

## Aspen LiDA App for iPhones and iPads

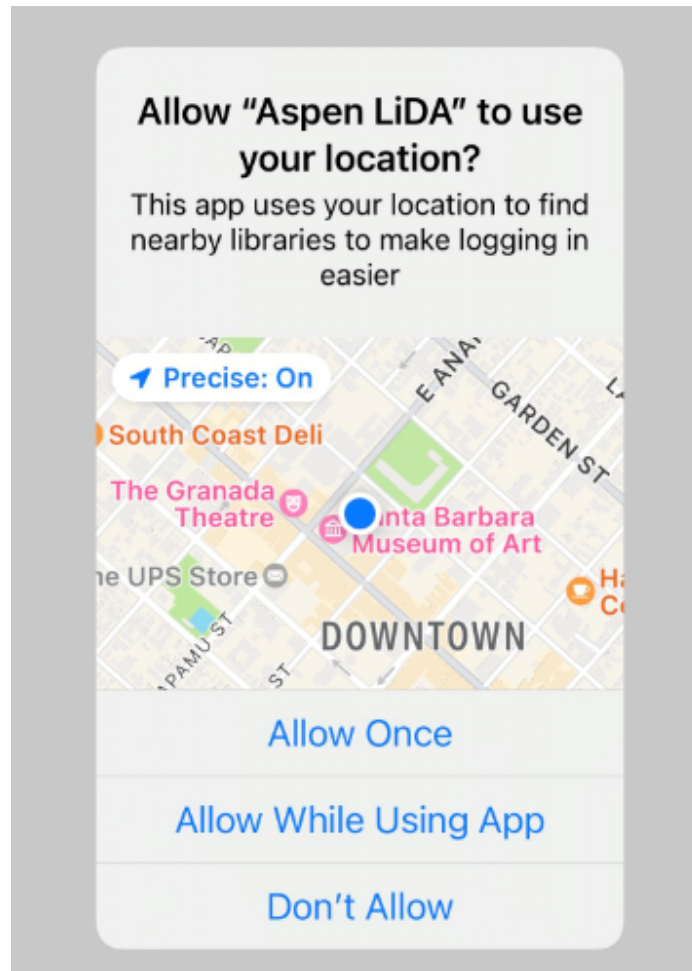

Open up the app store and search for Aspen LiDA.

Select the blue “Get” icon. Note: depending on your phone or tablet settings, you may be asked for your Apple ID to download the app. After the app finishes downloading, select the blue open button to open the app.

A pop up will appear asking if you want Aspen LiDA to use your location. You can also deny the permissions.

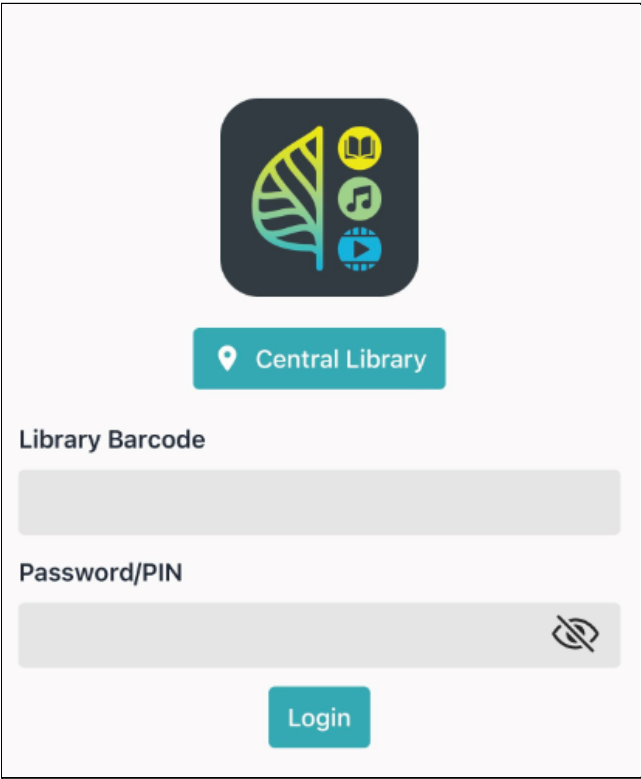

Make sure to select the correct SBPL location. Our locations will all appear as follows:

## Find Your Library ×

- SBPL Central Library**  
Santa Barbara
- SBPL Eastside Library**  
Santa Barbara
- SBPL Montecito Library**  
Santa Barbara

After selecting your home library, sign in using your library barcode and PIN, which is the last 4 digits of your phone number.

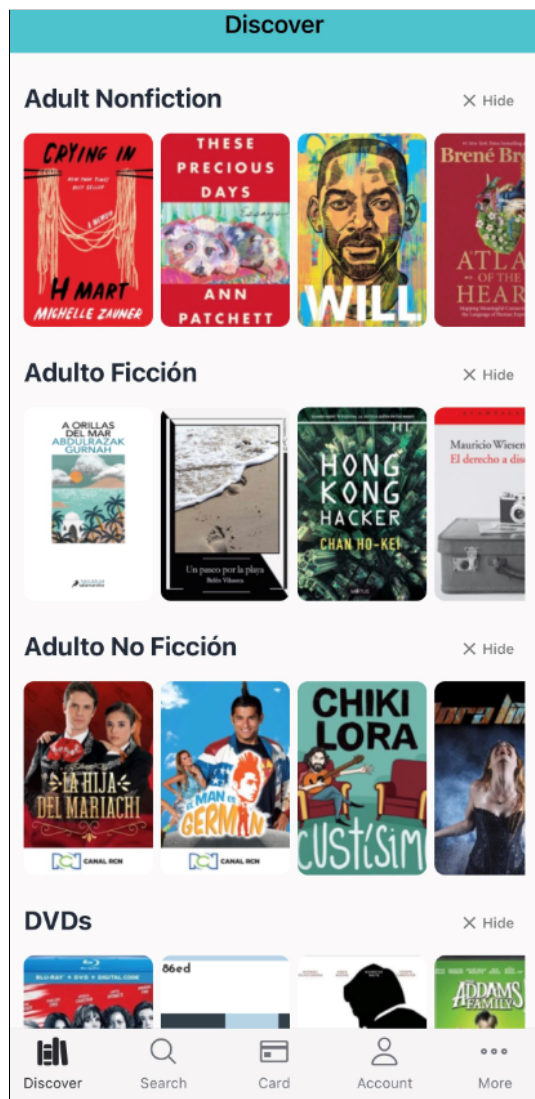

The image shows a mobile application login screen for the Central Library. At the top center is a dark blue rounded square icon containing a green leaf, a yellow book, a blue music note, and a blue play button. Below the icon is a teal button with a location pin icon and the text "Central Library". Underneath is the label "Library Barcode" followed by a grey input field. Below that is the label "Password/PIN" followed by a grey input field with a grey eye icon on the right side. At the bottom center is a teal button with the text "Login".

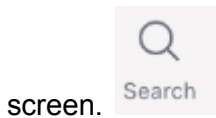

You are now logged in. By default, you will start in the Discover section where you can browse for materials.

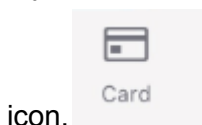

You can search for specific titles by selecting the Search icon to the right of Discover, on the bottom of the

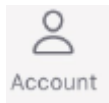

screen.

If you want to use your digital library card to check out materials while at any SBPL location, select the card

icon.

The account icon will give you account specific information or holds. You can even renew materials or freeze/thaw materials.
