPL location, select the card

The account icon will give you account specific information or holds. You can even renew materials or freeze/thaw materials

Logout

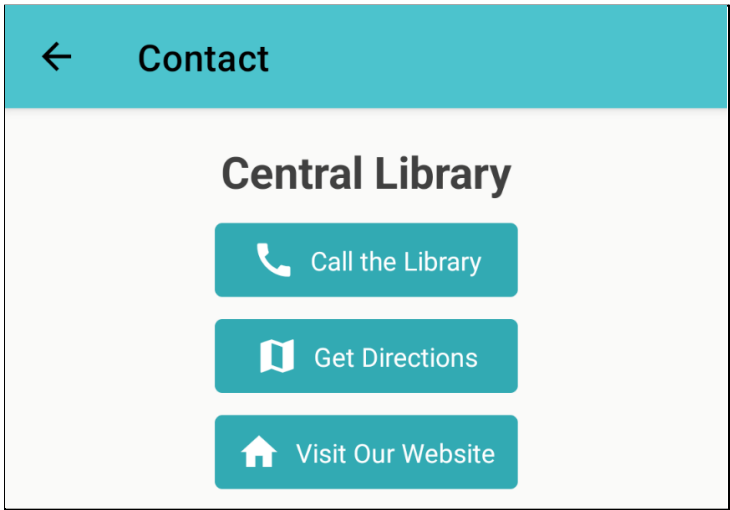

If you need to contact the library or want to view our website, select the more icon.

Now select contact.

You can now call the library, get directions, or view the website.

Linked Accounts

Use this feature if you have multiple cards in your household that you want to access.

← **Linked Accounts**

i Linked accounts allow you to easily maintain multiple accounts for the library so you can see all of your information in one place. Information from linked accounts will appear when you view your checkouts, holds, etc. in the main account.

Additional accounts to manage

The following accounts can be managed from this account:

None

[Add an Account](#)

Other accounts that can view this account

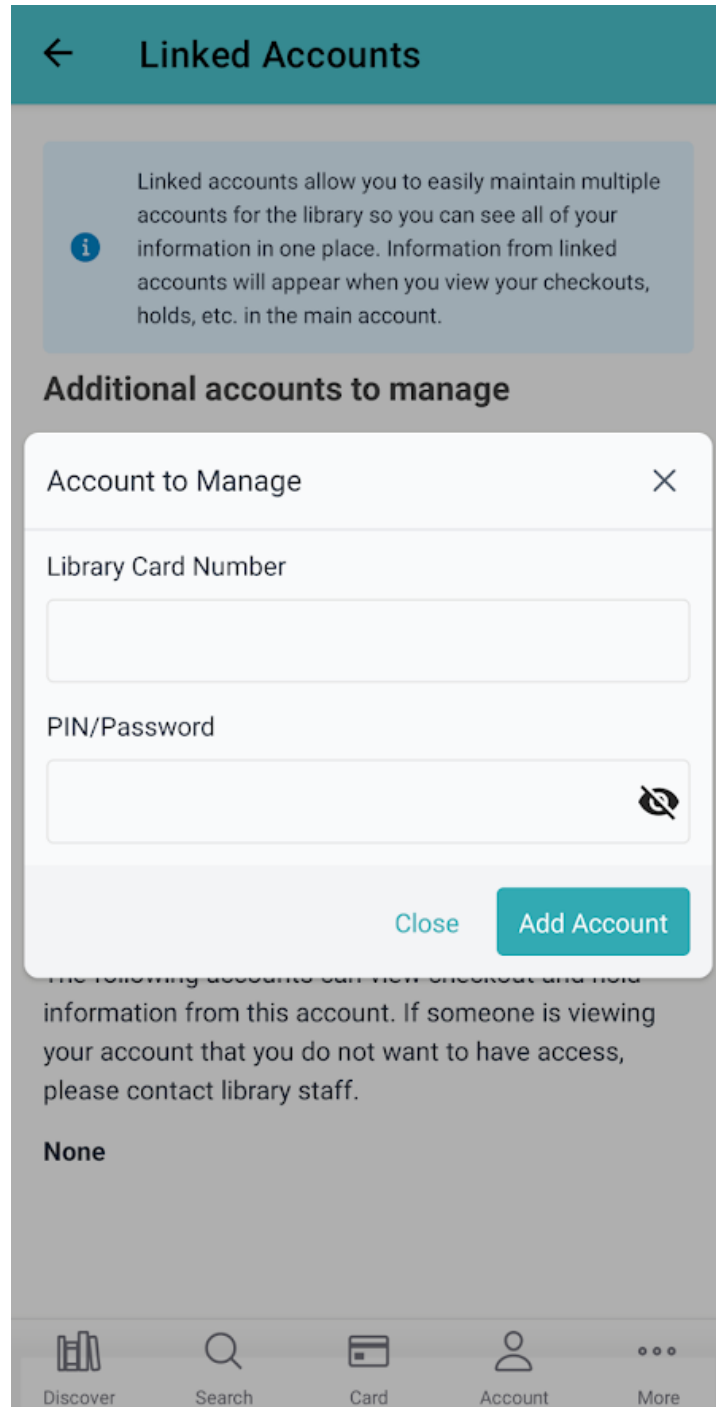

The following accounts can view checkout and hold information from this account. If someone is viewing your account that you do not want to have access, please contact library staff.

None

Discover Search Card Account More

You will be asked for the PIN and card number of the account you want to link.

Dark Mode

LiDA also has a dark mode accessible on the main account screen. Click on the moon icon to switch to dark mode.
